Orange County USBC Annual Mixed Doubles Tournament

ANAHEIM — Hurry, hurry, time's flying.... Orange County 24th Annual Mixed Doubles Tournament is around the corner, November 2nd & 3rd to be exact! Grab your "special someone" and get your entry in to this popular and FUN tournament. This year's "Fun" is being hosted by LINBROOK BOWL, 201 S. Brookhurst in Anaheim.

The entry fee is a mere \$40 per doubles team and where can you go for fun and lots of camaraderie for such a reasonable price? The answer is,

Kevin Gagnon Leads Cal Oaks' Top Bowlers

by Frank Weiler

MURRIETA — Cal Oaks' Top 5 scratch bowlers after one month follow:

1. Kevin Gagnon 250
2. Scott LaRiviere 242
3. Jim Murtishaw 241
4. Jeff Lewen 240
5. Chris Valenzuela 238

In addition to the top five two other bowlers averaged 230 or better for September: Scott Hatmaker at 231 and Derek Schroeder at 230.

Gagnon has really been hot the last three weeks with a trio of scores above 775 and a high of 791. The question is whether Kevin can keep it up. If he continues he is a threat to VINCE WOOD'S Citrus Belt record 253 all time high book average, which was established last season.

Over the years Gagnon has regularly posted big scores and high averages. In 2002 he led all Citrus Belt bowlers with a 242 average. The difference between Kevin averaging 230 or 250 may be teammate DARRON PETERS. Darron runs Rollin' Rock Pro Shop in Temecula Lanes and is now drilling all of Kevin's bowling balls. Since Darron came into the picture Kevin has been thriving. Kevin's current arsenal includes the the Storm Hy-road Pearl and Storm IQ Tour. Both were recommended and drilled by Darron.

Sofar DEREK SCHROEDER has the Thursday Scratch League high game and series, 300 and 798. Two others, DAVE GULLEY and DARRON PETERS have perfect games.

nowhere...but LINBROOK BOWL!! Reserved entries close Oct. 28th but on site entries will be accepted based on lane availability...so, no excuses!

Six-Time PBA Tour Titlist Dave D'Entremont Dies at Age 52

CLEVELAND — Six-time PBA Tour champion Dave D'Entremont of Middleburg Heights, Ohio, affectionately known as "Double D" during a nearly quarter century career on Tour, died Saturday at a Cleveland area hospital at age 52. Details regarding his death were not immediately available.

D'Entremont was a product of PBA's regional program, having honed his skills in PBA's former Headquarters (now Central) Region where he won 19 titles in addition to his six PBA Tour titles.

Probably his most cherished Tour win was his victory in the PBA's 1996 Brunswick World Tournament of Champions where he came from the fifth qualifying spot to win his

only major. He defeated Dave Arnold, 215-202, in the championship match.

"Dave was never controversial and controversy was something he avoided," said long-time friend, PBA Hall of Famer Wayne Webb. "He just concentrated on the job he had to do and as a result became a great bowler."

"I think the important things that people will remember about Dave were that he was very gracious, had a big heart and in general lived life to the fullest. He was always there to help me on Tour."

D'Entremont's best year on Tour was in 1995 when he won two titles and won the Harry Smith Point Leader Award. He won his first title in the 1992 Fresno Open, 10 years after

Dave D'Entremont

becoming a PBA member. His last tour title came in the 2002 *continued on page 6*

COVINA BOWL Saturday Oct 26 starts 1 of 3 HDGP BONUS SPECIAL EVENTS!

MONTCLAIR — Our Semi Frozen Bonus Pin Hdcp Event hosted by Bowlium Lanes produced 188 entries. Being Semi Frozen, only the top 5 places will have pin deductions. 45 bowlers advanced to semi finals with cut scores of +74 for the men and +36 for the women. Super Seniors added were Manny Loria +68 and Glenn Matsumoto +66 for the men, and Imelda Ahorro +24 for the women.

High qualifiers for the weekend were Walter White +154 for the men and Mien Barcelona +169 for the women. They each get a paid entry to a future ABTA regular event. Top qualifier gets the privilege of drawing for the Match Series and Mien drew 447.and she made two people very happy as they split the \$5000 Match Series pot - Romel Concepcion and Bedell Vasquez. Excess funds of \$1545 carry over to Covina Bowl next week where Match Series is estimated at \$2600.

