Young Star Join Former Pros In Woman's Challenge Finals

GREENDALE, Wis.—Colombian bowling star Clara Guerrero may not have years of professional experience behind her, but she proved she has what it takes to compete against the sport's best by earning a spot in the United States Bowling Congress Women's Challenge finals.

Guerrero defeated nine-time Professional Women's Bowling Association titlist Kim Terrell of Antioch, Calif., 216-203 Monday night on ESPN2 and grabbed the last of four spots for next week's final show. Both players opened the match with three consecutive strikes, but two open frames by Terrell proved to be the difference.

The five-part, made-for-TV event was filmed over two days in a single-lane arena in the middle of the Fashion Show Mall in Las Vegas and has been airing on ESPN2 every Monday night since Sept. 11. Although it began with 16 women bowlers vying for the title and \$25,000 first prize, only four remain.

Guerrero, the 2005 World Ranking Masters champion and a member of the Colombian national team, will be joined in the

Two WWPB One-Day Events This Weekend

by Lori Yamasaki
NORWALK/DOWNEY—This weekend, the Western Women Professional Bowlers will return to Keystone Lanes and Del Rio Lanes for two separate one-day events. Each day, the ladies will bowl five games of qualifying and return for round robin match play finals.

Saturday's action will be at Keystone Lanes beginning at 12 noon. Sunday the ladies will take the floor at Del Rio Lanes at 10am.

As always, our events are open to all women scratch bowlers. Anyone interested in competing may contact Laurie Soto at 661-713-4945 or Lori Yamasaki at 310-473-0548.

We would like to take this opportunity to thank Dave Piazza and his staff at Keystone Lanes and Mike Cammarata & Staff at Del Rio Lanes for their continued support. We'd also like to extend a belated thank you to Dave Wodka of Ebonite International.

See you this weekend!

finals by former PWBA standouts Leanne Barrette of Elk Grove, Calif., Cara Honeychurch of Melbourne, Australia, and Carolyn Dorin-Ballard of North Richland Hills, Texas, who combined for 54 professional titles.

"When I was younger I used to watch these women on TV and looked up to them," said Guerrero, who topped Team USA member and 2005-06 Collegiate Player of the Year Stefanie Nation of Orlando, Fla., 188-154 in her first match of the night. "To be able to bowl against them is an amazing opportunity, especially since there are so few tournaments for us to compete in these days."

In Monday's first match, Terrell disposed of fellow Junior Team USA assistant coach Kendra Gaines of Orlando, Fla., 235-188. The two are good friends, but also have a history on the lanes. Gaines beat Terrell for the first of her two PWBA titles.

"It was a lot easier to focus than I thought it would be, and it turned out to be a really fun environment to compete in," said Terrell, who also is the USBC Collegiate spokesperson. "Of course I'm disappointed and I think I threw it a lot better than the scores show, but you can't win if you miss spares. Clara bowled very well, and all of the younger players have an understanding of the game I don't think I had at their age. But in the end, I think we all came out here hoping this could spark an interest in women's bowling. We all embraced the opportunity and did our best to put on a good show. Win or lose, it was an amazing experience."

Next Monday on ESPN2 at 9:30 p.m. Eastern, Barrette and Honeychurch will square off, while Guerrero takes on Dorin-Ballard. The winners then will meet to determine the Women's Challenge champion.

Bob's Break Throught!

SAN DIEGO—Admiral Robinson Center hosted the NABI tournament last weekend, & (converted to left hand) Bob Selner won for the first time in over two years. Bob has been a regular NABI bowler for many years, first as a strong right hander & now as an amazingly talented left hander. Finding the conditions exceptionally good (it took +113 to qualify!), Bob & eleven other semifinalists battled for the five slots in the finals. Bob was the top qualifier, & ironically bowled another converted (& equally talented) left hander, Fred Johnson, in the title match. Both bowlers were steady & consistent, and the outcome was a victory for Bob by a slim seven pins. Congratulations to both of you!

N.A.B.I. Champion
Bob Selner

Also included in the stepladder finals were Jeff Greer, James Smith & first time finalist Herb Stansberry, one of our faithful Riverside area supporters.

Sharing the 3-6-9 pot this tournament were Zirie Benton, Tony Nunez, Robert Gilg, Norm Rauch, Carol Lee, Gene Walker, Paul Passarino & Johnson. Mike Tangonan was rewarded for rolling 9 in a row.

Guaranteed \$50 sidepots went to Jorge Alvarez, Gil Gissendaner, Jim Nunnally, Phil Horn (1 1/3), Arlene Bautista (1/3), Sue Greer, Max Caguioa, Brian Watkins, Smith & Selner (1/3). For finishing in 6th Place, Sue Greer won the ball resurfacing & rejuvenation courtesy of Bowlers Depot, Kearny Mesa.

Our next NABI event is October 14th at Kearny Mesa Bowl. Details will be in the Bowling News next week. Save the 14th, for us ... we'll save a cookie for you!!

All Eyes On Kelly Kulick Heading Into USBC Masters

MILWAUKEE—Now that Kelly Kulick has made bowling history as the first woman to qualify for a full-season exemption on the Denny's PBA Tour, the real work begins.

