## HUSTEDS BECOME FIRST FATHER-SON PBA DOUBLES CHAMPIONS REIGNING PBA WORLD CHAMP TOM SMALLWOOD WINS

WALLA WALLA—Corey Husted and his PBA Hall of Fame father Dave Husted of Milwaukie, Ore., defeated Rob Cline and Sean Heath of Spokane, Wash., 511-475, to become the first father-son team to win a Professional Bowlers Association doubles title in the PBA Northwest Regional Doubles at Stardust Lanes in Walla Walla, Wash., on Oct. 16.

For Corey Husted, it was his first PBA Northwest Regional title which makes him eligible to bowl against his father in the \$1 million PBA Tournament of Champions at Red Rock Lanes in Las Vegas in January. Dave Husted, a 14-time PBA Tour champion and three-time U.S. Open winner, has now won 26 PBA regional titles. They split a \$2,500 first prize.

The Husteds defeated another PBA Hall of Famer, Ernie Schlegel, and his partner, Rob Edwards, Vancouver, Wash., 3-2, in their best-of-five-game semifinal round. Cline and Heath edged Jeremy McElliott and Robert Harvey

of Boise, Idaho, 3-2, in the other semifinal round match.

In the PBA Midwest Region, reigning PBA World Championship winner Tom Smallwood of Saginaw, Mich., defeated Dale Traber of Cedarburg, Wis., 279-240, to win the Maple Lanes Midwest Open in Waterloo, Iowa, on Oct. 17, in a final tune-up prior to the start of the PBA World Series of Bowling on Oct. 25 in Las Vegas.

The title was Smallwood's first of the year in the PBA Midwest Region and his second career PBA Regional title. He also earned \$2,400. In a semifinal round featuring all past/present PBA Tour exempt players, Smallwood defeated Tim Mack of Indianapolis, 258-188, and Traber edged younger brother Dave Traber of Hebron, Ill., 232-221.

In Jacksonville, Fla., Stoney Baker of Canton, Ga., defeated Chris Collins of Savannah, Ga., 236-202, to win the PBA South Region Jacksonville Open at NAS Freedom Lanes on Sunday. The title was Baker's first title of

the year and the 22nd of his regional career. He earned \$2,500 along with his title.

Baker defeated Lumber Liquidators PBA Tour player Andres Gomez, Orlando, Fla., 219-203, and Collins edged former exempt tour competitor Randy Weiss of Columbia, S.C., 269-257, to set up the championship match.

In the PBA Southwest Region, Jesse Buss of Wichita, Kan., defeated David Anthony of Austin, Texas, 252-247, to win the Dallas Orthopedic Trauma Surgeons Open at AMF Richardson Bowl in Richardson, Texas, Sunday.

The title was Buss's first in the PBA Southwest and the second of his career. The former PBA Southwest Region Rookie of the Year won his other title in the PBA Central Region. He struck twice in the final frame to edge Anthony for the \$2,450 first prize.

In the PBA East Region, Tom Baker of King, N.C., threw a strike on his first shot in the 10th frame to win the Insurance Market Senior Open

## Bowling Robot Set To Be Unveiled at International Bowling Campus

ARLINGTON — After months of calibrations and testing, the newest member of the Equipment Specifications and Certifications team at the United States Bowling Congress is ready to be introduced to the world on Oct. 19.

The new addition isn't a scientist, however, it's a state-of-the-art ball-throwing robot named E.A.R.L. (Enhanced Automated Robotic Launcher), which is designed to be able to simulate any type of bowling style with an accuracy and consistency on the lanes that no human bowler can achieve. Those qualities make E.A.R.L. invaluable in the many studies necessary to keep up with the ever-changing bowling ball industry.

