Kim Terrell & Laura Harding Hardeman to California Womens Bowling Association Hall of Fame

by Nickie Pemberton

SACRAMENTO—In May of 2006, Sacramento, CA will be the location of the California Women's Bowling Association's final Annual Meeting as the long familiar CWBA before chartering as a United States Bowling Congress Association.

During the Annual Meeting, San Francisco's Kim Terrell and San Diego's Laura Harding Hardeman will be inducted into the CWBA Hall of Fame for Superior Performance.

Kim's many accomplishments include 13 PWBA regional titles, the WIBC Queens Tournament and numerous CWBA and San Francisco Championship Tournament titles.

She is currently averaging 225 and has many 300 games, 2 Sports 300s and high series of 817.

Laura has among her titles the CWBA Queens, CWBA All Events and Singles Event to name but a few. She is a member of the PWBA, the WWPB and JANBA. Laura is averaging 217 and has also achieved the 300 mark several times with a high series of 813.

Both of these wonderful women possess the talent, the ability and grace which has earned them the well-deserved recognition of induction into the CWBA Hall of Fame for Superior Performance.

You will be hearing a lot more about Kim and Laura as we near the date of their induction and the grand celebration of the California Women's Bowling Association.

State Seniors

THIS WEEKEND'S Cal-State Seniors' meeting according to reports will be important. It seems the organization will become a club, a tournament club. It will stay in business but will not be governed as an USBC entity but certified.

The Citrus Belt Hosts Ebonite Demo Day

by Frank Weiler

Hemet—I will be heading to AMF Hemet Bowl on Sunday October 23rd for Ebonite's Demo Day. I have never been to such an event before and look forward to learning more about my equipment and what Ebonite has available to help my game.

For the first time ever, you can "try out" a bowling ball before you buy it. How is that possible? By attending the Ebonite Demo Day at Hemet Bowl!

I've heard that Ebonite has developed a form of interchangeable finger and thumb plugs that will allow all participants to grip and roll the newest Ebonite bowling balls.

This is a great opportunity to "shop" for the bowling ball that is best for you. You have a chance to try different cover stocks and weight blocks, to find what works for you. It will be like test-driving a new car before deciding to buy it. In this case, Demo Day participants will be able to test roll new bowling balls before buying them.

There is no obligation to buy anything. But, all demo balls are for sale.

Ebonite representatives will have five new bowling balls for us to try, including the XXXcel, XXcel, V2-Power and Nitro R/2. Personally, I want to try out the Nitro R/2 because I have had so much success with the original Nitro and Nitro R balls. I bowled my third 300 game with the Nitro R, at AMF Riverside Lanes in 2003. There will also be a full line of Ebonite and Robby's gloves and accessories available.

Squad times, with a maximum of ten bowlers per squad, are 10:00AM, 11:30AM, 1:00PM, and 2:00PM.

It costs \$15.00 to participate. I think its a great value because you get the following for your money: A \$15.00 discount in the Pins and Needles Pro Shop, the opportunity to demo five new balls, and advice from PBA professionals who will be on-hand to help you.

The Pins and Needles Pro Shop inside AMF Hemet Bowl is hosting this event. If you're interested in participating contact Bob or Joel at (951) 929-5599. If you are serious about bowling, and improving your game, then you need to join me and be there.

Remember, this event is ONE DAY ONLY. Hope to see you there!

Davidson Takes Both WWPB One Day Events!

by Lori Yamasaki

PALOS VERDES—Dede Davidson dove right into competition on two separate occasions this weekend. Palos Verdes Bowl hosted two Western Women Professional Bowlers

One-Day events. Saturday's event was on the high side of the house on a house shot and Sunday's event was on the low side of the house on a sport shot.

Dede took charge Saturday morning leading the field of ladies after five games of qualifying with +156. She kept striking through the match play portion of competition winning five of six matches on her way to the \$500 first place prize check for the day. Following Dede were Michelle Silver in second place, Laura Lee Daniel in third, Lori Yamasaki in fourth, Janine Ditch in fifth, and Lesia Herider finishing sixth. Janine Ditch collected an additional \$100 for being the high senior player in the field. Janine also shot the weekend's high game, adding another perfect 300 game to her collection!

WWPB ladies shoed up again for another One-Day event Sunday morning. Dede didn't let up. Again, she struck her way into the lead after five games of qualifying, this time on a sport shot on the low side of Palos Verdes Bowl.

History repeated itself quickly as Dede went 5-1 again during match play on her way to her second title of the weekend, this time followed by Laura Hardeman in second, Andrea Snyder in third, Pam Pancoast in fourth, Tammy Sibley in fifth, and Janine Ditch in sixth.

Dede along with all of the WWPB would like to thank Charlotte Melsh and George Brandt of Palos Verdes Bowl and their wonderful staff for a great weekend of bowling! Dede also wants to thank her dear friends - Gina, Nicole, Wheels, and Jorja for all of their support as well as Jon and Pam Pancoast. "I have to thank all the ladies of the WWPB and the Board of Directors who work so hard every event to keep us going", Dede mentioned as she reflected on her numerous WWPB titles.

Currently Dede works as a Lane Masters sales representative as well as serving as a professional staff member for Lane Masters equipment, manufacturers of Legends series bowling balls. On Saturday's house shot, Dede threw her Absolute Power and a Kong. On Sunday she used her AP2 and her NS2.

You can see Dede along with all the other talented women bowlers of the West next month at Bill Mossontte's Mission Hills Bowl for his annual Mission Hills WWPB Mixed Doubles Tournament, November 12-13. As always, Bill will floor a pro-am for all to enter on Friday, November 11 and Saturday, November 12. Pro-am entrants may contact Mission Hills Bowl directly for details and information. Anyone interested in participating in the WWPB Mixed Doubles event may contact Laurie Soto at 661-713-4945 or Lori Yamasaki at 310-473-0548. Further details are available on-line at www.wwpb.com.

Sunday's WWPB One Day Event at Palos Verdes Bowl finalists: Back row left to right - Dede Davidson - Champion, Laura Hardeman - 2nd, Andrea Snyder - 3rd. Seated l to r - Pam Pancoast - 4th, Tammy Sibley - 5th, Janine Ditch - 6th.