Since Kulick qualified for the tour after finishing sixth at the Denny's PBA Tour Trials in June, she has been the focus of widespread media attention. She has made appearances on ABC's "Good Morning America," CNN, ABC's "World News Tonight" and has been featured The New York Times, Chicago Tribune and USA Today among many others.

The initial media blitz subsided but will no doubt pick up again at each tour stop beginning with the first major of the season — the 2006 United States Bowling Congress Masters, scheduled for Oct. 24-29 in suburban Milwaukee.

"After all the media attention, I'm looking forward to the start of the season," Kulick said. "The time since the tour trials has gone by pretty quickly, but I feel I'm going to be well prepared."

To stay sharp, the 29-year-old Union, N.J., resident works out to keep in shape, practices four days a week and has competed in a few PBA regional tournaments. In August, Kulick joined Liz Johnson as the only woman to win a PBA regional when she defeated tour regular Tommy Delutz Jr., 20-19, in a two-ball roll-off after the two tied at 221 in the championship match.

"Bowling the regionals gives me the experience I need to go up against the top players," Kulick said. "The more experience I can get bowling against higher-caliber players, the more comfortable I'll feel bowling week-in and week-out on tour."

Kulick's dream has always been to earn a living as a professional bowler, but the dream seemed to crumble when the Professional Women's Bowling Association ceased operations in 2003.

Kulick was an up and coming bowler on the PWBA Tour, earning top rookie honors in 2001, and on her way to a promising career. Not long after breaking through and winning her first title — the 2003 U.S. Open, a major on the PWBA Tour — Kulick was looking for a new job.

Kelly Kulick

"I wanted to come out and bowl no matter what, whether it was against men, women, even internationally," Kulick said. "When the PBA opened its doors it was an opportunity to bowl against the greatest bowlers in the world. I can learn more being out here."

Other women have been able to find limited success on the PBA Tour. Most notably Liz Johnson of Cheektowaga, N.Y., who was a standout on the PWBA Tour, made history by becoming the first woman to win a PBA regional and finished second in a PBA national event in 2005.

Kulick had an outstanding collegiate and amateur career before turning pro. A three-time collegiate player of the year, Kulick was also a three-time Team USA member and the 2000 Women's U.S. Amateur champion. In 1999, she was a gold medalist in the Pan Am Games and also won a gold and two silver medals in the FIQ World Championships.

The USBC Masters is the sport's most prestigious event and will feature an expected field of more than 450 of the world's top amateur and professional bowlers. A major on the Denny's PBA Tour, bowlers will be competing for a top prize of \$100,000 and an overall prize fund of \$350,000.

The Masters is open to all USBC members with a 190 or higher average. For entry information, visit bowl.com or contact Tom Boedecker at (800) 514-2695, ext. 3415 or by e-mail.

The televised finals of the USBC Masters will be held on Oct. 29 at 1 p.m. EST at the Wisconsin Exposition Center, located at State Fair Park in the Milwaukee suburb of West Allis, Wis. To purchase tickets to the finals, visit bowl.com or call (800) 514-2695, ext. 3283.

The 2006 USBC Masters is presented by Potawatomi Bingo Casino and is sponsored by AT&T, the official telecommunications company of the Masters. Kegel is the official lane maintenance provider for USBC.

Fantastic Bowling John Radosevich Inland Empire Champion

RIVERSIDE — Inland Empire NABI's tournament this past weekend was hosted by AMF Riverside Lanes.

Our champion, John Radosevich, bowled great right from the beginning to become our top qualifier for the day. While he relaxed to wait for his one game to bowl, he watched some great competitors.

Jay Shackelford, with his 212, beat Guy Clear's 210. Jay went on to bowl Kerry Lucka. Kerry bowled a 210 to Jay's 227. Along came Don Strong to bowl a 250 to Jay's 267. Then Jay had to bowl John. What a game! It was a real nail biter! Jay bowled 209, but John prevailed with a 211.

John Radosevich has won seven NABI tournaments with this win. He also won two ABT tournaments.

John won \$1,000 with optional upgrades, a champion's

shirt and a free entry into the "Tournament Of Champions" held in Las Vegas in 2007 during the NABI Nationals. John is already planning his vacation for the NABI Nationals next year, which is always a fun event.

He bowled his win with a Columbia Professional, drilled by Danny at Creative Minds Pro Shop at ABC Moreno Valley Bowl. Lastly, John in his own words, "I beat the old man, Jay Shackelford". Of course, we know he and Jay are great friends.

Our next tournament will be held at Oak Tree Lanes in Diamond Bar on Sunday, October 8. See you there! Also see our ad in this issue of the Bowling News.

O.C. Bowling Council Meeting Postponed

GRDEN GROVE — The September 28th Orange County Bowling Council meeting was postponed due to heavy early league certification work load. According to OCBC secretary Cheryl Huntington, both the OC/USBC/Ass'n. and the proprietor members agreed to the action.

The secretary said, committee chairmen could handle the current programs.