Local media and invited guests will get the first look at E.A.R.L., and as part of the unveiling, E.A.R.L. will go head-to-head against Professional Bowlers Association superstar and USBC spokesperson Chris Barnes in a one-game match at the International Training and

## Pete Dumpit 1st ABTA Win at West Covina Lanes

Garcia Hits Match Series 464/\$302 • Ocampo Hits Match Game 244/\$1950  
Linbrook Bowl is our Host for this Weekend (Last Squad 5:30 pm)  
12:00-1:00-2:30-4:00 & 5:30 PM Semis 7:15 PM  
Forest Lanes/ Handicap and Bonus Special next week  
Match Game estimated \$1,100 / Match Series estimated \$250 and 3-6-9 is \$1,700

WEST COVINA—In our return to West Covina Lanes we had a decent turnout of 172 bowlers. Cut scores were high this week, with a +102 for the men and +66 for the women. This week our three Super Seniors added to the board were Lonzell Burnett (+98) and Walter White (+86) for the men and Imelda Ahorro (+31) for the women. That would give us a total of 43 bowlers making it to the semi-finals this week.

This week during our 1st game in the 4 pm squad we had a 300 game rolled by Albert Fernandez. For all qualifying squads our top qualifier for the Men was Vuong Do with a +176, and for the women it was Margie Coronado with a +139. Each will get paid entries into a future regular ABTA event. Vuong, being the top seed drew the Match Series this week worth \$302 and drew a 464. We had one winner, and he was Vic Garcia.

Next week at Linbrook Bowl, the estimated Match Series will be \$250. For the 3-6-9 qualifying this week, Gino Mansilungan was the final person left after the roll-off, to go for the \$1600. He missed on his first shot and received a \$50 consolation. We will add another \$100 at Linbrook Bowl for total of \$1700.

In the doubles this week we had 117 groups get into the doubles, with 18 spots being paid out. The top prize this week went to Vuong Do and Danny Guevarra with a 1510 for \$140. In 2nd place it was Vuong Do and George Parker with a 1494 for \$120. The low to cash was 1410, we paid out \$1170 in doubles.

In the semis this week we saw Pete Dumpit lead the field with a +168 to sit out and bowl for the title. Behind Pete Dumpit was Mikko Miller at +131 who would sit out the first round. It took a +44 for the men and women combined, as we would take 3 women to make the finals this week.

This week, our top seed in semi-finals had the honor of drawing the match game worth \$1995

and drew 244. After a review of all the scores bowled, only 1 individual had that score and it was Ariel Ocampo. He would take home the \$1,995 dollars. Next week at Linbrook Bowl we will estimate the pot at \$1,100. This week we had 4 new bowlers join us, and no returning members. Let's welcome these new bowlers to the club, Nickson Cayetano, Nancy Tran, Hung Nguyen and Richard Luu.

This would bring us to our Match Play finals now with 13 bowlers taking the floor in our top 16 finals this week. We had a family emergency occur for 1 of the final 16 bowlers and thus 1 lucky individual would gain a bye into the 2nd round. In the 1st round the 7 losers were Vuong Do, Lonzell Burnett, Carlos Vejar, Mark Andrews, Eldie Abutan, Koo Hwang, David Godinez and they would receive checks of \$100 each. In the second round, the losers were Mikko Miller, Holden Au, Catherine Cheung, Tiffany Paulson and each would get checks of \$107.50. This would get us to down to the final 4 bowlers. At this point, our horses would be paying anywhere from a low of \$49 (Gina Velarde) to a high of \$127 (Sam Reyes) depending on who would win.

In this round we saw Gina Velarde (16th seed) bowling Sam Reyes (11th seed) on lanes 11 and 12. In this match, it went down to the 10th frame, with Gina needing to mark in the 10th to win the match. She would leave a 10 pin and then just barely missed it, sending Sam on to the next round with a 210-202 finish. In the other match we saw George Parker (12th seed) bowling Mamerto Jablan (8th seed) on lanes 3 and 4. In this match, George would get the better of Mamerto with a 216 to 178 final score. Gina and Mamerto finished in 4th and 5th getting checks for \$115 each. Our semi-final match was set to be bowled on 5 and 6; we had our 11th and 12th seeds into the top 16 bowling each other. In our

horses this week we would see Sam paying \$127 and George paying \$59 if they win their match. In this match it started out close, and continues that way for a while until George pulled away at the end. George would go on to win the match 211 to 182. Sam would finish in 3rd place for \$200. This week the horse paid out \$59 for all of you that bet on George making all the way to the title match.

