CAMPAGNALE and WODKA Battle For "King of The Hill" At Del Rosa Lanes

by Frank Weiler

SAN BERNARDINO—Who is the top bowler at DEL ROSA LANES? For three years now Bobby Campagnale and Dave Wodka have battled it out at the Highland Avenue site for my unofficial title of "King of The Hill." Both have racked up numerous 300s and 800s there.

Both have bowled head to head on even terms. Both have averaged close to or above 240 in league play, just 500 feet from Del Rosa Avenue. So who is the best on Highland Avenue?

After seven weeks of bowling this season DAVE WODKA leads all Del Rosa scratch bowlers with a 246.857 average, approximately half a pin higher than Bobby "CAMPY" Campagnale's 246.285. While trailing this year, "CAMPY" has led the league the past two years with averages of 243 and 239. Mister Wodka was second.

Again, who is Del Rosa's

top bowler? Long term it appears to be CAMPY.

Currently however, with Dave bowling as well as he ever has, I give the edge to Dave. Over the next few months we will see who is THEE MAN.

PBA regional star RAY COBB is currently right behind Dave and Campy with a 234 average. RAY TORRES is also at 234, but has just joined the league.

Another recent addition to Del Rosa's top scratch league is Citrus Belt Hall of Famer MIKE RICK. He recently rolled a solid 702 set with a 279.

The Del Rosa ladies are led by NICOLE ELLISON averaging 201. Her best set during the first seven weeks was a 727 which included a 267 game.

All the scratch bowlers at Del Rosa Lanes want to thank the BOWLING NEWS for recognizing their accomplishments on the lanes.

Randy Pedersen, Dale Eagle and Len Nicholson Elected to PBA Hall of Fame Class of 2011

SEATTLE, Wash. (Oct. 20, 2010) – The Professional Bowlers Association has announced that 13-time PBA Tour titlist Randy Pedersen, Senior Tour standout Dale Eagle and former PBA lane maintenance director Len Nicholson have been elected to the PBA Hall of Fame Class of 2011.

All three will be inducted during ceremonies Saturday, Jan. 22 at Red Rock Resort in Las Vegas following the ABC Sports telecast of the PBA Tournament of Champions.

Pedersen, 48, is currently the color analyst for Lumber Liquidators PBA Tour telecasts on ESPN but he earned entry into the Hall based on his accomplishments on the lanes. The Clermont, Fla., resident won the 1987 PBA National Championship for his lone major title and was ranked 35th on the PBA's list of 50 greatest bowlers as part of the organization's 50th anniversary celebration in 2009. He had 34 top-five finishes in 561 Tour tournaments bowled during his career, finishing in the top 20 in earnings six times and the top 20 in average eight times.

"When Fred (PBA Commissioner and CEO Fred Schreyer) called me with the news, I had to put the phone

down and give a great big yell," Pedersen said. "It's very humbling and gratifying. When I first started out on tour in 1981, I never imagined something like this could happen."

"During the journey, my first thought was winning titles and making money. I never started thinking about the Hall of Fame until I was on the downside of my career. Maybe it's always in the back of your mind, but when I was in my heyday, the focus was always on winning."

Eagle, 64, is the second player elected into the Senior section of the PBA Hall of Fame, following John Handegard, who was inducted in 2009. The Frisco, Texas, resident has 11 career Senior Tour titles which ranks tied for third all-time. Among his titles are four Senior Tour majors – Reno PBA Senior World Invitational (1997); The Villages Senior World Championship (1999); PBA Senior National Championship (2001), and USBC Senior Masters (2003).

He was the PBA Senior Rookie of the Year in 1996 and Senior Player of the Year in 1999. In 171 PBA Senior Tour tournaments he has finished in the top five 40 times. He also won 10 Senior Regional titles and three PBA Tour titles.

Hall of Famers: Randy Pedersen, Dale Eagle & Len Nicholson

"It's something I've been waiting for for 47 years," said Eagle, who is still active on the Senior Tour. "When I was a teenager I dreamed of being a great bowler. Bowling and the PBA have been my life and to be recognized as a great player has made my dream a reality."

Inducted into the meritorious service category, Nicholson's career was devoted to the science of bowling lane maintenance and for more than 20 years the Tucson, Ariz., resident was the PBA Tour's lane maintenance director. Nicholson, 70, has gained worldwide industry recognition as one of the foremost experts on the subject of lane maintenance.

Nicholson was instrumental in developing the PBA Lane Maintenance Program in 1971 which is still referred

to today. He was a founding member of the Bowling Foundation which was created to finding solutions to scoring issues in bowling. An instructor, author of several bowling publications and host of the popular Phantom Internet radio bowling program, he also has served on the technical committee of the World Tenpin Bowling Association. He was a recipient of the bowling industry's Flowers for the Living Award and the John Davis Award in recognition for his contributions to the sport.

"This is the highlight of a career that has been devoted to such an important part of the sport," Nicholson said.

Inductees are elected to the PBA Hall of Fame by a group of veteran bowling writers, industry leaders and current Hall of Famers.