Jerry Chang took the top two spots in our OPTIONAL DOUBLES. 1st place with Mien Barcelona with combined scores of 1485 for \$120 and 2nd place with Michael Zhang with their combined scores of 1442 for \$100. Doubles paid out 19 places for a total of \$1070 with a low to cash score of 1352.

Galdino Chavez was TOP SEED with +124, and a pin short was Jamescart Alarcio with +123. Jamescart will sit out the first round while Galdino awaits his chance for a possible back-to-back title. Top seed gets the honor of

drawing for the Match Game. Galdino drew the minimum required score of 100 to qualify for Match Game. No winner. Our Match Game fund of \$4635 carries over next weekend at Covina Bowl and is estimated to max at \$5,000. BIG WINNER Ed Abarca went all the way to win the 3-6-9 pot of \$3000. We have carryover funds of \$500 to start our optional 3-6-9 next week.Ed is most deserving!!

From the 45 bowlers who made the semis, cut scores of +80 for the men and +33 for the women were needed to make the top 16 Match Play Finals. Placing 10th through 16th after being eliminated in the first round and getting \$100 each were Tres Catalasan, Mien Barcelona, Freddie Catamisan, Pat Manalo, Pablo Castro, Ada Wong-Hum and Imelda Ahorro. Placing 6th through 9th after the second round were Giang Huynh, Stan Por, Darrow Tiongo and “King” Kwan for \$105. For our HORSE pick finalists, payouts were Michael Zhang \$33, Jamescart Alarcio \$39, Robert Contreras \$88 and Sun Sundara \$325. Not his night, Jamescart was one mark short to lose to Michael Zhang who finished 228 against his 218.

Sun Sundara was also shaking his head when he finished 205 to Robert’s 217 game. At 4th and 5th respectively and taking home \$110 each were Sun Sundara and Jamescart Alarcio. Pumping adrenalin, Michael Zhang was on a roll when he threw 6 strikes in 8 frames against Robert Contreras who bowled a strike on the

1st frame but couldn’t convert back-to-back splits on his 2nd and 3rd frame. Robert’s double came too late in the tenth as he finished 212 against Michael’s 267 game. Robert Contreras placed 3rd for \$200. Robert bowled very well in his first top 16 experience

Top seed Galdino Chavez met Michael Zhang for the title. Michael started clean through the 6th frame. Galdino struggling, was down 31 pins after the 8th frame having 4 open frames but he tried to keep up. A limping Galdino came back and threw a strike on his 9th frame.

A punch out on the 10th means Michael would need a mark to win. Instead of the strike, he got a big split 4-6-10 his first ball on the 10th. Galdino Chavez takes 2nd place with his 179 game for \$500 while Michael Zhang celebrates his 1st ABTA Title with his 221 game.

Michael took home the guaranteed prize fund of \$1000, PLUS \$850 for the OPTIONAL Cash & Carry, PLUS \$100 for wearing his ABTA Shirt, PLUS \$100 for using his Global 900 Eagle ball, for a total of \$2050! One of the Good Guys wins again!!!

JOHN FITZGERALD Leads Foothill Seniors

by Frank Weiler

FONTANA — After one month of bowling John Fitzgerald is the top senior bowler at Foothill Lanes. His 237 average is about ten pins above the pace set by MARV SARGENT and P.J. BUCKNER. After Fitzgerald, Sargent and Buckner the next best Fontana senior scorers include CORKY DeMAIO, RED DIXON, DEL KAPER and JIM STARK.

These fellas are bowling in Foothill Lanes Senior Handicap Trio League, "THE BEST SENIOR LEAGUE IN THE CITRUS BELT." It is our best senior league because of the large number of top bowlers competing.

The league includes at least seven Citrus Belt Hall of Famers and at least a dozen other long time Citrus Belt stars.

Perfect games have been rolled in the league by TERRY HODGSON, DEL KAPER, and BOB RICHARDS. The high games rolled by the women include 266 by LEANNA BARNES, 257 by SUE LEE SANTERO and 247 by SARAH HARTMAN and SHERRY WILLIAMS. The high series to date are a 773 by STEVE STRICKLAND and a 653 by SUE LEE SANTERO.

My thanks to league secretary LEE FITZGERALD for keeping me informed and the BOWLING NEWS for supporting Citrus Belt bowlers.