The Bowling Trailer's October schedule is full. A bit of candy and rolling a ball at tenpins makes a great school Halloween Party. Captain Bill Huntington added, Thanksgiving and Christmas weekends get double billing.

The popular BVL, aid for our LBVA Hospitalized War Vets, tournament is getting full attention. Watch for the host center, dates and entry forms.

TV stations, ESPN-2, Fox Sports News (FSN) and ESPN have a number of bowling shows scheduled.

Yes, USBC is hosting a Monday 6:30-8:00 p.m. Women's Challenge Elims from Las Vegas.

And, Dave Osborn is getting his Fountain Bowl ready for the January 16-21, 2007 PBA/Dick Weber Open.

Southland bowlers will get the whole show, Pro-Am, national TV coverage, even a chance to bowl in the "Open" for the big money.

WESTMINSTER — Westminster Lanes welcomed the Vegas league Monday for the first of six visits. Jennifer and Doreen had everything ready for us to get on the lanes at 9:30 a.m. and the hot coffee was sure appreciated.

Westminster Lanes is the only center the league changes the time schedule from the regular 10 a.m. session, due to wall to wall leagues slated later in the morning.

No season high marks but the honor roll did spotlight Doris Lewis 566, Kathy Phylow 223-558, Tracy Baldwin 556, Ann Fedderly 202-542 she also took over season high game last week with 224, for 155 and under average bowlers, Roberta McNaught 200-526, Helen Gerard 525, Karen Mauricio 200-518, Rochelle Sanford 514, Jerry Whitehurst 512, Norma Payne 503 and Katrena Whitmore 502.

Westminster Lanes #1 tops team standings with 15 wins, followed by Cal Bowl #4, 14 wins, Linbrook Bowl and Cal #5 tie at 13 wins, Del Rio #1 11 wins, then seven teams tie at 10 wins and four are tied at 8 wins. Competition has always been super and this year is no exception with 16th place team only 7 games out of first.

We regret to report Betty Moss, subbing for Betty Phillips, slipped and fell during the practice session but we are happy to report she may not have suffered serious injury. Barbara Bishop transported Betty for medical attention and then took her home. Hopefully, she will be back on the lanes soon.

Response to the October Vegas Sweeps charter bus trip is good and many already signed up before the October 16 deadline for payment or deposit. The Vegas bowling site has not been selected yet but we are negotiating with three centers for the most favorable to the league.

NEXT WEEK: Cerritos Lanes Monday 10 a.m., October 9. We still need subs from averages 130 to 170. Call Alice at (562) 423-1567 if interested.

Instruction to Help Raise Your Scores

What is Your BIQ (Bowling Improvement Quotient) ? Advanced Fundamentals. A Secret for the Sincere Bowler – Part 1

Have you ever wondered what makes a successful coach successful? Well, among other things, every qualified teacher/coach is aware of one overriding principle when working to improve bowlers who seek help. That principle involves the simple fact that no matter which advanced techniques may already be familiar to that student, nothing in the way of permanent improvement can be attained unless the *basic fundamentals* are being correctly and consistently executed.

In other words, no matter how well known the advanced aspects of any sport...including bowling...may be to the player, those advanced principles and techniques simply won't work unless the basics are correctly and consistently executed.

Basic, basic, basic!

If you think back over the months and years of my instructional articles, you'll be forced to agree that the vast majority of subjects have dealt with such basics.

This is no accident. In any number of the conversations I've had with top coaches as well as PBA pros, we've agreed that when all bowlers, including professionals, develop some flaw or other in their basic fundamentals, the *advanced techniques* they've been successful with *suddenly fail to get the desired results*.

This means that even though advanced fundamentals are different, that doesn't mean they aren't connected to the basics. They definitely are. It's just that advanced concepts of our sport can't work without the basics being sound. This is proved by the fact that even bowling's top professionals can't be successful when their basics falter, despite everything else being correct!

So...having spent so much time on basics, the purpose of this article is a bit different...it is just what the headline suggests...the fundamentals of some *advanced techniques*. In other words, *advanced fundamentals*. Some Examples:

The Fan (Hitch hike):

This technique involves a clockwise (left handers counterclockwise) twisting snap of the wrist, done only at the *very finish* of the follow through. This little snap/twist brings the thumb toward 1 or 2 o'clock (11 or 10 o'clock for left handers), so that at the *very end* of the follow through, two important things are accomplished:

First, this *hitch hike* effectively eliminates any possible chance of overturning the hand (topping the ball). Second, it gets rid of that

bothersome "chicken wing" follow through forever.

Think about it...how many times, after having done everything else correctly, have you caught yourself weakening your shot by either topping the ball or chicken winging...or both? Well, this little bit of advanced fundamental technique will cure those problems forever.

When I taught this to Betty Morris, (PWBA Hall of Fame bowler of the decade for the 1970s) her 10 pin leaves became almost non existent. She remarked, " Gosh, Rolf, I haven't felt my fingers burn like that since I was on tour!"