It's "Odd" But Judith's Team Wins Again!

by Phil Knoll

LOS ANGELES—It was 1999 that I received the assignment to make trophy presentations to the team who won our CWBA Tournament B-Division. The team name, Judith's Team; Captain, Judith Ting. She and her teammates were members of the Weekenders League at Shatto 39 Lanes, Los Angeles. The team's victory was announced before league play which raised applause from everyone in the center. When the deck lights came on and the pins came down, no one was up and ready to bowl. They all were crowded around the winners, viewing the gorgeous Pewter/Marble CWBA trophies and offering their congratulations. Little did I know that night that.... I WOULD BE BACK!

And indeed I was. The odd numbered years following.... 2001, 2003, and 2005. Judith and teammate Lea, now have.... Two sets of bookends!

Lea, has been bowling since 1991 when a league member at Hollywood Star Lanes, where she met Judith. She and Judith migrated to Shatto after Hollywood Star closed. She didn't get serious about the game until 1994 and REALLY SERIOUS in 1999! Her children ages 14 and 17 are recreational bowlers.

K.C. is not a member of this league this newly named league, Early Weekenders, but visits often. She carries the title of "available", since she is the only unmarried member on the team.

Youna is a native of Korea where she carried an average of

Judith's Team (L-R) Lea Viernes, K.C. Wolfte, Phyl Knoll, CWBA Director, Judith Ting, Leslie Matias (standing in for Youna Yun)

180 and joined her husband here in the United States five years ago. Her husband David bowls this league and their 16-year-old daughter is a recreational bowler.

Judith came here from the Philippines and took up the game of bowling in 1984 at Hollywood Star Lanes. As a Navy wife, it was a wonderful pastime. Although her husband is a retired Navy Chief, he was recalled and is currently serving

in Iraq and expected home in March 2006. Judith is fortunate to have her children, a daughter 19, and two sons, 12 and 16 to accompany her whenever she bowls.

I asked Judith what her secret was to "all these wins". She says she tells her teammates, "Don't worry about that bad frame or game, just keep a "good attitude and "have a good time". Obviously, it works. Keep up the great bowling!

All the members of the Santa Monica WBA have long been strong supporters of the BVL Fund projects and that, of course, includes hosting a BVL Tournament or rolloff. Few division winners, if any, have failed to bowl the California Bowlers BVL Singles Classic, which is always held prior to the opening of the CWBA Championship Tournament.

This year, with her 543 series, the SMWBA Secretary, Barbara Petras brought back the title for the Women's B-Division. And, this was a first for her in this event. Barbara is a member of the Freelancers League at Bayshore Bowl, Santa Monica and it was there we were pleased to present Barbara her BVL Awards of the special BVL watch and an embroidered jacket.

SANTA FE SPRINGS—A rainy day greeted the Vegas league bowlers Monday when they traveled to Premiere Lanes for the second and final time this season. Katrena Whitmore's 212-570 and Karen Mauricio's 211-570 topped the weekly honor roll, followed by Doris Lewis 213-552, Gladyce Perrin 552, Cindie Martin 211-534 and Nancy Soto 530.

Also, B.J. Jemison 527, Tracy Baldwin 525, Jamie Vallier 524, Norma Payne 202-513 and Mary DeFord 504. A response to our call for subs least week resulted in response from Willie Brown, a former Vegas league member, and Doris Fitzgerald but sadly, several teams had to use absentee members averages.

Cal Bowl B team still tops standings with 22 wins, followed by Cerritos Lanes, 20; Rossmoor Bowl B, 19; Cal Bowl E, 17.2; Keystone B, 16, Del Rio A, and Keystone A teams tied at 15.2. The rest of the league trails by a half or full game down the line.

Another name was added to the medically sidelined bowlers, Daisy McReynolds, who undergoes major surgery next week. Dot Nelson's surgery was successful and, despite a bout with pneumonia, she is on the road to recovery. Tracy Koolmees and Joan Roper will be out several weeks to recover from knee replacement so we repeat again, we need subs. Please call Alice at (562) 423-1567 if you can help out.

NEXT WEEK: Rossmoor Bowl, 10 a.m. Monday, Oct. 24.

Legends of Bowling

by Don Cecil

NORWALK — Let's get into the subject that has me wondering what has happened to the Professional Ladies Tour? It started out as the L.P.B.A. Back in those days I followed a lot of the lady legends on their tour. I'm talking Donna Zimmerman, Merle Mathews, LaVerne Carter, Hope Riccilli, Betty Phillips, Ester Woods, Dottie Holmes, and Sandy Hooper (and many more) from Southern California. Younger watchers remember Virginia Norton, Betty Morris, Tish Johnson and other Cal Stars competing on the tube. What a treat!

Where is it now? There MUST be a company out there somewhere that would be willing to sponsor a woman's tour! Who do we write to? I would be glad to write a letter a day to beg for the return of the Ladies Competition on T.V. How about you?

One of my favorite Legends is Helen Devall. "First Lady" of Bowling should be her title. What she has done for our service men thru her B.V.L. work is historical. Seems like half of the old time bowlers had help or a kind word from her. Great gal, and a friend for 50 years.

Any ideas, phone numbers for me to call or comments? Punch me up at 626-592-1365.

BPAA Foundation Collects More Than \$110,000 From Bowling Community Efforts To Aid Hurricane Victims

ARLINGTON, TEXAS—An initial donation of more than \$110,000 collected by the Bowling Proprietors’ Association of America Foundation on behalf of the entire bowling community is scheduled to be presented to the American Red Cross Louisiana Capital Area Chapter on Oct. 21 from 1-2 p.m. at Circle Bowl in Baton Rouge, La., according to the BPAA.

BPAA and the United States Bowling Congress located in Greendale, Wis., joined forces to encourage bowling centers and bowlers alike to donate to the American Red Cross for the hurricane relief efforts.

As of this release date, the BPAA Foundation collected \$110,362.93 for Hurricane Katrina and Rita relief. This is just a small indication of how the entire bowling community has pulled together to raise money to help the victims of both devastating hurricanes. There are many anecdotal stories of bowling centers and the bowling community raising money and giving the donation to a local charity, helping victims directly, and personally volunteering.

“This has been a tremendous effort by everyone,” noted BPAA President Jeff Bojé. “I’m proud that bowling has come together as a community to raise charitable funds for this important cause.”