D'ENTREMONT

BOWLING POINTS TO PONDER

If it doesn't matter whether you win or lose, then don't bother to keep score. An optimist is a person who starts building a 5 million dollar bowling center with a mere 5 million dollars.

Wouldn't it be nice if some of the self professed experts on pro bowling and pro tournaments took in a pro tournament more than once a year or so? In some bowling centers everything works when it comes to scoring. In others, nothing works. And that's why averages from place to place can vary as much as 40 points.

One thing you can still get cheaply is that extra frame of bowling you thought the deskman wouldn't notice. Who's in worse shape than the bowler-golfer who shoots in the 130s in both sports? A bowler can usually tell how good his reputation is by how difficult it is for him to live up to it.

In most sports the spectator is fulfilled through identification with the player in action rather than through the action. That helps watchers feel like they are doers. In bowling, people are doers, in the action, and they can also be watchers, so they gain from both activities. I still can't get over the sight of a bowler pulling up to a tournament site in a \$300 car, and then unloading \$3,000 worth of bowling equipment.

MORE PEZZANO

Knocking down 10 pins on the first ball earns you a strike on the scoresheet. If you rack up 12 strikes in a row you have a 300 game, yet in reality you have knocked down only 120 pins. So why don't we say the final score is 300 points, rather than pins knocked down.

Maybe it's time for a shot clock to speed up league and tournament bowling—as is done in pro competition. When will the bowling world understand that a membership card does not make a bowler a pro, now does the lack of one make the person an amateur — in ability. You always hear about champions and winning bowlers being such good sports. Why not? The bowling campus in Texas continues to progress though the Hall of Fame and Museum could use a lot more space to display the interesting and informative memorabilia acquired over the years.

A question often asked is how many balls does a pro bowler use in a year. Some use eight, and others have been known to use 80. Many times the happy ending to a lot of nights of bowling is the simple fact that the night has ended.

TV reported that at a recent tournament, golf tournament that is, a nice guy competitor purchased a lemonade at a stand manned by youngsters and left an amazingly high tip, one that if enough struggling golfers or bowlers could count on customers like him they might be better off in the lemonade business.

BURBANK — This week, as I was coaching my small youth league on Monday mornings, it reminded me how much all of us, as bowlers, need a regular tune up in skills and technique. No matter how long you've been a bowler you can always use the outlook from an objective eye.

Even the pros have coaches and we league bowlers shouldn't think of ourselves as above reproach. When other bowlers do ask for my insights, and I do wait for them to ask, the first thing I tell them is to be very careful from whom they take advice. Every bowler has different skills and not all bowlers are really familiar with the game and it's idiosyncrasies though they may have been bowling for 20 years or more.

The lane conditions, ball weight, the weather and much more can effect the bowlers score. Proper drilling is essential and we are not always privy to the capabilities of those who might have drilled our ball. I remember days long ago when people could actually get their ball drilled at Kmart! Yikes! I digress.

The point to this little rant, if you will, is to encourage you to seek professional help with your bowling if you wish to be more serious and improve your average. The rest who are simply out there to have a good time, more power to you, enjoy every minute. As I told one of my talented bowlers this week, “Relax. It really is only a game.”

JAT

JUNIOR AMATEUR TOUR

News & Notes

Wesley Low Jr. Plays Dual-Shot Tough McBride Goes Back-To-Back-To-Back

by David Yamauchi

SIMI VALLEY — The JAT headed north to Harley’s Simi Bowl for a “challenge” tournament with special lane conditions for the Open Division. Farm Club bowled on the house shot after the tough run on Bear the prior tournament while the Open Division bowled on a “dual-shot”- the left lane of each pair was Kegel Route 66 while the right lane was WTBA Sydney. The combination of the two patterns made for some tough bowling.

On the house side, the Farm Club lit them up with Eric Torrence leading the field at +98 followed closely by newcomer Taylor Berry at +73 and Mandy Arriola at +57. Vegas’ Terrance Rock II was 4th at +38. Low-to-qualify was Chris Thompson at -80.

In Match Play, Eric Torrence kept his lead by going 4-1 in match play and taking top-seed honors at +256. Ryan McBride kept his chances for the three-peat alive by going 4-1 including a 290 game to jump the field to the second-seed. Ralph Ramirez III continued his great bowling getting to +236 by going 4-1 while Anthony Schanen used a 279 start and a 258 finish to go 3-2 and take the last stepladder spot at +194.