The reason for this is simpler than you may think. The positive torque (twisting force) effect of any rev action put into the ball during the release is greatest with *minimum hand turn*, which you'll feel in your fingers...and is lost by overturning the hand (topping/chicken winging). So since the fanned (hitch hiked) follow through helps keep the hand behind the ball longer, a more powerful release is the result.

This hitch hiked (fanned) finish may take a bit of practice, but is definitely worth it in improved pin action and strike power. The extra pin action it creates also helps in reducing splits. Any bowler would do well to spend some practice time on it.

The Trigger/Hit Technique:

This is definitely an important fundamental for all sincere bowlers. Why? Because *it will absolutely refuse to work with a muscled armswing*, so you *must do a bigger pushaway*. That bigger pushaway helps create the all important free armswing, so you'll kill two birds with one stone, so to speak.

"Trigger/hit" works as follows; "Trigger" is like triggering off a pistol shot with the fingers to release the ball.

"Hit" is simply the act of imagining you are "hitting" the ball, a term familiar to every professional player. It refers to the act of powering the release with a hand action at the *bottom* of the swing, rather than with a muscled arm action to initiate the downswing from the *top*, as so many bowlers do.

The difference is dramatic. With the all important free armswing allowing *the ball to swing the arm* (rather than the arm powering the ball downward), the entire amount of action is saved for the release itself, rather than being wasted by putting force into the arm. Keep in mind that it's not the arm that knocks down pins...it's the ball!

This difference becomes more obvious when you actually feel it. The sensation is a bit unusual at first...it is a sensation of all the force traveling *from the hand up the arm* to the shoulder, rather than from the shoulder down into the hand. So the expression

"hitting" the ball is apropos, since it feels almost as if the ball is actually being hit, rather than just released.

So..."trigger/hit" is merely putting the two together to create the release...the correct way to put the power where it belongs...into the ball! This is definitely an advanced fundamental, since the combining of these two actions depends so strongly on the free armswing to be successful.

Converting splits...and knowing when it is best to avoid even trying: Here is an advanced fundamental that really pays off for any bowler:

First, let's eliminate those splits which should not normally be attempted in the first place, except during practice. They are the so called "unmakeable" splits. 5 such splits commonly exist: The 7-10, the 8-10, the 7-9, the 4-6 and the 4-6-7-10. It's wise to just go for pin count on these.

Notice I said, don't *normally* attempt them. Obviously, if you had to make one of these or lose \$10,000 dollars, you'd try for it. But here is the logical reason you normally would just go for pin count:

To make the 7-10, you'd have to hit whichever of those pins you're after, by contacting a tiny place on the outside of that pin only a hair over 100th of an inch wide. Worse, even if you were accurate enough to manage it, that pin would slide across the lane so weakly, that it might actually touch the other pin and merely make it wobble.

This is also true of the 4-6, the 8-10 and the 7-9. So as I said above, unless you'd lose big money, just go for pin count instead. It is well known among high level bowlers, that however many unintended pins you leave by trying for an unmakeable split, that number often doubles at the end of the game. In a close match, those extra few pins can cost you the win.

Makeable splits:

These come in two categories...baby splits and wide splits.

Baby splits:

Many bowlers do this wrong, by attempting to drive one pin into the other, such as in the 4-5, the 5-6, the 7-8 or the 9-10, for example. Actually, an accurate shot toward the missing middle pin is the correct way. In other words, to convert the above splits (in that order) simply shoot for the 2 pin, the 3 pin, the 4 pin and the 6 pin.

This also goes for the 3-10 or the 2-7.

Here again, consider that both ball and pins are wide enough to convert the split *if you shoot for the missing middle pin!*

Sure, it requires accuracy. So what? All splits require accuracy. However...*it actually requires less accuracy, mathematically, to shoot for that missing middle pin, than to try to drive one pin into the other.*

Wide splits:

Here, again, many bowlers make the mistake of adjusting the feet a board or so right or left, in an attempt to deflect the desired pin across the pin deck into the far pin on the other side.

Wrong again! But why?

Simple...let's just take one example to prove the point...the 4-7-10 and the 6-7-10. Again, taking ball width, pin width and pin spacing into consideration, all these dimensions create a good enough chance to convert the split by shooting for the *phantom pin!*

What is the phantom pin? Well, in both the above cases, it is the corner pin. Shooting for that, allows you the best mathematical chance of converting the split.

But what if the split consists of just the 4-10, or the 6-7, all by themselves?

You guessed it. For the 4-10, shoot for the 7 anyway, even though it isn't standing...and for the 6-7, shoot for the missing 10. That's why those are called *phantom pins*...because you shoot for them whether they are standing or not.

LAKEWOOD—David Mathisen did it up good, as he won his fourth ABTA Title winning the hard way. He won five straight matches finally downing top seed James Abilar in the title game to take home a nice \$2,200 at super CAL Bowl in the Early Event.

In our Early Event we had a nice turnout of 157 entrants in the three squad event. It took a nice +89 (men) and +27 (ladies) to make the cut to the semis. Also added were Super Seniors, Al “300” Williams, Roger Romero, and Esther Tambio to the board.

