## Denise Williams Inducted Into San Gabriel Valley Womens Bowling Association Hall of Fame for Superior Performance

by Rosie Parker

COVINA—Inductee this year into the San Gabriel Valley Hall of Fame for Superior Performance is Denise Williams.

Denise began her bowling career at Columbia Bowl at the age of 17, joining a league with her Mom and Dad. Denise said she threw a back-up ball back then. She had played softball for many years and was a pitcher. She became a member of the San Gabriel Valley WBA in 1984.

Denise contributes her turning into a good bowler to Paul Gaeta her life companion.

Here are some of her many accomplishments within the San Gabriel Valley:

Denise has averaged 200 and above for many seasons, in one or more of the associations she belonged to. Her all time high average in San Gabriel Valley is a 209 bowled in the 2003-04 season in the Scratch Vegas League at Chapparral Lanes. During the 04-05 season, in the Scratch Vegas league, Denise rolled a 718 series and a 269 high game.

Denise has rolled two 300 games. The first was in a WWPB tournament in Big Bear

on September 19, 1998 and the second one was on February 21, 2001 at Oak Tree Lanes in the 570 Scratch Trio League.

Her all time high series is a 784, rolled at Del Rio Lanes in the Monday night Brunswick Invitational.

In 1999-2000 Denise was the San Gabriel Valley WBA Bowler of the year.

In 2003 Denise captured the title of S G V W B A Queen in the tournament held at Friendly Hills Lanes.

In the 1996 SGVWBA City Championship Tournament, held at Covina Bowl, Denise was the Grand Champion.

Denise supports and bowls in the tournaments sponsored by the San Gabriel Valley WBA, and always encourages her friends to join her.

Denise also bowls in the California Women's State Championship Tournament each year, and has bowled in the California Women's State Queen's Tournament 3 years.

Denise Williams, is a welcome member into the 2005 San Gabriel Valley Women's Bowling Association Hall of Fame for Superior Performance.

## Kingpin Challenge Postponed Until 2006

GREENDALE, Wis.—The Kingpin Million Dollar Challenge, an event that promised to pay the first \$1 million first prize in bowling history, has been postponed.

The event, which is certified by the United States Bowling Congress, was scheduled to take place the end of this month at the National Bowling Stadium in Reno, Nev., but Kingpin Challenge organizers elected to postpone the event due to a slowdown in entries and growing cancellations.

“Obviously USBC is disappointed the event is not going forward but we understand the reasons behind the postponement,” USBC Chief Operating Officer Jack Mordini said. “USBC initially became involved in this event to protect the interests of our members, and we have received assurances that complete refunds will be offered to bowlers.”

Kingpin organizers say the event will now be conducted sometime in 2006. Details are still being worked on and an announcement is expected in the next two to four weeks.

“We apologize profusely for the inconvenience this is going to cause those bowlers who have already committed,” Kingpin spokesman David Woodruff said. “All contestants will be offered a full refund of any and all funds they have paid the Kingpin organizers.”

Bowlers who would like a refund can contact the Kingpin offices by calling (866) 300-2292 or by visiting [www.kingpinchallenge.com](http://www.kingpinchallenge.com).

## Riccilli Back

NORWALK — Last May the Bowling News reported that Fred Riccilli had been hospitalized in a diabetic coma. The whisperers around Orange County didn't think Fred would make it thru the weekend.

Surprise! Fred, at age 84 not only made it thru the weekend, but in five short months he made such a complete recovery that he's bowling in his favorite league.

It has been reported over the years that bowling is good for the spirit, the competitive juices, as a mild exercise and now diabetic suffers. So toss all those pills in the trash and go bowling. Tell 'em “Fred sent me”.

## Scots Started Lawn Bowls In U.S. Century Ago

by Frank Kietz

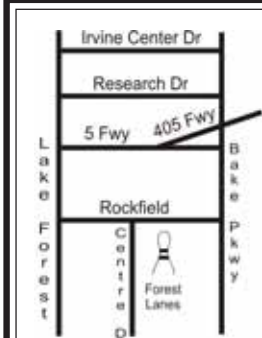

LAGUNA WOODS — So they claim, Scots introduced Lawn Bowls to the USA about a century ago. Now a Scottish company, Greengauge Ltd. is introducing an artificial surface to replace the natural grass greens.

It wasn't the Brits, Sir Walter Raleigh or Sir Frances Drake. It was the Scots, MacDuffs, along with their wailing bagpipers. The group will be happy when the bagpipers wait-out real grass.

Here is what they claim. With our vast experience in design and installation of artificial turf surfaces, you (owners) can be confident your greens will be level, true, and will give you many years of maintenance free play.

Yes, next will be the golf greens just for the happy putters.

What's that got to do with tennis? If we don't get more bowlers, proprietors could convert lanes to rinks or curling. For more info. call 616-663-5777 or [www.allamericansportsgroup.com](http://www.allamericansportsgroup.com).

LAS VEGAS TRAVEL LEAGUE

By Alice Meglemre

SEAL BEACH- The 16-team Las Vegas Travel league returned to Rossmoor Bowl Monday and Natha had the welcome mat out, along with plenty of hot coffee, to welcome us.

Although scoring was not especially high, it was plentiful with 15 bowlers making the honor roll. Katrena Whitmore led with 560, followed by Tracy Baldwin 223-543, Nancy Soto 200-539, Roberta McNaught 206-537, Dottie Lawn 531, Helen Gerard 527, Sharon Barnett 524, Gloria Thomas 200-503, Cindy Martin 523, Alta Duke 202-516, Rosa Closs 506 and Betty Klemin had 506 series, Karen Mauricio 503, Bonnie Everitt 500, Darlene Waken 203, Alberta Stoute 202 and Jamie Vallier 201.