In the stepladder, Ralph Ramirez III started strong and took down 4th seed Schanen 220-197 to advance to the semifinal. In that match, back-to-back champ Ryan McBride just kept on striking to a 225-211 win and his third straight trip to the finals. In the Championship Match it was a back and forth battle but in the end it was Ryan McBride defeating top-seed Eric Torrence 213-209 for his third straight Farm Club title. Congratulations Ryan!

On the Open Division side, the lanes were doctored up with the dual shot and it made for some rough scoring on the fresh patterns. Open Division bowled a straight-11 match play format for the limited field. Only three 200 games in the first game as the bowlers adjusted to the patterns with Matthew Zweig, Patrick Rodriguez and Tyler Salverda posting plus scores to start. After 6 games at the half-way point, Wesley Low Jr. had a triple-digit pin lead but Jerome Jordan Jr. went 234-246-237 with 90 bonus to get within 35 pins of taking the lead, but fell to 4th after a 156-153 finish as the lanes burnt up. Joe Grondin was back in form posting games of 258-247-231 and finishing with a 237 and the win for a third place finish. Matthew Zweig continued his great bowling getting hot and staying consistent the entire day finishing 2nd at +237 helped by his 8-3 match play record. In the end it was the hot shot lefty Wesley Low Jr. averaging 204 to lead the field and cruising to a +320 total and a 83 pin win for his second title of the season. Congratulations Wesley!

The JAT will hold its annual Awards Banquet on Saturday, November 2, 2013 at SpeedZone in City of Industry. Each award winner (All-Star Team and Rookies of the Year) will receive one free ticket to the banquet. Additional tickets for parents, siblings and other JAT bowlers who would like to come out and have a great time will be available this Sunday at JAT (\$25 for banquet only, \$35 for banquet and racing). Please see Dave this Sunday for tickets as we need to get our numbers in asap!

The JAT travels east to Bowlmum Lanes for the first Adult/Member tournament of the season. Remember- two divisions including a handicap division so everyone can bowl. Bring out your parents, siblings and friends. Scratch division 420 and over and handicap division 419 and under (90% of 210). Entry fee is \$80 per team- scholarships for the juniors and gift cards for the adults. \$5 scratch brackets and side pots for the adult bowlers also. See you all on the lanes Sunday!

The Perfect Game

by Steve Felege
memories by Carol Mancini

Editor’s Note: Years ago, an aging lane-warrior showed up on our doorstep begging us to let him write a coaching column for our legendary newspaper. I felt so sorry for him that I agreed to give him a shot. Now I can’t get rid of him! He’s living in our broom closet.....and he snores!

Steve: Uh.....Carol. Bzzzzzz. bzzzzzz, bzzzzzz, bzzzzzz bzzz.

Carol: Really?! Funny.....I don’t remember it that way. Hey, Lillian. Bzzzzz, bzzzzz, bzzzzz, bzzzzz, bzzzz?

Lillian: Un-huh. Yes, that’s true.

Carol: Okay, I guess I’ll have to take your word for it.

Editor’s note: Ahem! Apparently, just a little over a year ago I came across a newly published book that.....made me want to lace up my bowling shoes and get back out on the lanes?..... Really? I said that?

Lillian: That’s what you told me!

Editor’s note (cont’d): The book was so clear and concise that I called the author and eventually asked if he would consider writing a coaching column for our legendary newspaper?..... Seriously?

Steve: Un-huh.

Carol: Wow.....

Editor’s note: And I can get rid of you?

Steve: Sure! Just say the word and I’ll be back in PA watching the leaves fall.

Carol: Hmmm.....

Editors note:but you are sleeping in our broom closet?

Steve: Yes.....and I do snore.

Carol: All-righty then! Let’s get down to business. If there’s one thing I do remember clearly, it’s the first column.

Steve: Good, because I don’t.

Carol: You don’t remember passing out from jet lag and sleeping on the floor covered in old copies of The Bowling News?

Steve: No, but I do remember waking up warm and dry for a change.

Carol: Well, you fell asleep while I was trying to interview you. The first question I asked was, “What qualified you to write a book about bowling?”

Steve: That’s still a really good question!

Carol: Well?

Steve: Look, Carol, I really don’t like talking about myself.

Carol: Why not? You have a story to tell don’t you?

Steve: Mark Twain said, “It’s better to keep your mouth shut and let people think you have nothing to say, rather than speak, and in so doing, prove them right.”