The initial donation amount represents countless donations, either from individuals who made a donation at a bowling center; funds raised during “Operation Relief Lanes” and similar bowling center fundraisers; donations from bowling leagues; money from bowling center and bowling industry employees, such as USBC and QubicaAMF Worldwide employees; matching gifts from companies and bowling centers, like QubicaAMF, BPAA, and Bowling Management Associates; or bowling centers and bowling center proprietors.

“The bowlers of America always have been most generous in helping others in their time of need,” said United States Bowling Congress Chief Executive Officer Roger Dalkin. “USBC is proud to have played a role in aiding those affected by these natural disasters.”

Presenting the donation check to Vic Howell, CEO of the Red Cross’ Louisiana Capital Area Chapter will be Joe Schumacker * BPAA Vice President, David Cotter * BPAA Foundation Director of Development and Ricky Bourgeois * Circle Bowl and Malco Theatres; along with representatives from AMF Bowling Centers, QubicaAMF Worldwide and USBC. Others scheduled to be in attendance include The Honorable Melvin (Kip) Holden, Mayor-President of Baton Rouge and Jerry Stovall, Baton Rouge Sports Foundation.

“The BPAA Foundation is honored to play the role of coordinator for this significant project and looks forward to harnessing the generosity of America’s 70 million bowlers to help our youth and to accomplish our mission,” added Jim Sturm, BPAA Foundation Chairman.

The American Red Cross, a humanitarian organization led by volunteers and guided by its Congressional Charter and the Fundamental Principles of the International Red Cross Movement, provides relief to victims of disasters and help people prevent, prepare for, and respond to emergencies.

The BPAA Foundation is a 501(c)3, tax-deductible non-profit, and whose mission is to promote the lifelong enjoyment of the sport of bowling by fostering youth and community programs and health and fitness initiatives, and by providing research, training, and education to the bowling community.

Fairow’s 296 Game Perk’s \$300 Win At Forest Lanes

LAKE FOREST — David Fairow rolling at a 230 clip (average) won Forest Lanes’ Scratch Six Game Sweeper’s \$300 title last Saturday afternoon. Fairow had a slow start in fourth place after the first three games. He perked up, opening the second set with an 11-bagger.

On lanes 21 and 22 the champ was blasting the 1-3 pocket with plenty of authority but the final ball faltered while trying for a Brooklyn cross over hanging on the nose leaving a double pinochle, 4-6-7-10, posting a sidepot winning 296 game.

David followed the 296 with a 215 and a 244 for 755 series which capped a 1390 series.

John Sowell opened the Six Gamer with a leading 748 but ran into trouble 14 pins shy of a 600 finishing third picking up a couple of sidepots.

Tournament Director Mario Marquez said, “It seems in every ‘Six-Gamer’ the race tightens in the fifth game.” Last Saturday, Gary Neuer and Sowell were tied with 948 totals and Fairow 931. And as usual, the sixth game told the tale.

Duran opened with a 169, recovered with five 200 games, capped with a sidepot winning 256 game finishing second hitting a 1341 series.

Sidepot winners: Sowell 268, Greg Neuer 253, Sowell 246, Fairow 296, James Maloney 235 and Duran 256. Series: Sowell 748 and Fairow 755.

Marquez announced, “The next ‘Six-Gamer’ is scheduled for 1:00 p.m. November 19th.

WCST Ebonite Singles Getting Ready For Forest Lanes

by Dick Sanders

LAKE FOREST—Forest Lanes will be the next WCST Ebonite Singles Tournament on the week-end of November 12-13. There will be one qualifying squad only on Saturday, November 12th to start at 10:00AM. We will limited to only 34 of the 40 lanes of the center, with one pair of lanes left dark next to the tournament. This field will have a maximum goal of 85 bowlers. The realistic goal is between 65 and 70 bowlers. All Bowlers compete for the Regular Division Finals.

The age divisions for bowlers ages 45 to 50, the regular division and ages 60 and up for the super senior division will then determine how many bowlers of each division will bowl in the finals on Sunday, November 13th, starting at 8:30AM. Super Senior’s scores that qualify high enough will cross over to bowl the regular division finals. Based on 16 to 22 super seniors entered will have guaranteed (6) bowlers bowl their own division finals on Sunday. Super Seniors that cross over to the regular division will carry over their portion of their prize money paid into the tournament and it will added to place pay-offs for the regular division.

At the beginning of the tournament, all places to be paid are one for 3 in each division. At the end of the qualifying will determine if that type of pay-off will still exist. \$165.00 is the entry fee for current WCST Members. All other bowlers will pay an additional \$15.00 fee. WCST Current members needing this tournament to have your four WCST Tournaments bowled in 2005, for the final WCST Ebonite Singles with \$2500.00 added for the eligible current WCST Members, get in touch with the WCST Office now to sign up at 760-363-8141.

The final WCST Ebonite Singles will be at La Habra “300” Bowl on the week-end of December 17-18, 2005. The decision to have two squads and start earlier on Saturday morning, December 17th will be determined by number of entries for the tournament.

The WCST Ebonite Singles for this week-end, October 22-23, still has some openings, and starts on Saturday October 22nd at 1:00PM. WCST Office: 10888 West Drive, Space 3, Morongo Valley, CA 92256.

Boeing Traveling Bowling Club Visits Forest Lanes

LAKE FOREST — Forest Lanes hosted the century old Boeing Traveling Bowling Club last Sunday afternoon.

According to President Pat Worrall the Club has been active since the ’40’s hosting tournaments, banquets and fun things for people who worked in the So-Cal aircraft industry.

Along with Worrall, Paul Ringler and Larry Tracy have been active in the Southern L.A. County Bowling Association.

Ringler started bowling with Douglass at AMF Bowl-O-Drome and One-O-One Alleys in 1974 holding a 190 average. He and Worrall are past and present SLCBA presidents. Both have plenty of So-Cal bowling stories.

Ringler said, “With all the aircraft mergers, we now accept all the people who worked in our industry as members — yes, we have lots of fun and singles, doubles, even turkey shoots.”

Larry Tracy is the secretary. He can be contacted for more info regarding tournament sites; call 714-979-9879.