The title game is set and would be bowled on lanes 9 and 10 this week. Pete being the top seed elected to have George begin the match first. This match was close early on as it stayed neck and neck. But in the 7th frame George would have an open. And when he came up in the 8th he threw a decent shot but left the 8-10 and thus opening up the door for Pete. That was enough for Pete to hold

on with a Mark in the 10th frame and go on to win it with a 188/207 to 174/197. This would get the monkey off Pete's back for his 1st ABTA title as he has been a member for many years. Pete would get \$1,000 for first place, an additional \$850 in the cash and carry, making his total \$1,850. George would take home \$500 for his 2nd place finish.

Champion Pete Dumpit is from El Monte and used a Roto Grip drilled by Aarik Torres at Covina Bowl. He is married to a very pretty lady, Imelda who was on hand for the win. He would like to thank his wife for all her support with his bowling and all the friends in ABTA for their encouragement.

George Parker (2nd Place) is from Lakewood and used a Ebonite Big One drilled by Billy Myers, Jr. George is single, but has a girlfriend Nina. He would like to thank Steve Brode, Billy, Chuck and Al at Professional Approach for drilling his equipment and the ABTA staff.

Sam Reyes (3rd Place) is from San Diego and used an Ebonite Smash Time drilled by Joel Reyes his son who passed away

THE OFFICIAL SOFT DRINK OF BOWLING

Team 3 Moves into First; Jeff Carr and Jon Brandon Perfect  
by Aimee Gomez

DOWNEY—First place Zavala’s Taquerias and second place Team 3 met up on 27 and 28 with only a couple of weeks to go in the round. Paul Varela really wanted to win those first two games, putting up 299-279/770 to lead his Team 3 to four wins. Leonard Ruiz 244-236/666 and Ramon Torres 210-255/656 also pitched in. Jeff Garrison 236-247-248/731, Greg Neuer 223-235-223/681 and Sam Hitchcock 228-214/628 bowled well and pulled out a third game win to avoid the sweep.

Katie Jake’s Bar and Grill’s Jon Brandon 247-300-227/774, Kevin Valmonte 249-266-257/772, Matt Cormack 268-234/685 and Kevin Yamauchi 234-247/658 all bowled well against Brylaw Accounting’s Larry Stephens 237-244-268/749, Billy Myers Jr. 299-228-202/729, Charles Zelaya 268-235-223/726 and Garcell Bullocks 246-238/676. Brylaw won the first and third games, but Katie Jake’s took the second by enough to get totals by nine.

Team 9’s sweep over Pro Approach helped move them up to third place. Jerbert Jones led the pair as well as Team 9 with 268-269-235/772, followed by Dan Cerio 236-221-234/691, Juan Camarena 209-258/657 and Arnold Cheesman 216-212-216/644. Sherman Joseph 289-269/748, Jon Stone 219-212-235/666 and Alex Garcia 258/612 did well for Pro Approach, but never really got close.

In the corner, Sysco faced Clyde’s Video Games. Vernon Adams 245-256-214/715, Paul Bar-raco 224-247-230/701, Harry Wong 209-236/639 and Charlie Kinstler 218-208-212/638 of Sysco took the second game by enough to get totals and three wins from Clyde’s Ramiro Garcia 225-212-257/694, Dave Bartlett 223-228-226/677, Clyde Lumpford 226-247/668 and Mike Villareal 248-223/646.

Bowlers Depot swept Key Container thanks to league leader Jeff Carr 300-246-232/778 and teammates Steve Gurrieri 264-279/727, Raul Rosales 212-256-246/714 and Albert Chen 279-215/686. Joe Torre 215-224-279/718 had a good night, and Darrion Tipton 223-222/620 stayed above par, but the Depot was out of reach this week.