Cal Bowl B team captain Berneice King could not complete the final game, due a muscle spasm, however the team still swept three games from opponents and now post 18 wins for league leadership. Cerritos Lanes has 15 wins, followed by Rossmoor Bowl B, 14; Westminster Lanes, 13; Cal Bowl A, 12.2; four teams tie at 12 wins, Westminster B, 11.2, five teams tie at 11 and the Cal Bowl D trails with 5 wins.

The "strike Pot" hit \$119 this week and when it hits \$100, it has to be broken so Sue McGill started calling numbers. In fact, she called 15 names and then hooray, Sue's number came up and she got the winning strike.

We are sending out another call for subs because three members, Dot Nelson, Joan Roper and Tracy Koolmees are slated for major surgery this month. They all expect to be sidelined a couple of months, and we sure need subs with averages from 140 and up. Call Alice at (562) 423-1567 if you are available on Mondays at 10 a.m.

NEXT WEEK: Westminster Lanes, 9:30 a.m. Mon. Oct. 10.

# Up Your Average

by Rolf Gauger

Instruction to Help Raise Your Scores

FORM, FINISH AND FISICS PART II

In last month’s issue we discussed some of the reasons for the importance of form in achieving optimum scores and averages. Then, we worked on some of the techniques for achieving such a form (body position) during the approach and at the line. As was mentioned, all of this has but one purpose...to ultimately achieve a body position at the line which turns that body into a solid launch pad from which you can fire a consistent, accurate and powerful “missile”.

We also dealt with the reasons why optimum form may vary somewhat from bowler to bowler and still be appropriate. This is because the only rules about form are that to be effective in helping to score it must somehow allow the bowler to accomplish a leveraged release. The underlying laws of physics demand this. Also, it must be kept simple enough to be easily repeatable. It was pointed out that while some of the leading touring pros may have somewhat similar styles, many vary widely; but that there are always similarities which may not be easily noticeable at first because such similarities are often hidden by the more obvious differences.

The bottom line point was...and is...that once the underlying laws of physics are understood (and most are fairly easy, really), it is worth while to make a few adjustments which allow what we call “form” to become an asset rather than a liability. Since amateur bowlers can’t practice as many hours per week as the touring pros, it would behoove them to at least work on achieving a solid bodily form somewhat closer to a more leveraged launch pad, as mentioned above!

Down, DOWN, DOWN!

Nothing new here; this is a no-brainer! We all know that a lower, yet more upright torso at the line, the more leverage is available for the release. The problem is, that once the over-bending of the body from the waist at the line has been corrected (see part 1 of this article in last month’s issue) many bowlers wind up standing too tall. Then, to correct this, they often try to remember to bend the knees in addition to keeping the torso more vertical and this creates the old “overthink” problem.

So forget about knee bending. Instead, what actually works, is to visualize yourself “dropping” the finishing HIP forward. Since it’s impossible to drop a hip without bending the knee, you can forget the knees and merely tell yourself, “DROP YOUR FINISHING HIP FORWARD!” as you get to the line. For right handers, this is the left hip...right hip for left handers. This results in a lower yet slightly more upright torso at the line.

The critial point is this...AT THE RLEASE POINT THE CHEST SHOULD BE NO FARTHER FORWARD THAN THE FRONT KNEE! That body position must be maintained, while posting!

FISICS AND THE DOWNSWING

Anyway, as we discussed in last month’s article, the real secret of accuracy is the ability to create a non wandering swing plane in alignment with your target, or mark, during the approach and release. As virtually all par bowlers know, such a swing alignment is most easily achieved by initiating it with a target aligned pushaway. This is true regardless of which of the numerous possible styles of push-away you may be using.

The correct pushaway is important. It must have four properties in modern bowling:

1. It must be bigger than the accompanying step;
2. It must be faster...never too slow and deliberate;
3. It must, preferably starting at or slightly below the waist, go slightly upward at the same time as forward;
4. It must push the ball toward the intended target board (mark).

Why? Well, a bigger push allows the ball’s gravity to take over the swing. This avoids muscling the ball; faster pushaway assists timing; slightly upward keeps the ball from getting ahead of the steps, and toward the mark assists with accuracy.

BICEP, NO!

Try this test: Hold your ball as if in the stance, about waist high, elbow at your side, but without your other hand. Look down at your bicep; it’s contracted, right? You can even feel it all bunched up in an effort to hold that ball. Now, do a push-away with just that one hand. As that hand moves forward, notice two things...your bicep gradually seems to disappear as it flattens out and the ball feels heavier, until at the end of that push it’s so heavy that it wants to fall down. This proves that it’s the *bicep*, which ordinarily restricts the backswing. A bigger push-away eliminates the bicep and lets the BALL SWING THE ARM! Remember that...the ball swings the arm!

Why? Well, this creates the all important “free” armswing, so critical for a successful shot.

Hall of fame coach of the pros, John Jowdy, the acknowledged “king of swing” (did you think it was Benny Goodman?) teaches this and has helped champions like Pete Weber and others improve their win rate with it.

RUBBER BAND, YES!

Now that the ball is into a more effortless backswing, there’s less tendency to muscle it into the downswing (the second swing alignment problem mentioned above). The bad news is, that quite often the ball gets muscled down anyway, in spite of the nice free backswing just concluded.

Why? Because at the top of the backswing, the ball temporarily loses all its gravity. That’s when your muscles scream, “The ball doesn’t weigh anything...we better help it down!”

Muscling the ball is the result. While it feels good, trust me when I tell you that as good as that ball muscling may feel during the downswing, a split second later, at the release, ol’ Dr. Feel-good suddenly deserts you. Now you’re either out of time, your bowling shoulder and downswing have moved out of alignment, or both. As stated above, the arm is attached at only one point...the shoulder. Pull against that ball with one end of the arm and the other end will be affected.

Worse yet, chicken winging often begins with a muscled downswing. So that sense of power one gets from forcing the ball down vanishes into thin air and usually results in an errant shot.