Forest Lanes’610 Trio Loop Leaders Battle Tonite

LAKE FOREST — Teams Seven and Eleven running one, two in Forest Lanes’ 9:00 p.m. Thursday 610 Scratch Trio League, will be battling for the lead on lanes 27 and 28.

Baghdadlian Wins First ABTA Title at West Covina

Match Game est \$3,500, Match Series \$950 and 3- 6-9 is \$1,300 This Week
Special Two Day Friday Night and Early Saturday at Del Rio Lanes

WEST COVINA—Jo Jo Baghdadlian, an ABTA regular finally put it together winning his first ABTA title in fine style as he carried in the title match to down upstart Tommy Newman to take home a tidy \$2,300 top prize at West Covina Lanes.

Jo Jo topped a great turnout of 207 entrants (4 squads) bowlers and the scoring was decent as it took Men +69, and the ladies +31 to make the semi-finals, and we returned 43 bowers to the semifinals.

Also added to the Semis were the Super Seniors Vincent Russell, Roger Romero and Josie Matsumoto.

Leading the Semis was Jo Jo Baghdadlian who bowls most all events and finally got up there with a +172 making him the top seed to be in the top 16 Single Elims. He would sit out and bowl for the title. He was closely followed by Anthony Smith at +154 who received a first round bye in the single elims and would enter in round two of the Single elims. It took a very competitive +54 to make the sweet 16 single elims. All others would cash in 17th-52rd places with The top 16 advancing to see who would win the title via single elimination.

The Bowlers took to the lanes, and in the first round single elims, losing were Youna Yun, Valinda Kelly, Rey Josef, Art Lindsey, Fred Manansala, Jeff Taino and John Austin. They got checks of \$105 in 10-16th places.

In round two being eliminated were Anthony Smith who entered the field, Bret Rose, Vic Garcia, and Marc Montelongo, and they cashed in 6-9th places and \$110 each.

Round three had Tommy Newman edge Phil Diaz 228-214. Sierrie Herradura took it to Rey Edrosa 257-219, so Rey and Phil were 4th and 5th with fine bowling, Tommy and

Sierrie to meet for the right to bowl Jo Jo for the title.

This game was another good one and Tommy prevailed as he held off the pretty lefty 209-195. Sierrie an ABTA supporter for quite some time was third at West Covina and a \$205 check with Tommy advancing to the title game vs Jo Jo Baghdadlian. We again would have a new champion this week as neither has gotten to that level as of yet.

The title game was on. Jo Jo elected to lead off and he did with an open, and Tommy came out with a spare, and a split. This game was close til the 6th where Tommy missed a solid 10 pin and Jo Jo began his run with a turkey, taking a nice lead. Tommy tried hard, he got a big double in the 9-10 frames but it was Jo Jo on this day 195/236 to Tommy at 180/199 and his first title. Jo Jo has been with us about two years. I have seen him struggle at times, but he never complained or let it get him down. He has now improved to be our latest champion. Congrats Jo Jo. You are a deserving titleist. Too bad his father, Joe, an ABTA member wasn't on hand to see the win. Dad is now proud of Jo Jo. I have seen his ups and downs, and he has become a fine bowler. Title #2 is next for him.

Great bowling by Tommy Newman who is a definite regular with the club , and one of the Good Guys always mannerly, and a gentleman. He has become a fine bowler. He has many friends in the ABTA.

Great bowling by Sierrie Herradura, a past champion from LA's Holiday Bowl when it was open. She is a great lady and very competitive on the lanes.

ABTA Notes
Tourney Hi Qualifiers were super -hot Anthony Nicholson who was whispering at West Covina :-), and Lea Viernes led the ladies with a big +178 and

they will get paid entries to our next regular event.

David Fairow was last standing in the 3-6-9 roll-off but missed on shot # 4 so the pot escalates to \$1,300 this weekend at Del Rio Lanes.

The Match Game 3 was Un-matched due to the 227 drawn by Jo Jo. Also the Match Series was not matched due to the 595 drawn by Nicholson. We have the "big bucks" awaiting this Saturday at Del Rio Lanes with the carryovers, we estimate the Match Game at \$3, 500, and the Match Series at \$950, and for only a \$2.00 entry fee.

The Columbia 300 Inc." ball of the week went to one of our finest supporters, and a very sweet lady. Ana Borromeo's name was pulled by Ronnell Smith. She won the new AMF300 ball and selected the Supreme Justice. She thanks Ronnell for drawing her name and also Columbia/Track for the fine ball.

Champion Jo Jo Baghdadlian is from Temple City, and is single ladies!. He used a Columbia Hyde drilled by Eddie Williamson at Bowling Square which got him a \$100 Bonus from the ABTA. He thanks cousin Art, Saro, Diko, Anthony and James for support.

Tommy Newman hails from Long Beach and used a Morich drilled by Ed Enlow.. He has a beautiful girlfriend Cindy who is at every ABTA event with him and a strong supporter to say the least.. Tommy thanks Enlow for the great drilling. His daughter Tamekia, and Cindy for support. He also thanks Jello, Bev, and his bowling buddy Anthony Nicholson for support and Cindy's son Erick Jones for support also.

Sierrie Herradura hails from Glendale and used a Columbia Big Bully drilled by Tony Rodriguez. She's married to ABTA member Alfie and thanks her cute husband for support,

and the ABTA and staff for a fine tournament and all her friends.

First time cashers at West Covina were Gilbin Kim, Mamerto Jablan and Joe Simbol. Great to see pretty Lily Gumban cash in her long awaited return to ABTA action.

ABTA Cradle Call. Greg and Gina Velarde are the very proud parents of our newest member Keilana Angel Velarde born Oct. 12 at 11:43AM. She weighed in at 7 lbs 1 oz. and a svelte 21-in. long. She was immediately fitted for some ABTA pajamas and the new Columbia -EPX ball :-). Her families are very proud and rightfully so. Congrats to all!

On a tougher note we wish Jaime De Vera who suffered a mild stroke, a great and speedy recovery. Jaime is a longtime ABTA Member and Supporter and we wish him the best. Hurry back Jaime and winsome of these raffles :-). Good Luck.

Deaf Senior Bowlers of America Results

by Connie Marchione

LAS VEGAS—The 9th annual Deaf Senior Bowlers of America tournament held at the Orleans Hotel and Casino Bowling Center drew 132 men and 44 women of age 55 and over. The combined total for this Oct. 11 to 13 tournament is the 2nd highest in DSBA's history. Most came from all parts of US and a few from Canada.