Shane Soper 279-289/766 led Linder Insurance, and with help from Aaron Hodges 258/631 and Armando Zavala 235/613, they took four from ABTA’s Carl Labayan 218-258-225/701 and Dean Lopez 202-238/637.

Tom Jackson 247-278-234/759, Phillip Sujo 258-249-237/744, and Devron Lindsey 245-232-248/725 led Team 14 to four wins over Herzog’s Lee Liu 237-228-244/709, Derek Schilling 244/624 and Phil Lebaquin 227-226/611.

On the last pair, Threadworks annihilated the Junior Amateur Tour team. Jon Reyes 225-221-266/742, Anthony Smith 276-237/696, Eric Snow 205-259/658 and Ryan Okamoto 220-242/648 all beat what JAT was able to put up: Jared Lawrence 239-232/636, Larry Campbell 224-220/636, Aimee Gomez 228-228/611 and David Yamauchi 247/601.

Mercifully, this first round is nearing the end, and it looks like it is going to be a fight to the finish for the round win. Have a great week all and see you all Monday!

LAS VEGAS TRAVEL LEAGUE  
By Alice Meglemre

NORWALK—The first trip to Keystone Lanes this season spotlighted Margo McClain's 203-558, followed by Doris Lewis 233-544, Cil Moons 520, Joan Roper 518, Jerry Whitehurst 510, Bernice Williams 509 and Hedy Schoner 506. It also was the site of Aresia McGee's fall, which fortunately did no damage, and we hope we won't be reporting any more of them the rest of the season. This reporter is still sporting some black and blue spots from my tumble a couple of weeks ago. PLEASE, bowlers watch your step on and off the lanes! Lu Colussi has had a couple of ailing weeks and could not finish her games on Monday. We are glad to report she is recovering and hopes to continue bowling next week.

Roberta and Karen were both absent Monday but thanks to visitor Mary Meglemre, we still had the popular 50/50. She was drafted to do the job and she did great, setting a new high collection, thus far this season, of \$94.

Roberta will still be on vacation next week, missing our first Position Round, but super sub Donna Johnson will be on deck for her and hopefully Karen won't be called in to work. We sure appreciate our subs and gave them a round of applause Monday. Also, it was good to see Phyllis Baldwin back for her first sub duty this season.

We don't have all the team compiled for Position next Monday, but they will be posted on the schedule desk prior to bowling. We can list the stair-step standings for the first six teams, since there are no ties: Fountain Bowl #2, 14 wins; Keystone Lanes #2, 13; Cal Bowl #1, 12; Keystone #1, 11; Bowling News, 10; Valley View #2, 9 wins. Three teams tie at 8 wins so total pins will resolve ties and the remaining teams sports 6-5-4 wins.

NEXT WEEK: Position Round at 10 a.m. Monday October 25 at Cerritos Lanes. We announced last week that there would be a very short meeting for Vegas singles and doubles sweepstakes bowlers prior to bowling. Please attend!!!!!!

HUSTED

continued from page 1  
at Bryan’s Bowling Center in Laurel, Md., on Oct. 17 by 21 pins over Soul Moorer of Dover, Del. Baker averaged 235 and won six of his 12 matches to finish with a 20-game total of 4,841 pins, including match play bonus pins, to claim a \$1,500 first prize.

Baker, who had led the entire event, entered the position round with a 135-pin lead over Moorer, but a pair of 7-10 splits by the four-time PBA Senior Tour Player of the Year and a 277 final game by Moor-er forced Baker to mark in the 10th frame for the win.

The two-month chase for PBA Playoffs qualifying positions in six regional areas will continue Nov. 5-7 with a PBA South Region tournament at Village Lanes in Gloucester, Va.; a joint South-west/West Region event at Bowlero Lanes in Farmington, N.M., and a Northwest Region event at Bowl Arena Lanes in Fort Lewis, Wash. Qualifying tournaments in the PBA East, South, Central, Midwest, Southwest and combined West/Northwest Regions will continue through Nov. 30.