O.K. We all know about muscling being incorrect. Yet I get 200 plus average bowlers who do it anyway, thinking it can’t be much of a problem because they seem to be getting away with it. Then, after they’ve been helped to overcome it and the average jumps several pins, they suddenly get religion.

Just one last little test: Stand with arms hanging naturally; move your bowling arm backward, as if in a backswing, arm straight. Now, notice that as your arm approaches the top of that backswing, the chest muscle (pectoral) stretches out, sort of like a rubber band. Feel it?

Well, what happens to a stretched rubber band when it is released? It snaps back, right? So when your ball reaches the top of the backswing, all you need to do is let the snapping back of that pectoral rubber band initiate your downswing, with no help from you! This will provide all the swing force needed with no muscling whatever! And so it is with the ball. Presto! No more muscling. So even on the downswing, the ball swings the arm!

This technique greatly assists in the art of “waiting for the ball”, a much prized method among professionals. This takes some practice to achieve, but is really the best way to get that sphere into the release position at the bottom of the swing in proper timing and alignment with the target.

This “waiting for the ball”, is also taught by Coach Jowdy. It’s worth the effort, no matter what your average range!

THE GORILLA SYNDROME

None of the above errors would be a problem for a bowling gorilla. Such brute strength could easily overcome the weight of the ball, so swing alignment and accuracy would probably remain intact. No, I’m not trying to be funny; my point is, that the bowling world includes bowlers who get away with short or muscled backswings and forced downswings and still maintain par plus averages, even win tournaments.

This needs to be said because such exceptions exist, even among professionals. Many pros lift weights regularly to increase strength and fitness. Include their constant time on the practice lanes and it all adds up to the ability to win despite seeming to break some of the rules. While this may be true, it is generally wiser for the improvement hungry bowler to avoid trying to overcome the physical laws, which govern our sport. Those laws will break you, long before you get away with breaking them!

In more than one past article I’ve referred to the outstanding techniques used by many lady professionals. These women are admired for their bowling form by many coaches and instructors, who often wish their men students, with their added strength, would apply such techniques to help themselves attain their goals more quickly and easily!

Can you imagine a gorilla’s scores, using the form and technique of a Wendy MacPherson? ‘Nuff said!

Today’s Rolfism Release your ball like hitting a golf ball With the *hand*, not the arm!

### Last Squad is 7:00PM Saturday at Southwest Bowl

SANTA FE SPRINGS—Jack Dedrick made the trip from Simi Valley a pleasant one. Especially the ride home as he won his first ABTA title in fine style, but the hard way. He eliminated five straight opponents in the top 16 single elim finals to win his first ABTA title downing the Big Guy from Palmdale, David Shearman in the title game 180/202-149/173.

Jack topped a less than normal turnout of 148 bowlers with decent scoring. It took men +49 and the ladies +28 to make the semifinals. We returned 41 bowlers to the Semifinals. Also added to the Semis were the Super Seniors Dale Strader, Manny Loria, and Bobbie Mc Collum.

Leading the Semis was the pride of Palmdale who bowls most every ABTA event. His fine +104 made him the top seed to be in the top 16 Single Elims. He would sit out and bowl for the title. He was closely followed by pretty Tess Cruz +74 who would receive a first round bye in the single elims and enter in round two. It took a less than normal +18 to make the Sweet 16 finals which included five, “count em” women.

The bowlers took to the lanes, and in the first round single elims and losing were Tommy Newman, Deborah

Sanders, Dale Strader, Janine Ditch, James Abilar, and Glen Matsumoto. They got checks of \$100 in 10-16th places.

In round two being eliminated were Tess Cruz who had entered the field, Mike Segler, Patricia Johnson, and Bedell Vasquez. They cashed in 6-9th places and \$105 each.

Round three had Dedrick finish strongly to edge Chris Romero 196-183. Ben Hurtado edged Irene Kang 202-191. So Irene and Chris were 4th and 5th and \$110 with Jack and Ben to meet for the right to bowl Gonzales for the title. In this game Dedrick bested a tapped Hurtado in a 214-179. Ben, one of our fine gentlemen was third at Premiere and a \$200 check with Jack advancing to the title game vs Shearman.

The title game was on and David elected to lead off. He did, with a split. Jack had three spares and then an open. David struck, and spared twice and then a costly open in the 6<sup>th</sup>. Then Jack began his title run with a turkey in frames 6-7-8 to take a commanding lead. David tried in vain but the lanes were tough to strike on and he marked out. Jack was the winner and a deserving one for sure winning five straight matches on the tough conditions. It couldn't

happen to a nicer guy. Congrats Jack on your fine performance and it is well-deserved. Great bowling by a fine gentleman David Shearman who is an ABTA regular as is his pretty wife Marilyn. A title is in his future.

**ABTA Notes:** Tourney Hi Qualifiers were a red-hot newcomer Walter Herrarte +152. Heather Hoang led the gals at +94. They will get paid entries to our next regular event.

Herrarte eliminated the field and missed on the 2nd ball of the 3-6-9 rolloff, so he got a \$50 consolation. The pot escalates to \$1,100 this Saturday at Southwest Bowl.

The Match Game 3 was unmatched due to the 257 drawn by Herrarte. Also the Match Series was not matched due to the 484 drawn by David Shearman. With the carryovers, we estimate a \$1,750 Match game and a \$500 Match Series Saturday at Southwest Bowl.

The Columbia “300” ball of the week went to none other than ABTA veteran Jimmy Wong drawn by the pretty daughter of our champion Jack Dedrick. Jimmy thanks the ABTA Sponsor Columbia 300 for the fine ball.

Champion Jack Dedrick is from Simi Valley and used a Co-

lumbia300 Throttle-Up drilled by Jeff Massey at Simi Valley Bowl which garnered him a \$100 bonus. He is single with two daughters, Danielle, and Melanie. He thanks the ABTA for a great tournament, the staff for a good job, and his daughters for rooting him on and pal Shaen Morgan for a ride to the tournament.