MICHIGAN'S RON ZUCHEGNO ROLLS 711 TO TAKE MEN'S SINGLES

On Tuesday morning and afternoon the men and women bowled in their respective Singles event. Ron Zuchegno, a 200 average bowler from Michigan rolled a 711 total from games of 224-237-226(687) plus 24 handicap to take the men's \$1,000 prize.

Fifty some pins behind was Aubrey Franks, Colorado with 668 from (217)596 plus 72 handicap for \$500. Third place \$250 went to Harold Barish, Arizona for his 213/594 plus 72 for 666. Don Millwee, CA placed 4th with 245-201/571 [us 90 for 661.

Unlike past DSBA tournaments, only Zuchegno was able to solve this year's tough tournament condition as the only other 600 was made by Thiane Mealzer, KS with 234/603 plus 36/639 which placed him 17th. The 25th place low score in the money was 620 by James Marsh, MD with 93 handicap added to his 527.

MARYLAND'S ELAINE HERZOG HOOKS WOMEN'S SINGLES WITH 674

A frequent competitor from Maryland, Elaine Herzog finally made her trip worthwhile as she closed with the only 200 in this women's singles event for 551 plus 123 handicap for DSBA's 2nd highest winning score of 674 for the \$500 prize. Second place with same 656 scores was tied by Judy Baker, PA's 486 plus 168 handicap and Leslie Kerbert, OR's 494 plus 162 for \$187.50 each

Betty Hicks, NY placed 4th with her 510 plus 138/648 for \$105. The 13th place last in the money was 607 by Estilita Murray, CA with 156 handicap.

INDIANA'S TURK-BAKER DUO WINS MIXED DOUBLES WITH 1344

DSBA's mixed doubles can be with any pairing, man-man, man woman or woman-woman, so with three times as many men as women, in the first 12 places man-man pairings prevails. A pair from Indiana Albin Turk and Larry Baker took first place \$1,500 prize with their 1344 score. With his first loss Spano went in the losers bracket and won three more matches to get in 8th round semi finals against Baker. Spano with his handicap ousted Baker 135+36/174 to 145+24/169 to get another crack at Holder in the Championship finals. SAN DIEGO'S SHARON DURAN SETS QUALIFYING RECORD 1067 AND WINS TITLE

In the women's qualifying and match plays the women's DSBA title went to Sharon Duran, San Diego who set DSBA records in high game and qualifying scratch and handicap totals. Simply said, it was Duran's day. Ross got another try at Duran in the Championship finals but was no match for Duran. Duran easily won the title, 176 to 138 and with handicap 228 to 201. Duran gets \$300 first place prize and Ross the runner-up \$150 prize. Stottler gets the 3rd place \$55.

About the Author

Jane Richardson has had a full and varied career as a travel consultant, photographer, author, lecturer, and artist, in addition to being a wife and mother.

She has traveled 25 times through India since 1969, living with people in all walks of life, from village huts to palaces of north and south. Her background is obviously broad and varied. She has also designed tour packages and escorted numerous tour groups, some of one-month duration, with the added "job" of discussing family life, customs, religions, etc.

She is able to astutely "read" her fellow man. This made friends from "the poorest of the poor," to Prime Ministers, Presidents, and earned her a membership into the oldest royal family in the world.

Richardson's experiences are evident by her books' authentic details and excellent descriptions. The *Deccan Chronicle* wrote: "She is really interested in knowing and staying with ordinary people." The magazine "Andhra Pradesh" also wrote: "Mrs. Richardson is a shrewd reader of men and penetrating observer."

Known around the world for her well-researched books, Richardson has written for newspapers, has been a monthly feature writer for a bi-lingual magazine, is a world traveler,