Leading the Semis were two of our finest members, Patricia Johnson and James “Daddy” Abilar who tied at a +112. In a rolloff, James edged the pretty lady to become the top seed, sit out, and bowl for the title. Patricia then received a first round bye in the single elims and entered in round two. It took a +61 (men) and a +43 for the three guaranteed ladies to make the Sweet 16 Single Elim Finals.

The bowlers took to the lanes. In the first round single elims losing were Ely Cruz, Orelando Ramos, Tommy

Newman, Erik Volk, Jo Ann Courtney, Joyce Charles and J.R. De Guzman. They got checks of \$100 in 10-16th places.

In round two being eliminated were Ian Benavides, Damone Hale, Oliver Esmejada, and Patricia Johnson. They cashed in 6-9th places and \$105 each.

Round three had Dave Mathisen edge Chris Abing by one pin 206-205. Ubuild Lenon blitzed Donald Pulliam 212-180. Donald and Chris were 4th and 5th with great bowling and \$110 each.

It was now David Mathisen vs Ubuild Lenon for the right to meet Abilar for the title. In a great match, Dave edged Lenon in the final frame 230-223. Ubuild was third with fine bowling and \$200 with David off to the title game vs Abilar.

The title game was set and the horses were paid. Mathisen returned \$65 for everyone who had him at the \$5.00. We would see who would become the latest Champion. Two fine guys would now meet for the title. Abilar elected to have David lead off. He did, with a spare. Then James opened in frames 1 & 2

and in the hole. He doubled in frames 4 & 5. He had a problem as Mathisen did the same, then had a five bagger to take an unsurmountable lead. He coasted to a 245/261-161/190 win. The coveted title was worth a nice \$2,200. David is most deserving and has been with the ABTA many many years. He is a fine bowler and a fine guy well-liked by all. Great bowling, David and congrats on a fine performance. He has many many friends in the Club!

Great bowling by James Abilar. He could have been the winner if not for a bad start. James is with us on the lanes every week. He and his significant other Natalie have a pretty new daughter who is our newest member. Great bowling James! Let’s not forget Ubuild Lenon who almost got to the title game and did so well at CAL.

Tourney Hi Qualifiers were Leo Tartamella +163 for the men and Katrina Fujikami led the ladies at +70. They will get paid entries.

Steady Freddie Catamisan eliminated the field in the 3-6-9 roll off and missed after shot #3. We will go for \$1,000 this week

Mathisen Wins ABTA CAL BOWL Title (L—R) Ubuild Lenon 3rd, David Mathisen Champion \$2,100 and James Abilar (runnerup).

at Premiere Lanes in the 3-6-9. Freddie got a \$50 consolation for beer money:-).

The Match Game was again matched at 176 by Damone Hale, Eddie Palma, and Ely Cruz. They gladly shared the \$2,160 (\$720 each). We estimate the Match Game at \$1,200 this week at Premiere Lanes.

Match Series worth \$432 was drawn by LeoTartamella. He drew a 545 which was UNmatched, so we estimate the Series at \$625 at Premiere Lanes Saturday.

The weekly winner of the Columbia “300” Ball, was a lucky Anthony Borci. He thanks the ABTA, and sponsor Columbia 300 for the fine ball. He will receive a Columbia “Action Packed”.

Champion Dave Mathisen is from Long Beach, and used a Columbia Beast drilled by ABTA member Mike Wahl at Cerritos Lanes. He thanks his family and

friends for support, the ABTA staff and especially Bob for all the great tournaments that wre so fun to bowl in. David is an ABTA Blueblood and bowls in our ABTA League at Cal also.

James Abilar is from Pasadena and used a Columbis Scout drilled by Memo Rosales at Action Lanes. He is taken by Natalie an ABTA member. They have a new daughter Jo Lynn. He thanks God, Natalie, Joson, Mama Joni, Papa Henry. The ABTA family and Cal Bowl for the nice hospitality and Memo and Crew for the fine drilling.

We sure enjoyed our return to Cal and in a schedule change will bowl there again Oct. 14 in place of Arrowhead Lanes which will be in our next schedule. Thanks to Gary and his superb , helpful staff.

On a happy note, we are enlightened to hear of the marriage of ABTA memberws Marcus Lemons and Tomiekia Johnson, now Tomiekia Lemons. Both of the Lemons and Johnsons families are ABTA members and supporters and fine people. They were married in Montebello and enjoyed a Mexican Riviera Cruise for a honeymoon. Good luck to the newlyweds from all!

On a sad note, we are sorry to hear of the passing of ABTA member Les Tucker. Les was a great guy and although an older member he was a fine bowler and very competitive. He finished second in his highest finish at West Covina a few years back. He was well-liked by all.

He bowled at Chaparral Lanes since its opening. He loved bowling and horses and rode with the Monrovia Mounted Police.

Les is up above working on his perfect game where it means so much more. He will be missed by this writer and all who knew him. God Bless.

It is history folks, as David Mathisen enters the archives as a four time champion.

Make plans for this One Day event at Premiere Lanes Saturday. There will be qualifying at 12:00-1:00-2:30-4:00 & 6:00 p.m. Semi[-finals 7:45 p.m. Oct. 14 we are hosted by Cal Bowl in Lakewood with the schedule still being worked and mailed soon.