David Shearman is one of our many fine bowlers from the Antelope Valley area. He used a Combat Zone drilled by John Bilderbach at the Bowler's pit.. He thanks his lovely wife Marliyn (ABTA member) for support, and the ABTA Staff for a great event and the Premiere Lanes for the challenging shot this week.

Ben Hurtado hails from Rosemead, and is married to Alicia with two children. He used a Columbia Big Bully which he won at the ABTA and drilled by Ed Enlow. He thanks family for support and good pal Carlos Vejar (ABTA Champ) for teaching him how to bowl. Ben is a past Sportsmanship winner in the ABTA.

We enjoyed our time at Premiere and will return in December. Thanks to Manny for all the help and the fine staff there.

This Saturday we make our second visit to Southwest Bowl in Los Angeles with the squad times of 1:00-2:30-4:00-5:30 & 7:00PM.

At Southwest, we are having a free raffle for a room at our Las Vegas event at the Orleans, and the room is good for Friday,

or Saturday night.

Our Sponsor Columbia 300 Inc. is giving a Track Ball this week. Win with a Track and get a \$100 Bonus in the event.

It is history folks as Jack Dedrick enters the archives as our latest Champion.

New schedules were mailed this week, so if you have an address change make sure to get it to us. This is a five month schedule Oct. 8 thru Feb. 18.

Southwest here we come! To get there, take 105 to Vermont, north 1 mile to Imperial Hwy then west one mile to Western, 2 blocks south. The phone there is 323-757-2211.

California Women’s Bowling Association  
Kicks-Off 2006 Tournament in Sacramento

by Phil Severance

SACRAMENTO—Jamboree, Distinguished Service Award recipient Connie Marchione and dinner highlight September 24<sup>th</sup> affair. Saturday afternoon’s Jamboree was held at the Holiday Inn North-East in Sacramento with attendees introduced to Mr. Connie Marchione, a well known California bowler who has been deaf since childhood. Mr. Marchione, accompanied by his signer who translated for the audience, gave the participants a synopsis of his career as a national, State and local leader in the world of bowling for the deaf.

His accomplishments are too numerous to mention here but his dedication to bowling for the deaf spans decades. His involvement includes the first president of the National Deaf Bowling Association, the US Deaf Bowling Federation, the Pacific Coast Deaf B A and the Pacific Coast WBA. He started the first all deaf traveling league and the So. California Traveling League. He is also a writer, writing a weekly column in the PACIFIC BOWLER and the BOWLING NEWS. He is a member of the Bowling Writers Association of America and the So. California Bowling Writers.

He has been inducted into the National Deaf Bowling Hall of Fame and was the recipient of the Rip Van Winkle award from the Bowling Writers Association of America.

The scope of bowling for the deaf was revealed by the statistics that there are 50,000 serious deaf league bowlers and 100,000 recreational bowlers.

The second part of the Jamboree was an informational and Q & A session conducted by Elaine Hagin, USBC Board of Director. Also in attendance were Lou Gillis, Chairman of the California USBC Transition Board: Gloria Loftis,Field Service; Gina Mora, CSBA Executive Director and Al Hoffmann, former ABC Director.

Elaine outlined the USBC Mission Statement which describes why the USBC exists, what it does, and for whom it does it. The principles or Core Values are:

- 1. Risk Taking,
- 2. Inclusiveness,
- 3. Integrity,
- 4. Excellence,
- 5. Fun

The first four goals of the USBC are to acquire new USBC youth members; develop a new national youth tournament plus increase youth participation in international programs and increase their participation in USBC programs.

Obviously, the accent is entirely on youth! Far down the list of goals (#7) is to change the role and mind set of the Association volunteer from process centered to service orientated. (Writers comment: it’s odd that in the past this author felt we were service orientated in the first place. Interesting!)

A Q & A period followed. Many questions both from merged and non-merged associations were forthcoming but very few were answered to the satisfaction of the questioners.

The evening dinner guests were welcomed by Brad Ross, Associate Director of Sales for the Holiday Inn North East. Also welcoming the guests were Nickie Pemberton and Elaine Van Otten, Co-Chairmen of the Kick-Off dinner.

CWBA President Linda Johnson introduced the CWBA Board of Directors and announced two Hall of Fame inductees for 2006, both in the Superior Performance category, Kim Terrell and Laura Hardeman-Harding.

Retired ABC Director, past Sacramento BA president and Sacramento Hall of Famer, George Glavis was introduced and commented on the memories he has of his association with the Sacramento WBA and the CWBA.

Melissa Ade, CWBA Tournament Director, introduced Lynn Straub, Manager at Crestview Lanes the doubles and singles site. Irene Raff, Sacramento president introduced the board of directors present and invited everyone to Strike it Rich in 2006. In Sacramento Nickie Pemberton introduced Lynn Graves, Chairman of the Distinguished Service Award committee. She presented Mr. Connie Marchione, the DSA recipient, and gave a brief resume of his accomplishments in the world of bowling for the deaf. Most guests had attended the afternoon Jamboree and heard Mr. Marchione, through his signer, sign his history as a deaf bowler. He thanked the CWBA for the honor of being the 2005 DSA recipient.

The Kick-Off dinner signals the opening of the drive for entries into the 2006 CWBA Championship Tournament. The Team event will be held at the AMF Mardi Gras Lanes and the Doubles and Singles event at Crestview Lanes. “LET’S ALL STRIKE IT RICH IN 2006”.

Chaco Chalks Up Impressive Numbers To Lead  
The Pack In Southern California 590 Classic

by Joy McGregor

The heat has returned!! A fire weather watch is on for Southern California and a 900 watch for Southern California 590 Classic is on as well; just check the bevy of HOT scores:

Tony Chaco felt the heat as he fired 220-257-238 for 715 and added a 246 game to take top honors at 961. ‘Grrreat’ bowling, “Tiger”.