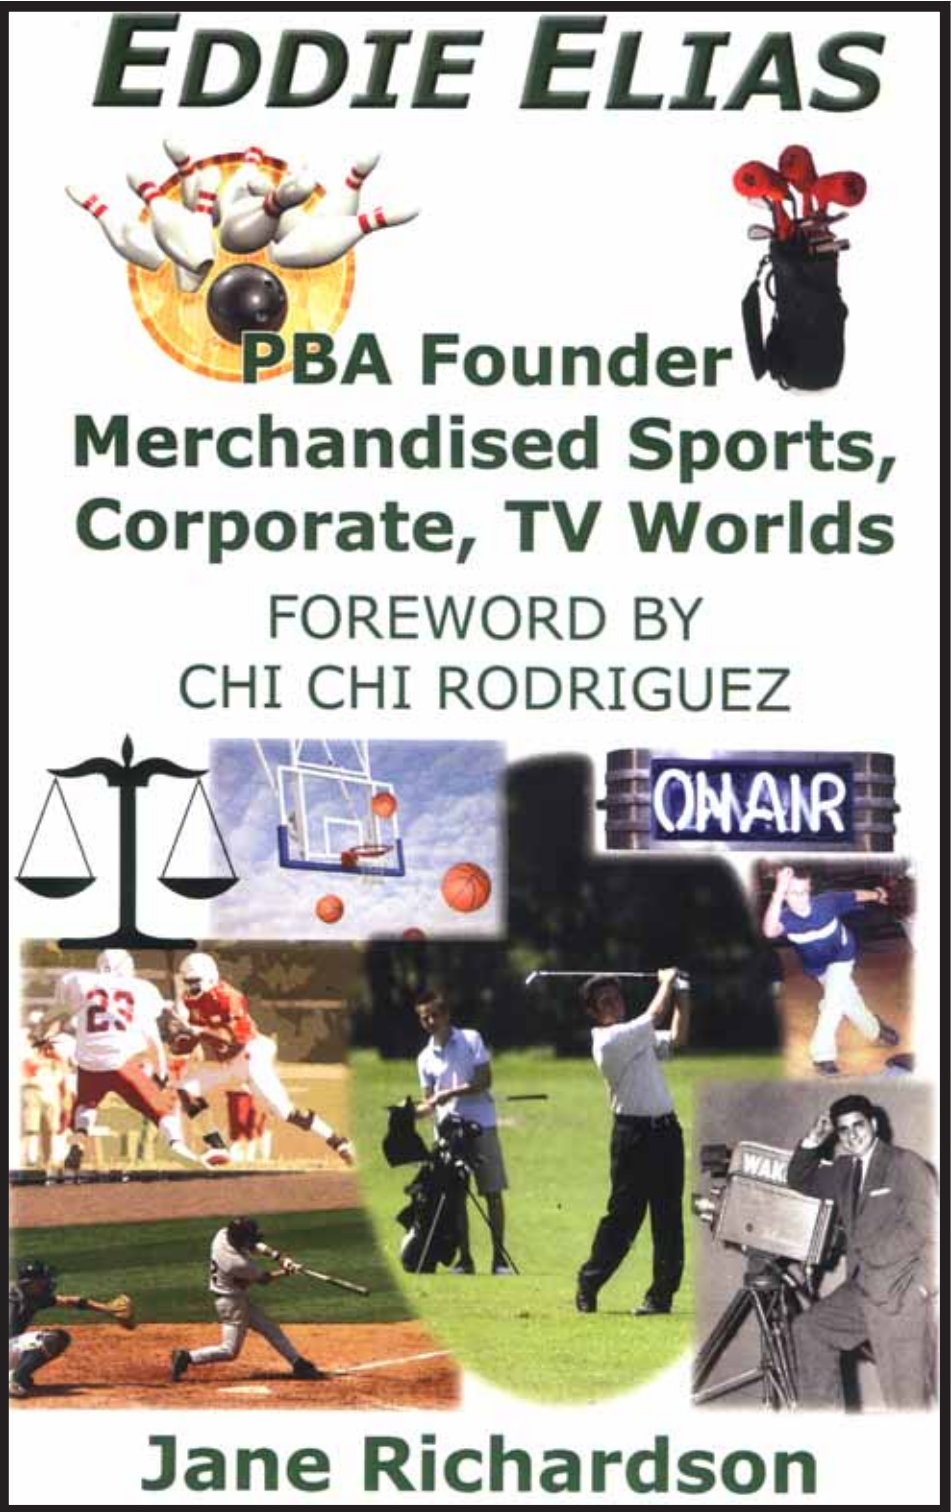

and has been widely interviewed on television and radio shows in the US and overseas.

Richardson's previous published books include: *Gilbert*, a biography of her brother, Gilbert Patch; *Steadfast the Lamp*, a novel capturing the varied cultures of South India; *Remember When*, recollections from the author's childhood to the days of her great-grandchildren; *Virgin Princess: an historic novel of Mewar (Vdaipur, India) - the world's oldest dynasty*, reveals Mewar's bizarre and enticing history; *India: Tourist Mecca*, a guidebook about the Indian subcontinent; *Tender Hearts of India*, a non-fiction cultural summary of north and south India; one chapter of *Tender Hearts of India* was included in an anthology of Rajasthan; and *Martha*, a biography of her mother.

Her talents again shine in *Eddie Elias*, the author's 8f published book; her 4th biography.

Richardson lives in Stow, Ohio.
A telephone interview with author Jane Richardson for newspaper or radio may be arranged by calling (330) 688-1555.

BOOK REVIEW

Book review for *Eddie Elias: PDA Founder Merchandised Sports, Corporate, TV Worlds*
by Jane Richardson

Who was Eddie Elias and why did everybody love him?

Over 270 friends, family members and business associates were interviewed to answer that question. The result is the only biography of Eddie Elias, founder of the Professional Bowlers Association, agent to countless sports and television personalities, and consummate entrepreneur.

The reader is given an entertaining, in-depth look at Eddie, from his early childhood through high school, the University of Akron and Western Reserve Law School, and into the varied worlds of sports management, television and radio. He also learns details surrounding the creation of the Professional Bowlers Association and how Eddie turned the sport into the fourth longest continuing sports series on network TV.

Always looking for a challenging opportunity, Eddie didn't stop with just one sport. As an agent he represented almost two dozen golfers in addition to basketball, football, bowling and auto racing stars. Television stars such as Marlo Thomas and Phil Donahue, and sports personalities including Dick Weber, Don Carter, Ken Venturi, Fuzzy Zoeller and Chi Chi Rodriguez, filled his list of clients. Eddie also worked with golf club and resort management systems, golf course designers, and even golf schools. Score of these people provide personal recollections in this fast-reading biography, making it seem like a conversation with Eddie's friends and relatives. *Eddie Elias* also includes an index of the individuals quoted or referenced, and contains 48 pictures.

Author Jane Richardson, known around the world for her well-researched books, has written for newspapers, has been a monthly feature writer for a bi-lingual magazine, is a world traveler, and has been widely interviewed on television and radio shows in the US and overseas. After more than a year in development, her talents again shine in *Eddie Elias*, the author's 8th published book; her 4th biography.

Eddie Elias (paperback, 292 pages) is available for \$14.95 directly from Thistle Publishing, 11985 Cherokee Circle, Suite 1713, Shelby Twp., MI 48315 and at selected bookstores.

A telephone interview with author Jane Richardson for newspaper or radio may be arranged by calling (330) 688-1555.

Marcus Lemons Records First 300 of Season

by Randy Myers

Marcus Lemons was anything but sour as he rolled 12 in a row for a sweet 300 game out of the blocks to help lead his MoneyNet Residential Loans team to a 4-1 win over Forest Lanes. Vernon Adams was doing plenty of striking of his own as he rolled 279/749 to lead the league and overcome the 655 of Mario Marquez. Team 18 took Team 23 to the cleaners and swept them clean by going five for five. Winning five games by a total of 547 pins! WHOA! Frank Barefoot Jr. led his team with 688 followed by Harry Wong at 666. FBJ said later, "Bring it Stevie G, and let's do this!" Now only if these two were cheerleaders, we could all be in for a treat next week. As it is, it should be a great match between the two. Speaking of Stevie G, the "Great White" led his team to a 4-1 win over Threadworks by firing a 721 set to go along with anchorman Leonard Ruiz Jr. and his 695. Anthony Carlton Jr. paced Threadworks with 678. Team 19 remained in contention by sweeping Team 21, Freek Racing got some carry from "Can't Carry" Chris Makroglous who shot 713 in defeating Team 15 4-1, and Clyde's Video Games had Ed Clark shoot 665 to get a 4-1 win over Team 20.