USBC To Guarantee \$200,000 Queens Prize Fund For 2nd Consecutive Year

GREENDALE, Wis.—The world's best women bowlers will again compete for a \$200,000 guaranteed prize fund and \$30,000 first prize when the United States Bowling Congress Queens is conducted in Charlotte, N.C., April 28-May 2, 2007.

The guaranteed Queens prize fund and first prize are part of USBC's continuing effort to support women's bowling. The 2006 Queens conducted in Reno, Nev., last June was the first year the event featured a record \$200,000 prize fund with the \$30,000 first prize going to amateur standout Shannon Pluhowsky.

"Increasing the Queens prize fund underscores USBC's commitment to women's bowling," said USBC Chief Officer of Tournaments and Events Roseann Kuhn. "While USBC is guaranteeing the prize fund, we will also put into place an intensive sales effort to seek more sponsorship dollars that would potentially allow us to expand the prize fund even further."

In another effort to showcase women's competition, USBC is the sponsor of the innovative made-for-TV USBC Women's Challenge, which was taped on a specially-installed lane in Las Vegas' Fashion Show Mall and is airing on consecutive Monday nights on ESPN2 at 9:30 p.m. EDT until Oct. 9.

Topflight women bowlers also will compete in the upcoming USBC Masters which will be conducted Oct. 24-29 in Milwaukee. Kelly Kulick, the first woman to qualify for the Denny's Professional Bowlers Association exempt tour, will lead a list of several women who will compete in the first major of the 2006-07 tour season. The Masters finals will be televised by ESPN from the Wisconsin Exposition Center at State Fair Park on Oct. 29 at 1 p.m. Eastern.

USBC also announced that beginning in 2008, the Queens and Senior Queens will be scheduled during a consistent timeframe. As a result of the USBC Women's Championships new guaranteed reservation system taking effect in 2008 in Detroit, Queens and Senior Queens qualifying will begin the fourth Saturday in April at least through 2012.

The 2007 Queens will be conducted at AMF Carolina Lanes in the Charlotte suburb of Matthews, N.C. and the Senior Queens at Northcross Lanes in Huntersville, N.C.

Malucci Breaks Records, Beat Pete Kaz For Deaf Master Bowler Title

by Connie Marchionie

LAS VEGAS—The entries in the 5th annual National Deaf Master Bowlers Association tournament held at the Orleans Hotel Bowling Center were at all time low 21. Founder Director Bill Cozad added handicap but it did not help draw more bowlers but nevertheless the tournament went on.

The tournament turned out to be a battle of two great deaf bowlers, Carl Malucci, the left-hander from Whittier, CA and Peter Kaczmarczyk, the right hander from Warren, MI. Malucci is the deaf prolific 300 shooter while Kaczmarczyk is the leading deaf PBA money earner and holder of many NDMBA scoring records.

At the tournament's end, it turned out Malucci was the eventual winner breaking three of Kaczmarczyk's 8 records.

In the Saturday morning's first 6 games block of 12 games qualifying round, Pete Kaz as he was nicknamed, finished with a 1410 including the morning block's high game 269. Malucci started off with first three games of 255-256-249 for 770 breaking Pete Kaz's record of 749 set in 2003 at Dallas. But Malucci finished with 1378. After a lunch break, in the afternoon's second block of 6 games, Malucci came back with another new record three games 790 from 254-279-257 and finished with a 267 for a 740 and a new record afternoon block of 1530 total. His 790 broke Pete Kaz's record of 748 made in the 2002 first tournament at Cleveland and his 1530 broke Pete Kaz's 1487 made in 2003. Also Malucci's 279 tied the high game of 279 by Kevin Moran in 2002.

Malucci finished the day at the top with a 2909 total, 62 pins short of Pete Kaz's record of 2971 made in 2001 at Orlando. Pete Kaz finished second with 1271 and 2681 total. Top six bowlers finished with zero handicap, John Fisher, Ohio 3rd with 2511,

defending champion Darrell Stogryn, CA 4th with 2485, PBA senior Frank Gallo, Jr MD 5th with 2460 and Ron Hinkel, RI 6th with 2454.

On Sunday morning the top 16 qualifiers with their scores wept clear went in another 5 games for the top 8 bowlers positions for the one round match play. Pete Kaz recaptured the lead with a record 1213 with 267-227-235-259-225. Malucci closed with a 257 for 1189 for 2nd and Darrell Stogryn closed with the round's high game 269 for 1097 for 3rd. Robert Ellison, CA who qualified 13th with no handicap rolled 1017 to jump to 4th and Tournament director Ed Abakumff with a 256 middle game and 3 handicap per game moved from 7th to 5th. Robert G. Jones, CA with 4 handicap per game moved up from 12th to 6th, up coming bowler Patrick Stecker, CA with 7 handicap moved from 16th to 7th and the final spot was taken by Tim Estes, WA with no handicap, helped with a 254 first game and 861 total. In the best 3 of 5 match play, three matches went 3 games with only Stecker making Malucci work for his win and both Pete Kaz and Bob Jones easy winners over Estes and Stogryn respectively. Ellison-Abakumoff went see-sawing 5 games with Abakumoff winning the 5th game. Both with the best losing record and worst winning record had to bowl another game for the wild card position which Ellison prevailed with a 201-178 win.