Carol: Well.....good for Mark, but I have a paper to fill and YOU are going to help me fill it!

Steve: But.....

Carol: I’ll buy you a cup of coffee!!!!

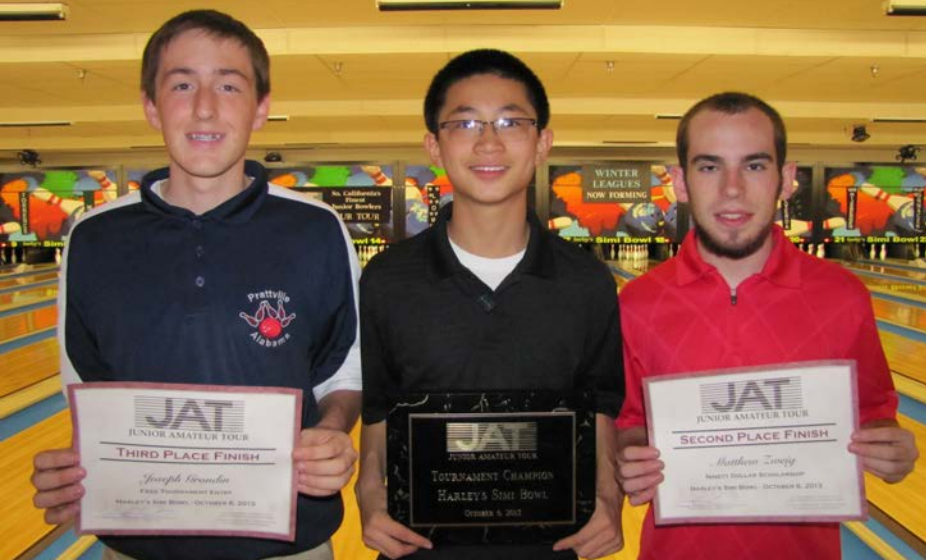

Steve: Done! See you next week!

Carol: You are still the biggest push-over I’ve ever met.

Steve: I hear that a lot.

EBONITE WEEK 6

DOWNEY — At the close of week six, the A.B.T.A. foursome is teetering on a 3 1/2 game lead over Team 23. They only need to win one game on Monday to be the first round winner of the season. Three weeks ago they were in third. Two weeks ago in second. Monday night they hit the boards at the top of the sheet and proceeded to sweep Team 21.

The A.B.T.A. guys had only one game under 200! Justin Ziegler 722, Mike Nakunz 646, Val Wise 663 and Bobby Campagnale 738. Steady and Ready!

This coming Monday will pit last years winner — Leonard Ruiz Jr. (plus his dangerous new team members) against A.B.T.A. All eyes will be on this match!

Week seven is the final week of round one and the playable house shot. (More about that next week.)

Juan Ellison, deskman at Cal Bowl, lit up the bowl with his smile after ball 12 cleared the deck. He kept assuring me that he had a 300 inside just "waitin' to bust out." I BELIEVED IN YOU!

Bobby Campagnale won a couple of pots with his 268. Kevin Valmonte was FINANCIALLY rewarded for 279. The other 279 belonged to Eddie VanDaniker, winner of the Game One pot. Paul Varela claimed the Game Three pot with a surprising 265.

Vernon Adams has the high average for 18 games of 244, followed by Kevin Gagnon 242, Ramon Torres 242.

COMMENT: "Looking back in old copies of the Bowling News — 700's made the front page and an 800 made banner headlines. What this league needs is a 900!!"

Nicole VanDaniker still leads the ladies averages — 209. Debbie Louise 202, Jessica Diso 197 and Samantha Jimenez 196. These gals can play! They could make a "TEAM OF THEIR OWN". Think about that for next year.

What does all this average comparison show? 92 men are averaging 220 and 4 ladies are averaging 203. (Computers are sooo smart!)

Team 19, sitting in 11th place posted the high series of the night, winning 4 1/2 from SYSCO. Their 2852 was divided up: Rich Maldonado 655, Joe Jimenez 684, Jeff Carr 753 and Sam Hitchcock 760. Still 100 pins behind the season high of 2852 (by Team 19 no less). Guess they didn't want to break their own record.

The "pattern" for round two (short oil-dry) is posted in plenty of time to drill up new weapons or wipe the cob webs off some old stuff. If you aren't sure, ask someone that has bowled on it!

Come early Monday — take a number — get a good seat.