The "A" Division has four teams within 5 games as Team 3 took a 3-2 win over Tri Star Vending behind the other "cheese" as Alex Cheesman fired a nice 733. D.A. Smith 720 and

Jon Brandon "IRON" 706 tried to pull out the win for Tri Star. George Parker stroked a 702 set to lead Team 6 to a 4-1 victory over J.C. Spas despite the effort of David Van Gaston who shot 682. Team 12 got a solid team effort as all four broke six with Derek Lee 674, and Walter Herrarte 668 leading the way. Missy Bellinder 674 and Greg Neuer 657 were tops for Boulevard Brakes. Father Frank Bellinder couldn't quite keep with his offspring, but managed 661 to go with Dean Sanderson's 659 to a 3-2 win over Team 1. Team 1 was paced by Larry Gray with 654. Scott Norton rolled his way to 672 to lead Team 11 to a 4-1 win over Team 25 who lost despite the efforts of anchorman Greg Jackson and his 659. Maury Griffith struggled with his carry but still managed to shoot 672 and lead his Team 8 to a 4-1 victory over Team 26. Scott Fillippi shot 660 in the losing effort.

Marcus Lemons was the first to bear fruit and come up with the first 300 of this season. With a few more weeks to go in Round 1, expect plenty more 300's to come. Del Rio in Downey is still the best place to come watch MNF or the World Series as they have a huge SCREEN in the bar to catch all the action. Once the game is over, you can see the best bowlers SO CAL has to offer lining up strikes for the next perfecto without leaving the building. So come on down to Del Rio and catch it all live! Thanks again.

PALOS VERDES—Well guys, you had an impressive week at Palos Verdes! The guys weren't intimidated by the presence of the fine ladies of the WWPB that were bowling on the high end or the other fine adults in the South Bay 600 club. The scoring leader was Justin Eubanks with an impressive 891. Justin, coming off of a 2-week....vacation, put together games of 181-236-233 and 241. He showed us that he still had hand after two weeks of writing "I will keep my hands too myself" 10,000 times, but that's a story for another day. Sorry, Justin, but you don't get an award for a 700 in the last 3 games of a 4 game set, but Dayton Crossley did it right with 242-225-244 for a 711. Add 172 and you get the 2nd place score of 883. Following Dayton was Darren Hawkins (259-224-212) at 869 , John McCullin (222-254) at 868, Jeremy Glover (201-257) at 843, and rounding out the 8's was house favorite Mikey Helferstay (214-200) at 804.

I don't want to leave anyone out, so I'll mention the other 200 shooters: Jasper White 237-220, Justin Mc Cullin 205-203 and Brent Shern 201. The democratic process was put to the test when we tried to have elections. Dayton narrowly beat Jasper out for the presidency.

Jasper and Darren tied for the vice-presidency, but instead of a runoff, our bowlers demanded a ROLLoff! The 2nd game decided the office with Darren barely winning the office, 224-220. Jasper demanded a recount but a print out from the desk show that all ballots...uh, frames had been cast correctly.

Before I close, I would like to congratulate Jeremy Glover

who made Southwest Bowl history this past weekend by becoming the FIRST junior to shoot an 800 at Southwest Bowl. He put together games of 259, 268 and 279 for an impressive 806. Sorry about that 4 pin in the 10th frame of that 279 game.

For those of you who couldn't make it this week, we'll be at Cal Bowl in Lakewood this Saturday. Cal Bowl is on Carson Between Cherry and Paramount in the city of Lakewood. We'll be there at 2:00. I hope you will be, too.

SED Jr. Travel

by David Gordon
DOWNEY—Del Rio Lanes was the site for the most recent session of SED Jr. Travel. The bowlers really took to these lanes last Saturday with some very fine scoring. We thank the staff and management for hosting the weekend of high average scratch junior bowling.

To begin, I normally do not report make-up games/series. However, this week I want to make an exception because of some outstanding bowling and the recognition needed to these two. Bowling a partial series of only three games was Marquis Brooks going 229-227-232. We'll see how he completes his series, hopefully this Saturday. And really showing he can bowl is Delano Ross with an impressive 215-232-202/819. Very good gentlemen.

Now for the regular session that followed our make-ups. We start out with the leader of the day, as in Bryan Osborne with 256-203-226/881. Outstanding! Joining the days 800 club is J.R. Monteith 245-204-245/862, Michael Gaylor 236-223-202/858, Deanna Carrillo 206-208-233/833 (see not a mens only club), and Brooks (again) 200-244-203/813. Excellent to all of you.

But there is even more high scoring coming in from Eric Milne 224-222/795, Kevin Jones 266/787, J.D. Pelow 213-213/786, (sub) Felicia Mara 207-204/784, Brian Gonzales 213/777, Susy Monteith 244-203/758, Kim Ferdnance 246/737, Ryan Aguilar 215/726, Javier Hernandez 208/723, Mr. Ross 206/715, Albert Fernandez 201-202/713, Allie Ijams 734 and Reggie Brown 234. What a list.

Our session this Saturday will be a Palos Verdes Bowl in Torrance. You recent late comers, should not have any reason for not being there on time this week. Get in your practice because again, I expect some very nice shooting at PV.

Also remember that this Saturday IS NOT casual day and I expect everyone to be in full and proper dress code. Shirts with your name on it is highly recommended.

Lastly, review those league rules that were handed out. This is a sport like any other and you are expected to know the rules that you play by. Besides, I'm having fun developing the test(s). Have a good week and I'll see you at PV.

Girls Jr. All-Stars

by David Gordon
DOWNEY—The Girls Jr. All-Stars last visited Del Rio Lanes this past Sunday, with the group starting to take shape. We're small, but we're united and ready to go. This was our fourth session and the ladies are starting to make their skills known.

The day was led by Annabel Osberg going 230-226/845 for a very nice series. Following we have Melissa Pena 210-244/821, Jillian Gaddison 201-217/718 and Deanna Carrillo 204.

The teams and sponsors have been set as follows: Bowling News (Annabel Osberg and Mariel Benitez), Edison Sports Club (Jillian Gaddison and Melissa Pena), Brunswick West Covina Lanes (Deanna Carrillo and Jilian Zlateff), and Keystone/Del Rio (unofficial name) Lanes (Tabetha Reynolds and Lindsay Hannasch).