The semi finals one game matches had Pete Kaz beating Ellison, 216-183 and Malucci defeating Jones229-197. In the one game championship match Pete Kaz starting with a 3 baggers but in 4th frame left a 7-10 on a pocket hit and had two consecutive 10 pin taps and another split in 8th for a 187. Malucci ran a 4 baggers from 5th to 8th frame for a 210 and the title and \$1200.00 prize. Pete Kaz is again without a title taking the \$600 runner-up position. Ellison beat Jones 212 to 204 for the 3rd place \$300 and Jones took 4th place \$200. Abakumoff finished 5th, Stogryn 6th, Stecker 7th and Estes 8th. Malucci took the \$100 high qualifier prize. Abakumoff retired after five years as the tournament director and was awarded a trophy for his work. His assistant Ellison will replace him. Next year's tournament will be held at Taylor Lanes near Detroit and a headquarter hotel will be announced later.

TIMES HAVE CHANGED??

The 1948—1949 bowling season was the greatest in the history of the tenpin sport. The American Bowling Congress, a service organization, reported an all-time high membership of 311,053 teams. The A. B. C. certified a record number of 6,097 bowling establishments including over 50,000 alley beds. Tournaments, sanctioned by the A. B. C., numbered 1,774, another record. The Woman's International Bowling Congress, Inc., had a record membership of 432,926 individuals.

Men's Tournaments. The 6th annual tournament of the American Bowling Congress was conducted in Atlantic City, N. J., at Convention Hall, Feb. 12 to April 9th, 1949. It was the first time an A. B. C. tournament was held in a seaboard city and it was the sixth largest in history, with 5,444 teams representing 980 towns in 40 states, the District of Columbia, Alaska, and Canada. A total of \$375,991 was paid in 12,201 prizes, the A. B. C.'s second highest prize fund. Forty-six newly installed alleys were used, the largest battery of lanes ever.

The Jimmie Smith team of South Bend, Ind., won the highly prized A. B. C. team championship, which netted them \$2,500 and the 1949 championship gold and diamond medals, plus the A. B. C. team championship sponsor trophy. The South Bend team scored 3,027. Individual members and their scores included: Joe Czigan, 542; Harold Kelly, 632; John Nemeth, 668; Drennan Tatman, 543; and Harley Luckey, 642. It was the second A. B. C. title for Kelly.

Donald Van Boxel, Green Bay, Wis., and Gene Bernhardt, Sturgeon Bay, Wis., scored 1,332 to win the Two-Man title. The pair had never met before they boarded the train in Green Bay for their trip east. Van Boxel scored 688 and Bernhardt posted 644. They netted \$1,000 and medals.

Bernard Rusche, a Cincinnati University law student, converted the 3-10 split in the last frame to score 716 and win the individual title worth \$500 and the championship medal.

Johnny Small, veteran Chicago bowler, won his second A. B. C. title, when he won the all-events with a nine-game total of 1,941. He won \$1,000 and the championship medal.

The E & B Beer team, Detroit, became the third team to win the Frank L. Padeloup trophy for high team all-events. This team rolled 9,041 in the three divisions as follows: Therman Gibson, 1,820; Charles O'Donnell, 1,918; Louis Sielaff, 1,734; George Young, 1,778; and Fred Bujack, 1791. The E. & B's set a new money-earning mark of \$3,977 and collected 13 trophies. O'Donnell set an individual money-winning mark of \$1,809.

Junie McMahon, Chicago, established a new all-time high 10-year average of 206.69. He was only six pins ahead of Joe Wilman, Chicago, in this race which has become one of the A. B. C.'s most interesting features.

The E & B Beer team, Detroit, won the National Match Game team championship on Nov. 20, in a 24 game, home and home match, with the defending Tavern Pale team of Chicago. The margin was 308 pins. The Detroit team included Therman Gibson, Chuck O'Donnell, George Young, Bill Bunetta, Louis Sielaff, and Fred Bujack.

Stan Slomenski, Newark, N. J., and Johnny Dayon, Bayonne, N. J., won the National Two-Man match game championship in Philadelphia on Feb. 6.

Junie McMahon, Chicago, won the All-Star tournament in Chicago early in December and was crowned National Match Game individual champion. McMahon outscored 15 other finalists in the 64 game match play when he averaged 214.

Women's Tournaments. The 31st annual tournament of the Woman's International Bowling Congress, Inc., was held at the Riverview Alleys in Columbus, Ohio, April 21 to May 31, with a record-breaking entry of 2,600 teams, 3,725 doubles, and 7,450 singles. The prize list, largest in history, totaled \$83,670.