**Reminder!** Fall is here! Which means we are taking signups for our Winter leagues. Also, now is a good time to take that ‘ole ball you’re using down to the Pro-Shop to make sure it’s the one you need. Leaving ten pins? Not hitting to pocket the way you want? Our team will help you pick out the right ball and to give you results you’d like to see.

**Parents!** Remember that kids like to bowl too! Now is as good of a time as ever to sign them up. And also check out our specials during the daytime and on school holidays. 10 minutes before your league starts is not the only time to practice, and if you check out our specials at the control desk, you will see we have great times for you to come and get that extra practice in.

AMANDA MILBURN  
Leads Her DOLLS  
Over The GUYS

by Frank Weiler  
MORENO VALLEY - It's all about GUYS and DOLLS. It's a weekly BATTLE OF THE SEXES at MORENO VALLEY BOWL, as Amanda Milburn leads a trio of ladies in the Wednesday Scratch Challenge League against fifteen other teams, predominantly made up of guys. Amanda's teammates are KATHY ALLEN and DENISE BLACKMON.

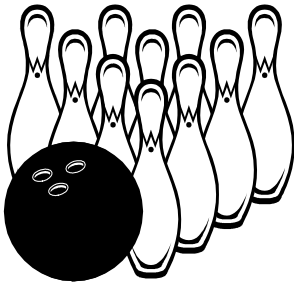

Most scratch leagues have women competitors, but a full team of ladies competing in an open scratch league is rare. This fact didn't scare off these ladies. With league averages of 225 (Milburn), 222 (Allen), and 212 (Blackmon) why should these dolls be afraid of any guys. These fearless ladies are currently in second place, standing atop fourteen other teams of guys!

The Scratch Challenge League has a four game format, each team bowling a two game set on one pair of lanes against a team, and then moving to another pair of lanes to bowl another two game series against another team. The league has awards for high game and high series. The difference in this league is that the high series award will go to the bowler rolling the highest two game set.

To date our dolls have highs of 278 (game) and 556 (two games) bowled by Milburn. Kathy Allen's highs are 259 and 518, while Denise Blackmon has bowled highs of 267 and 506.

The guy with the high league average is JOE DUBE at 238. Joe's highs are 279 and 537.

I would like to thank RON BONNEAU for telling me all about the exploits of the Moreno Valley DOLLS. Ron is a great bowler and loves competing against the dolls. He is averaging 220 with highs of 259 and 481. Ron wants to thank the BOWLING NEWS for telling the world about his favorite dolls.

Tom Leigh NLAC USBC Director presenting Ryan Melton the hardware. For his 825 series Rolled @ Valencia Lanes on 8/14/10 in the Saturday Sr. Trios Youth League. Scores 300-269-256, His 825 series is the second highest in the association for youth boys. J.D. Pelow has an 826 shot at Jewel City Bowl 11/08/08. Ryan receives his 300 & 800 national rings, state plaques & local medal.

Lori Loutsenhizer being presented her 300 ring by U S B C representative B J Theiss that she bowled June 11th 2010.

ROBOT

Research Center on the International Bowling Campus.

E.A.R.L. can consistently duplicate shot after shot at ball speeds anywhere from 10-24 miles per hour and rev rates anywhere from 50-900 rpm, a significantly wider range than his predecessor, Harry, a less-automated robot introduced in 1999 and recently retired.

USBC's newcomer was named by USBC Junior Gold youth bowler Melissa Stewart of Roswell, Ga. She figured if bowling great Earl Anthony's nickname was "The Machine," then it was only "fitting to name the new ball-throwing robot for a bowler with machine-like characteristics."

chine-like characteristics."

"We are excited to finally show off E.A.R.L. and give people their first look at the future of bowling research," said Neil Stremmel, USBC Managing Director-National Governing Body. "E.A.R.L. will play a huge role in the testing we do here to maintain the standards of the game, and we're excited about the possibilities."

A joint venture between USBC and the Bowling Proprietors' Association of America, the ITRC is the most innovative and advanced training, research and testing facility in the sport of bowling. The center includes 14 lanes for training and six for research and testing purposes.