Our next session will be this Sunday, following the JAT tournament at Palos Verdes Bowl in Torrance. Start time is 2:00 with the opportunity of make-ups following. If you need directions, please email me or give me a call.

Also remember to bring your full uniform, in case the team shirts are not yet available. So until then, get in your practice and/or heal those wounds. I'll see you there.

McGinnes Is Back In JAT Action

by David Yamauchi
LA HABRA—The JAT made their way east to La Habra "300" Bowl for their tournament last weekend. It was the JAT's first tournament on a "sport" condition with a flat oil pattern from gutter to gutter. With mistakes amplified on the tough condition scoring was low and the field cherished spares as it struggled to string strikes.

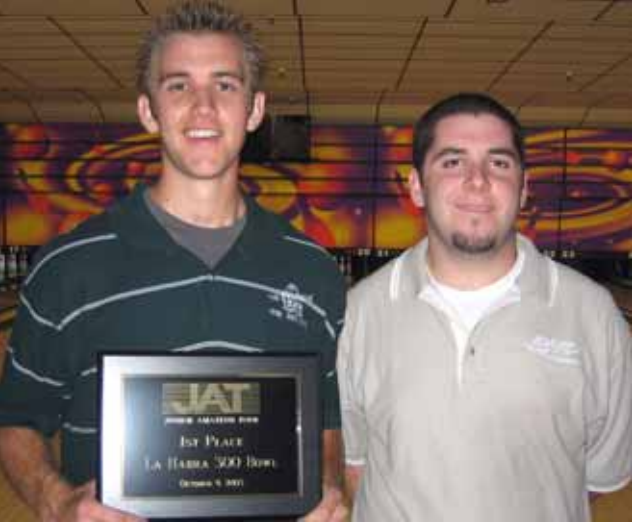

Qualifying was tight but the last game proved pivotal as Mason Sherman powered a 258 in game 5 of qualifying to lead the field at +11. Close on his heels was Brandon McGinnes at +1 with a 223 second game and consistent scoring. No other bowler managed to stay plus with Jeremy Glover hanging on for the 10th spot at -85. Qualifying highlights included Jeff Spiesman 237, Ryan Aguilar 233, Matt Jones 226, Alyse McGinnes 225 and Cory Koyanagi 222.

Going into match play scoring got started quickly as Preston Fukumizu jumped up the board with a 268 out of the gate. Bowlers were swapping positions throughout the top-10 until Mason Sherman's 279 in game 9 rocketed him to the top position. After all the matches Brandon McGinnes held on to the 2nd position followed by Kevin Valmonte and Preston Fukumizu rounding out the top-4.

In the finals, Preston Fukumizu met up with Kevin

Valmonte in the first match. Fukumizu left the door open with a 4-6-7 split in the 7th, while Valmonte was in control the entire match even after stoning a solid-9 in the 7th. Fukumizu finished up with 179 forcing Valmonte, with a spare working in the 9th, to get decent count to win the match. A horribly errant shot left Valmonte out of wood and on the short end of a 179-173 decision. Preston then went on to meet 2nd seed Brandon McGinnes. Brandon started off slow with an open in the 1st, but got back on track doubling in the 4th and 5th while Fukumizu wilted in the end with a big-4 in the 7th and a chop of the 2-5-8 in the 9th. Brandon took the match easily 214-153. Brandon moved on to meet top-seed Mason Sherman. Mason had the best look of the day but a pocket 4-9 in the 2nd and a stinger 5-pin in the 5th slowed him up a bit. Brandon went front-4, but flagged a 10 pin in the 6th to keep Mason in the match. Down the wire both bowlers struck in the 7th-9th. Brandon went high in the 10th leaving the tough 3-6-9-10 spare and covered it, adding a strike on his fill ball to lock out Mason and take the JAT title. Congratulations Brandon we're glad to have you back on the lanes!

Our next event will be this Sunday at Palos Verdes Lanes in Palos Verdes. Check in at 7:30, bowl at 8:00AM. Mary will be back and she is looking forward to seeing all you guys and girls out on the lanes again! Hope to see you all out on the lanes this Sunday!

No Bad Umpire Calls Here, Bordenave Is The Big Home Run Hitter In Southern California 590 Classic

by Joy McGregor

ANAHEIM—Willy Bordenave is no “Anaheim” Angel and baseball is NOT his game; however, bowling IS and he plays like a true champion. He warmed up with a 237 game, followed it up with 247 and then... batter up (where's that Rally monkey when you need him?) - he blasted the wood for a great 287 to tally 771. He added a 218 fourth game to record 989 on the high series scoreboard. Exciting day, Willy, and oh so very close to perfection!

Richard Hand had his game face on, wore no glove on his hot hand but, he did have on a hat; that must have brought him some luck as he pitched 231-267-221 (719) and added 213 to score a very nice 932 set. Great bowling, Richard!

More hot scores: Ed Harris 248-888, Ronny Thompson 245-868, Rose Williams 259-865, Larry Green 218-858, John Velasquez 213-214-215 (stepladder)-856, congrats on a fine performance, John! Missy Bellinder 257-850, Orlando Vanegas 259-845, E.J. Rogers 224-844, Rod Cantrell 225-840, Ron Mahler 230-839, Carl Adinolfi 243-825, Ed Stoute 224-825, Tom Stearn 231-821, Frank Bellinder 242-819, Sandy Lund 240-817, Shig Shozii 237-815, Nancy M-Smith 233-814, Stan Guzy 226-809, Roy Sager 265-807, Bill Hitchcock 245-807, Tony Chaco 235-806, Joe Rouette 223-801, Alan Bloom 214-800, Gino Vassallo 240, Lisa Somma 237, David Wright 234, Marie Barbush 224, Tony Angulo 222, Rob Roberts 219, Pete Kizziah 219, Diane Salinas 218, Al Lara 216, Adrian Bradley 215, Janet Anderson 215, Ed Hermance 214, Jim Upton 210, Brian Roberge 208, Dahanna M-Klerer 208, Eva Munson 203, John Phillips 203, Helen Petrowski 202, Kantral Williams 201 and Juan Sandoval 200.

Our thoughts and prayers go out to long time Linbrook bowler and friend, Monroe Moore who is in intensive care following a car accident. No more details are known at this time; we all wish him a speedy recovery.