Rod Cantrell, right on Tony’s heels, certainly came out smokin’ and strokin’ — 249-264 & 227 to post 740 and an ending 214 game gave Rod a strong 954 set. Out of your slump eh? Nice bowling, Rod.

Missy Bellinder, no stranger to headlines and always in the running, tossed 235-234-235 (722) and added 209 to record a fine 931. Way to keep the distaff side on the scoreboard, Missy.

Next in line and last week’s headliner, “It Was All “Wright”, was David Wright, showing he STILL is. He tossed 212-206-220 and shot a great finale 265 to post 903. “Wright on”, again, David!

Ed Hermance joined the party to round out the 900’s & his “hot” hand unleashed an opening 265 followed by 214 & 247 for a 726 three-gamer and added 176 (he was pooped), to record a very nice 902 series. Lots of fun, huh, Ed?

More “sizzling” scores: Ed Harris 279-898, Shig Shoji 248-895, Tom Stearn 232-884, John Velasquez 254-883, E.J. Rogers 279-(700)-867, John Phillips 258-866, Jerry Knight 277-859, Frank Bellinder 255-853, Bob Gosnell 277-848, Juan Sandoval 247-847, Ronny Thompson 246-846, Gino Vassallo 229-843, Pete Kizziah 235-841, Larry Green 225-839, Don Hart 235-823, Janine Ditch 217-820, Rose Williams 222-819, Marie Barbush 212-818, Eva Munson 232-817, Lisa Somma 212-809, Alan Bloom 222-805,Carl Adinolfi 245-805, Pam Costanzo 245, Sandy Lund 235, Orlando Vanegas 235, Nicole Albrecht 234, Tony Angulo 229, Ed Stoute 227, Ron Douglass 226, Kantral Williams 226, Stan Guzy 224, Diane Salinas 217, Richard Hand 215, Janet Anderson 215, Sandy Magana 214, Brian Roberge 213, Roberta McNaught 212, Cindy Miles 211, Willy Bordenave 206, Rey Ortiz 205, Roy Sager 203, Al Lara 202, Bill Hitchcock 202, Leo Tartamella 200, Ron Mahler 200 and Carrie Wolfe 200.

I am just “filling-in” ... again, although I think I was actually way-laid this time as the recaps were left at the control desk accidentally (on purpose) by a VERY absent minded, you know who! That’s okay; there will come a day ...

KIETZ KOMMENTS  
Need League Organizing Tools

by Frank Kietz

LAKE FOREST — USBC Roger Dalkin writes in the Fall issue of the USBowler, “coaching is key”. People who understand the sport and become more skilled are more likely to become life-long bowlers.

This writer does not agree. Coaching is not “key”. If it was true, the lost millions of keglers would still be bowling filling those recently closed centers.

What we do need is league organizers, organizing tools, association/proprietor co-operation, incentives, friendly/knowledgeable staffs (desk people), simple/friendly computers and teach the kids (and adults) how to keep score and have fun bowling.

To get the right bowlers to fill a team, we need enthused volunteers, paid marketeers, then the organizing tools, a phone list of eligible bowlers, promotions, advertising, off-the-street attractions, so on and on.

Every association has an average book, a list of its members. But only a few use the “book” to organize teams/leagues.

Association office staffs argue they cannot give out the names and phone numbers, costly, privacy, just don’t want to do it.

Those average books are the “key” to bringing back bowlers.

The proprietors and association wheels must agree to a method to use the average books.

The above ideas are not new. Associations were known to give out names, addresses, phone numbers to organize tournaments, social bowling clubs.

What would be wrong? Each association forms an honor award 200 average club and give out 50% discount award cards to participating centers or each certified center forms their own award, 200, 190, 170 or even 100 average clubs.

A few remember back in the 50’s Vic Hodge organized a So-Cal 700 Club with discount membership cards. Vic started with names, addresses and phone numbers from the SEDBA — some of these clubs still exist.

Yes, it’s time the associations and proprietors get together and produce league organizing tools.

## Team #3 Expands Lead With 5-0 Sweep!

by Randy Myers

Team #3 scored a lot less than last week but was still able to move to 19-1 with a 5-0 sweep of a struggling Team 26. Herbert Jones led the pair with 641 to set up a rematch with Tri Star Vending next week. Tri Star Vending moved into 2<sup>nd</sup> place with a 3-2 win over Team #1. Jon Brandon “IRON” was dominant again with a nice 713, good for 2<sup>nd</sup> high overall in the league. Billy Myers Jr. took top honors this week as he came out striking with 276 in game 1 and finished with 734. Paul Smith wasn’t far behind Billy as he also bowled well for 705. Team 6 won 3 of 5 to move into contention and will square off with Team 12 next week. Team 10 got a solid team effort to win games 2 and 3 as Norm Black “SUPER” Sr. rolled 257/700 and was backed by Norm Smith 259/654. Walter Herrarte 279/661 and Vince Invincible Wood’s 681-led Team 12 past Team 11 4 games to 1. Chris Williams and Scott Norton led Team 11 with 659 each. Missy Bellinder 708 and J.C. Craine 257/656 led Boulevard Brakes to a 5-0 sweep over Team 2. Team 2 got a solid effort from Robert Ryland with a 651. Emerson Wafer fired 651 to lead Team 25 to a 4-1 victory over Team 8 who were paced by Danny Ontiveros with 652. In the final match-up in Division “A”, Frank Bellinder 256/658 helped Team 4 to a 5-0 sweep of Team 5 but was outdone by daughter Missy by 50 pins. Better luck next week Dad!