The Gears by Enterprise team of Detroit won the team event with a 2,786 score. Members of his team included Dorothy Brichta, Lois McAllister, Teddy McLaughlin, Marie Shamlock, and Agnes Eckstrom. They won medals and \$500. Estelle Svoda and Ann Elysavich, Chicago, won the doubles title, worth \$250 and medals, with a score of 1,220. Clara Mataya, St. Louis, won \$250 and a medal for her 658 score, high in the singles. Cecelia Winandy, Chicago, won the all-events title with a 1,840 nine-game total. Her prize was \$100 and a medal. Forest Lanes 615 Scr. Trios \$5,000 Title Race Serious

by Frank Kietz
LAKE FOREST — Forest Lanes high scoring 615 Scratch Trios League coasted late (9:00 p.m.) last Thursday with only one 300 game by Jeff Copeland, his first. Perhaps, the \$5,000 title pressure is on!
“Bring It” to us, (the \$5,000) says team three, consisting of Seth Leader, Kristi and Steve Zimmerman, who have been claiming the lead the past three weeks.
Yes, the high scores get you on the honor roll and a couple of USBC awards. It is the win-lose points, a total of 17, determine the leaders and rolloff positions.
It’s possible Copeland got serious, learning he was bowling for money, \$5,000 first place along with Mike Belair and Mario Marquez. They won 15 points placing them in second place, five points behind “Bring It” to us and two points ahead of Team One, Jason Kubanis, Frank Street and Mike Frances.
The big numbers do count. Belair swings the most weight with a 244 average and a 300/800 series while Frances totes a 241 average and enjoys a loop high 300/803 series.
Tonight’s (Thursday, October 5) hot session will be on lanes 27-28, Belair’s trio against Team Nine, Tim Timmerman, Brent Ilagan and Donald Malapas.
The leader, Zimmerman trio will be battling Team 11, Randy Erickson, Pat Danforth and Mike Tucker to keep them off the top.
Center Manager Allan MacDuffee, says we have 14 trios competing at 9:00 p.m. Thursdays for lots of money. Besides the place and sidepot money, a number participate in professional competition. An example, the Dick Weber Open at Fountain Bowl, January 16-21 and the February 27-March

4 U.S. Open in North Brunswick, New Jersey.
There’s no admission charge to watch these stars compete Thursday Night. I guarantee visitors will improve their game. For more information regarding the trios, call 949-770-0055.
SED Jr. Travel
by David Gordon
SANTA FE SPRINGS - Premiere Lanes was the site of our latest session. Tough, old school lanes that these bowlers need to experience. We thank the staff and management for the great accommodations this week-end.
While most of the bowlers struggled a bit, we did have a few save this weeks article. Eddie Sayles liked this shot and proceeded to post 234-269-247/944. Way to go Eddie. Standing alone in the 800 club we have J.D. Pelow with 248-214/846. Nice! Other reportable scoring includes Darren Pascual 201/744, James Hawkins 224/741, Bryan Osborne 208/732, and Mark Curtis 210.
This week, I’m going to introduce you to just the team names and let’s see if you can guess who the bowlers are. We have (in no particular order) “Seeing Double”, “New Kids on the Lanes”, “Sherie’s Boys”, “Divine Impact”, “Chunky Beef Stew”, “Sun Blockers”, “Blondies Rule”, “Never Here ???”, “Invisible Team”, “Opposite Extremes”, “E Kinda Mean”, and “Two for the Money”. Have Fun.
The SED Jr. Travel group will be taking byes for the next two weeks, but will return on October 21st at AMF Carter Lanes in Fullerton. Bowlers please remember that our start time is 2:00 in uniform.
Until then, good luck to those bowling in tournaments, be safe and I’ll see you in a few.

Girls Jr. All-Stars

by David Gordon
SANTA FE SPRINGS - The young ladies of the Girls Jr. All-Stars took to the wood at Premiere Lanes this past Sunday. After a quick update of this years rules, they hit the floor with high expectations. However, Premiere can be a reality check, read on.
One veteran knew just what to do as Deanna Carrillo put up big number of 213-215-205/812. Very Nice Deanna. We also had Melissa Pena with 221/735 and Jillian Gaddison a 204 game.
As promised, our ladies for the season are Veterans; Deanna Carrillo, Jillian Gaddison, Lindsay Hannasch, Melissa Pena and Tabetha Reynolds. We welcome Rookies; Jasmine Morales, Nicole Perrenoud and Katheren Ross. The home centers for these ladies are Brunswick West Covina, Jewel City Bowl, Premiere Lanes and Santa Clarita Lanes.
This year the small but talented group will try a singles format. In this manner, we have 8 teams instead of 4 teams of two, so that the girls don’t bowl the same team as often like we did last year. This also allows us flexibility with the lanes we use, whereby we could double up if needed or spread out for a show of presence. I’ve told the girls that in December, we’ll re-evaluate this format to see if we want to stick with it. A new and exciting year.
After a couple of byes, we will return to the lanes on October 22nd at AMF Carter Lanes following the JAT Tournament. Our start time is scheduled for 2:00. Therefore ladies, get in some good practice and rest. Good luck with you’re bowling over the next two weeks. I’ll see you at Carter.