The “B” Division remained tight as 6 teams are within 5 points of the top spot. Team 23 put a little distant between themselves and the rest with a 4-1 win over Team 19. Jason Fowler 689 and Ricky Kilgore 657 were tops for the winners to overcome

the hot bowling of Jeff Garrison who stroked 699 for Team 19. Nick Smith 671, Matt Jaime 660, and Frank Barefoot Jr. 654 bowled well as Team 18 defeated Pro Approach – Norwalk 4-1. Anthony Carlton Jr. cranked out 267/694 to lead his team to their lone win. Paul Varela continued to carry his team with 682 with some help from sub Levi Slocum 673 as Team 17 defeated Team 21 4 games to 1. The Tag Team of Raul “SPANKY” Rosales 695 and Ramon “The Terror” Torres 655 managed to pull out game 1 by 8 pins, but then lost the next two by 19 and 11 in the night’s closest match. Freek Racing did just enough to take 4 of 5 from Team 15 despite Ron Schmidt leading the pair with a nice 698 set. Marcus Lemon with 657 led MONEYNET, INC. to a 4-1 win over Team 20 who was paced by Mike Ashby 625. In the final match, Ed Regehr’s 634 topped Team 22 as they defeated Clyde’s Video Games 4-1 despite the fine bowling of Don Ott 278/676.

The side pots were very close this week as scores were off from a week ago. Only five bowlers managed to break the 700 barrier and each side pot was decided by 12 pins or less. Game 1 went to Nick Smith with 256 as Brandon “IRON” was right behind at 248 for 2<sup>nd</sup>. Game 2 saw Jeff Garrison do just enough with 255 to hold off the IRON man again, as Jon Brandon finished 2<sup>nd</sup> with 244. The third game came down to the tenth frame but Norm “SUPER SR” Black finished strong to hold off Marcus Lemons 257 to 245 to collect a nice \$395 payoff. Mr. “IRON” collected the series pot again this week with his nice 713 set. Congratulations to all the Side Pot winners!

The ROUND 1 Race remains tight in Division “B” as 6 teams remain within 5 of the top spot. Division “A” needs to hope Brandon “IRON” can scorch the CHEESE next week and allow the rest to get back in contention. DEL RIO LANES features a HUGE BIG SCREEN TV in the bar, so come early and watch the Chargers and Steelers go at it, then check out all the hot bowling on the lanes as we’re still waiting for our first honor scores of this season. I’ll be surprised if we don’t see a few rolled next week. So come on down to Del Rio and catch it all live! Thanks again for checking in!

Chow's 256/646 Leads Gable House Juniors

by Connie Marchione

OLATHE—This is a great year for Darrell Stogryn who in his debut on the Deaf Team USA in the last January Deaflympics in Australia, rallied to win the silver medal in the Masters and last October 2nd winning a \$3,000 NDMBA title at Olathe Lanes East. The El Camino Village, CA right-hander defeated the much-heralded deaf PBA member Peter Kaczmarczyk 234 to 188 in the one game Championship Finale.

The 4th annual National Deaf Master Bowlers Association tournament started on Saturday morning Oct. 1 with Kaczmarczyk leading the first 6 games block qualifying round with 1430; Then after the afternoon 6 games block, the Sterling Heights, MI right-hander finished with a grand total of 2807 (233+ average for 12 games. He tied his own record of 12 consecutive 200 games.

Chasing Kaczmarczyk was the tournament director and two time Deaf Team USA member Ed Abakumoff, Riverside with a pair of 279s in first block and a total of 2665 (222 ave.). Finishing 3rd was the 1986 ABC Star of Tomorrow and former PBA member Mark Fisser, Buena Park, CA with 2612 (217+ ave.) including a 269/709 in his first 3 games.

Four pins back of Fisser with 2608 was the veteran PBA member Frank Gallo, Jr. of Lanham, MD. Gallo hit a 279 in 7th game as did in 8th game by Deaf Team USA member Robert Ellison, San Diego who finished with 2489. The eventual winner Stogryn placed 5th with 2455.

Others finishing with 2400 were former Deaf Team USA member and coach Don Ketter, Olathe 2422 and Deaf Team USA Joe Ed Thompson, Austin, TX 2410. The 16th qualifier for match plays with 2163 total was Johnny Qualls of host town Olathe who is in his first tournament..

On Sunday morning 1st round of 16 best 3 of 5 games match play with the lanes dressed with tough tournament shot, Kaczmarczyk made short work of Qualls 3-0 with his 203-212-204. Ellison beat former Deaf Team USA member Kim Wroldsen, Edwardville, KS 3-1; two time Deaf Team USA member Robert Coker, Springfield, IL beat Joe Ed Thompson 3-1; Gallo defeated former Deaf Team USA member Stacey Thompson, Olathe, 3-1; Abakumoff was ousted by Thaine Maelzer, Olathe 3-2; Ron Hinkel, ousted Ketter 3-1; Stogryn ousted Ted Aregi, NE 3-2; and Fisser beat Jeffery Bunce, KS 3-1.

In the 2nd round of 8 best 3 of 5 match plays, Kaczmarczyk with 207-226-224 ousted Ellison 3-0; Gallo closed with the day's high game 259 to beat Coker 3-1; Maelzer, the lone hope of host city beat Hinkel 3-2 and Stogryn beat Fisser who was ailing with a blistered ring fingertip, 3-2.

In the wild card one game match, Fisser with the best record as the loser was matched against Olathe's Maelzer who had the worst record of the winners. Fisser toughed it out and beat Maelzer 205-181 and advanced to semi-finals against Stogryn. Maelzer placed 5th.

In the first semi-finals match of two PBA bowlers, Kaczmarczyk snapped his 200 games string when he missed in 10th frame for a 189. But he advanced to title finals when Gallo failed to double in his 10th frame coming short with 185. In the other semi-finals match Fisser started with a double but lost it when he opened in his 6th frame while Stogryn hit a turkey from his 5th frame for a 218 to beat Fisser's 186.

In the title finals Stogryn started off with 4 strikes in row and after Kaczmarczyk opened in 6th frame, Stogryn added a double in frame 9 and 10 to finish with his 234 to 188 victory. In the match for 3rd and 4th places Gallo beat Fisser 197 to 140. For the two days tournament Stogryn averaged 192.6 for his 24 games and Kaczmarczyk 222.6 for 20 games.

This 4th annual tournament drew 21 entries, the smallest in its young history. This four straight losing entries prompted its founder-director Bill Cozad to ask the bowlers in the previous Friday evening orientation meeting for a vote.

The entrants were asked to vote on whether to continue as a separate scratch and handicap tournament or a handicap tournament next year at Las Vegas. The handicap tournament votes won. Another scratch tournament gone handicap.

## ABC Lanes Crowns Quintana, Glusman, Alvarado, & Bidwell JST Champs

by Brian Carmichael

MORENO VALLEY—Another Sunday morning past, and bowling balls were rolling once again. The Junior Scratch Tour visited ABC Lanes of Moreno Valley this past Sunday, and it was once again another great JST tournament. The JST would like to thank ABC Lanes for hosting us, and being very hospitable. They have done tons of work, and are really just getting started in the new bowling center, so the best of luck to them. The tournament ran great, with tons of great bowling happening, and as always, the tremendous amount of scholarships given out. Thank you to the JST's title sponsors: Storm Bowling Inc., and B&W Bowling Equipment. They are the very best, and continue to prove that.

The Hdcp. Novice Div. had a better turnout this past Sunday with a few new people becoming brand new members. New members Scott Dose got rolling on his way to leader for qualifying, shooting a nice 724 series for four, as Michael Quintana shot the high game of qualifying with a nice 224 game. The division was then cut to four, for 4 more games to determine the champion. New JST member Dillon Algustoski was bowling in his first big tournament and did very well, finishing in 2<sup>nd</sup> place, just 5 pins from new champion, Quintana, who shot a nice 1521 set. Congrats to Michael on the win, and great bowling.

The Intermediate Div. saw some great bowling as Jason Spencer found himself in first after qualifying after rolling a nice 771 set. Cort Mcpherson bowled a nice 225 game to take high game honors. Match play changed the scene as Spencer kept himself in first, as Allie Ijams jumped a spot into 2<sup>nd</sup>, Martika Cabezas moved herself a few spots into 3<sup>rd</sup>, and Dan Glusman finishing in 4<sup>th</sup>. Glusman was looking for his second title in a row, but would have to work his way up the ladder to achieve it. He defeated Cabezas in the first match, 179-155, and then Ijams in the semi-final 184-158. Glusman would get the win in the title match, winning the game with a nice 174 over Spencer. Congratulations to Dan on his second JST title in a row, and making the Glusman winning ways in the Intermediate Div. continue on...

The Advance Div. saw domination from one bowler all day

long as Krystal Alvarado bowled both the high game and high series with a nice 247 game, and 822 series. Match play changed things though as 12 bowlers bowled 4 more games. Patrick Snyder would once again find himself in first for the roll off, dropping Alvarado down into 2<sup>nd</sup>. As Josh Taylor jumped to 3<sup>rd</sup> and Daniel Ploner making his first finals appearance of the season in 4<sup>th</sup>. This first match was a close one as Taylor defeated Ploner, 175-162. Alvarado would then down Taylor in the semi-final match with a 200 to Taylor's 161. The title match would be the two bowlers up against each other, both looking for their first titles of the season. Alvarado would prevail, shooting a very respectable 203 game to beat Snyder's 181. Great bowling to Krystal, and congrats on her first title.

The Open Div. would see the season point leader get his first title of the season, as Devin Bidwell rolled both the high game and high series of qualifying with a nice 248-854 set. The top 4 was then set to bowl three more games of match play, as the top two would separate themselves from the other two. In the end, Bidwell would clinch it in the final match, beating Nathan Urrutia's drive for the title, rolling a nice 1580 with 90 bonus point wins for 7 games, for the title. Congratulations to Devin on the win, good for the scholarship win, and JST Champions shirt.

The lanes were a little on the harder side, but the bowlers all gave it their best. Congratulations to all the winners and placers. There was a shortage of bowlers, as many were up north in Visalia, bowling the 2005 State Scratch Tournament, representing the South well. I would like to congratulate fellow JST bowlers Brian Carmichael and Danielle Schilling for winning their respective divisions, along with many other JST bowlers making very fine appearances. The JST will be on a short hiatus for a few weeks, as the next JST tournament is scheduled for November 6<sup>th</sup> at AMF Hemet Lanes in Hemet. This will be a double points tournament, and will be a mandatory pre-entry, which you can do so by calling Butch or Lenni Hesketh by Saturday, November 5<sup>th</sup> night, at (951) 684-7941. Great bowling once again to everyone, and see you all next month at Hemet.

## Watanabe Strikes Back In JAT Action

by David Yamauchi

FULLERTON—The JAT made an Orange County swing with a visit to AMF Carter Lanes last tournament. A strong field took the lanes on a day when scoring would be king.

Right off the bat the leader board was shining with big games as strikes were the name of the game. Daniel Watanabe and Jeremy Glover started the day with 259 games and Jared Lawrence strung 11 the second game for a 290. Daniel Watanabe came back with a 278 4<sup>th</sup> game and Matt “two-hand wonder” Jones was perfect “300” in game 5. But with all those high scores, qualifying belonged to Matt Harris who started off the day red hot on games of 222-254 then took over the lead with a 267-270-267-804 set. Matt led the field at the cut at +280 while low-to-qualify was Caycee Landers at a whopping +134.

As match play started the bowlers remained scorching hot on the lanes. Game 1 saw Kevin

Runner-up Matt Jones giving props to Champion Daniel Watanabe.

Valmonte jump the board with a 266 game while Matt Jones' 258 and Daniel Watanabe's 255 games notched them up a few spots. Daniel Watanabe came back with the front 11 but tapped out for 299 in game 2. Overall scoring remained red-hot but in the end it was Daniel Watanabe going 4-1 in match play and taking over the leaderboard at +576. Qualifying second was Kevin Valmonte at +506 followed by Ryan Aguilar at +424 and Matt Jones at +421. Daniel Watanabe's 5-game match play set of 255-299-238-246-268 was truly impressive!

In the finals the first match pitted Matt Jones against Ryan Aguilar. Aguilar set a ball short and left the big-4 in the 6<sup>th</sup> frame, but recovered and threw the last 6 for 210. Jones was dead lined

up on the championship pair and struck his was to 245 and the win. Jones then went on to meet 2<sup>nd</sup> seed Kevin Valmonte. Kevin had a good look all day but the lanes dried up underneath him and a pair of chopped spares in the 2<sup>nd</sup> and 9<sup>th</sup> frames were enough to give Jones the 254-180 win. Jones had 499 on the board for the first two games and looked tough going into the championship match against Bakersfield native Daniel Watanabe. Jones made an errant shot in the 4<sup>th</sup>, leaving the 6-7-10 while Watanabe was stringing strikes. The match looked like it was over, but Daniel set a ball short and left the 4-6-10 in the 9<sup>th</sup> to give Jones a chance. Jones made a great shot but a stubborn ringing 10-pin in the 11<sup>th</sup> combined with Watanabe's mark in the 10<sup>th</sup> gave Daniel a 237-225 win and the title. Welcome back Daniel and congratulations!

Our next event will be this Sunday at La Habra “300” Bowl. It will be our first “sport shot” tournament, so bring your “A” game! Check-in at 7:30, bowling at 8:00. Hope to see you all there!

# David Godeniz Picks Up His First Donkee Championship & \$800

WEST COVINA—David Godeniz a very nice and intelligent young man works with MSN communications Cisco's Largest Business Partner in the Rocky Mountain Region. He works from his home so he makes his own schedule. This gives David time to work with the Jr Life Guard Prep Program and Swim club for kids 8 to 14 years of age in Redondo Beach. He also keeps in great shape and health as he cycles 125 to 150 miles a week.

David happily excited picks up his first Donkee Tour win at his favorite house West Covina to pocket \$800. His mom Gloria who got him into bowling at the young age of eight lives close bye. Thanks Mom. David stopped bowling for eighteen years and has only been back to this great sport about two years. Then of all things had to have surgery on a finger on his bowling hand that kept him out eight more months but all's well that ends well. He's back and loving it. Congratulations on your first Donkee Championship.

Arnie Schroeder our second place gentleman who loves his bowling can't be excluded. He was looking good Sunday but in the final game couldn't get a double to save his soul just lots of nine counts.

For his big win David was rolling a Ya Baby Lane Masters bowling ball drilled by Frank Bellinder at Premiere Lanes. David loves his Ya Baby. David's highest game is a 300 and his highest series is 775.

At this time David says he is really happy to be associated with the Greatest Donkee Directors. Thanks David. He also wishes to thank West Covina Staff and wants them to know he loved the lane conditions. We had lots of great games. (Could I say too Good????)

In the 2:00PM squad side pots were \$12. Bud Zagorski shot a 228, Erik Wallace a 248 and Keith Kenworthy a 251 third game. In the 5:30PM squad for \$24 Bob Ballard on a roll posted a 268 and a big big 295 second game. P.J. Yarnes shot a 260 third game.

Sunday in the 10:00AM squad for \$18 Chuck Brode and Matt Mullholland tied rolling 217 games, Francisco Trejo shot a 289 second game and Chuck Brode a big big 324 third game. In the 11:00AM squad for \$63 Ron Farmer rolled a 267 first

game, Arnie Schroeder a 267 second game and Manuel Garcia shot a 255 third game. In the Semi's for \$45 Keith Imada posted a 271 first game, Francisco Trejo on a roll posted a big 290 second game and Rogelio Esquivel a big 283 third game. Yarnes plus 22, Arnie Schroeder plus 44, Francisco Trejo plus 21 and Esther Tambio with a plus 42. Top seed with a well shot plus 177 David Godinez sat out. Four advancing from this round of eight to the second match were Arnie Schroeder with 268 game, Keith Imada 259, Esther Tambio 267 and Ron Farmer with a 261 game. Games were great. Senior Arnie Schroeder looking good posted a well shot big 278 game for the final challenge against top seed David Godinez. Keith Imada finished third with a 201 game, Ron Farmer fourth with a 194 and our little gal Esther Tambio was fifth with a 180 game.

In the final match David Godinez came out on a spare, got a 3-10 split he didn't convert in the second frame, then came back with a big big four bagger looking good, got a nine count spare the seventh frame and punched out rolling a three bagger to post a 235/255 for a Donkee championship.

Arnie Schroeder in his game came out on two spares a strike in the third frame, missed a one pin spare for a nine count the fourth frame, then picked up four nine count spares that could have been strikes, got a strike in the ninth but as fate would have it left one pin in the tenth he didn't pick up for hard fought 172/216 game. Congratulations Guys. You were great.

## Keglers Lament Sunset's Sunset

CLAIREMONT, CA — The last strikes, spares and gutter balls were rolled Wednesday night at Clairemont's Sunset Bowl.

After 48 years, the beach-themed bowling alley closed and probably will be demolished to make way for condominiums.

Echoing a national trend, Sunset is the third public bowling alley in San Diego to close in recent years.

Money apparently is not the problem. The family that has owned the business since 1957 is selling to honor the wishes of the late founder, general manager Milt Galik said.

Founder Yale Kahn died in 1989 and wanted his family to sell, according to a letter by his son David.

But the property-value issue is still there.

"It's not practical to sell it as a bowling center because... the land is worth much more than the industry", Galik sai

EDITORS NOTE: This article came from a San Diego paper, which I'm sure never covered bowling news. They used the term "alley", at which we cringe! No respect. At least Milt Galik gave Sunset its proper respect, and a proper send off.