California State Queens & Masters Events Come to an End

by Lynn Matsubara

NORWALK—Everyone has witnessed the decline of bowling nationwide, with every association, league and tournament being affected, some more than others. California USBC Association events have been a victim to this decline in all of the events we host. The events hit the hardest were the singles scratch events; the Queens, Masters and Youth State Scratch. Because these events are targeted to higher average bowlers, we are already limiting the potential entrants.

The Masters event began in 1961 and the Queens event started in 1966. In September 2009, in a last ditch effort to keep the events alive, the

California USBC Association (CUSBC) board voted to back the two events and guarantee funds totaling \$47,000 (\$30,000 for the Masters and \$17,000 for the Queens). The turnout was still not acceptable, with a variety of reasons given for not attending (economy, family and work obligations, etc.).

It was great to see many past Masters and Queens Bowlers attend, who have not attended in recent years. They provided some great input into the format and had some great ideas, but unfortunately, it's just not enough.

The CUSBC cannot financially back these two events as we just did and the events

currently are not self sufficient enough to stand on their own. The current participation field does not offer enough of a prize fund for many to be interested. The Board decided to put these two events on hold for now – with high hopes to bring them back very soon.

"And the Beat Goes On"... We are going to start a new scratch event, open to men, women and youth, called the "California Scratch Classic" in an effort to interest all of the available high average bowlers in one tournament.

The tournament will offer local qualifying on one weekend, two locations – north and south – and the finals will be held the following weekend,

in the central part of the state. We will roll this new tournament out next fall, **September 10-11, 2011 for Qualifying and September 17-18, 2011 for the Finals.** You will have four opportunities to qualify in six game blocks and we are hoping to have enough participation to award \$40,000 in prize money to all 48 places that qualify to the finals. We will have more information on this event in January, please check www.calusbc.com for additional information.

We want to thank all of the bowlers that participated in the Queens and Masters events over the years, we are extremely hopeful that the events can come back.

BOB JONES 253-816, YOMA HIGH GAME 279 IN DEAF TRAVEL AT AMF CERRITOS LANES
CERRITOS—Bob G. Jones closed with a big 253 after games of 169-192-202 for 816 to lead the 8 men honor roll in So. Calif. Deaf Traveling League’s stop at AMF Cerritos Bowl. Pablo Yoma after games of 153-206, stole the show in third game when he ran 7 strikes in row, spared a tapped 8 pin and struck out for a mighty 279 to take the season high game lead but swooned down to a 143 to end up with 781. League average leader Gorman Low also nearly made the day’s 2nd 800 when he closed with a 179 after games of 186-195-225 for 785 to finish 2nd to Jones.

Other bowlers on the roll list were League secretary-treasurer Bob Taylor with a pair of 201s in his 676, followed by president Ed Abakumoff with (204-200) 766, Gardy Rodgers’ 732, Robert Audette’s 701 and Emad Aranki’s 201.

Jones’ 816 along with Aranki’s 201 and 5 points and Bob Bergan’s 5 points gave their league leading S. F. Valley a near sweep 18-2 victory over Abakumoff’s Riverside with Abakumoff himself accounting for Riverside’s two points. Low’s 785 and Taylor’s 767 along with Glenn Cissna’s 699 tallied new season high team series 2251 to give their LA City a 16 to 4 win over Rodgers’ Mid City and boost up their LA City to 32 points for 2nd place to S. F. Valley’s 46 pts. Former 2nd place Mid City fell to third with 28 points.

LA City’s new high 2251 replaces S.F. Valley’s 2230 made in the league’s opener at Keystone Bowl and Yoma’s 279 replaces Low’s high game 257 also made at Keystone.

The league thanks AMF Cerritos Lanes management and staff for hosting the league and moves on to AMF Bowling Square on Sunday October 31. There will be a “Trick or Treat” time between teams with Lake Elsinore against Mid City, LA City against Riverside and S. F. Valley against Chino. HAPPY HALLOWEEN!

ROBERT ELLISON SHOT 300 IN WEST COAST SENIORS TOURNEY
LA HABRA...This writer was informed by Ed Abakumoff that WCST was at La Habra 300 Bowl a couple weekends ago and deaf and hearing-impaired bowlers Mark Fisser and Robert Ellison were there. They finished 4th and 5th respectively and Robert rolled a 300 and is the first deaf/hearing-impaired ever to do it in WCST tourney.

So this writer read the front page WCST news in this BOWLING NEWS which said former touring pro Eric Forkel, Henderson, NV won the WCST Ebonite Singles Regular Div. \$700 prize and senior tour pro Barry Gurney, W. Hills, CA won WCST Super Seniors Div. \$700 prize too. Fisser, Aliso Viejo and Ellison, Alpine were among the 20 entrants, placed 4th \$360 and 6th \$330 respectively. Ellison was one of two bowlers rolling a 300 game in this high scoring tournament 10 games qualifying round.

This writer regretted not having more information on how Fisser and Ellison qualified and did in the match plays afterwards. But he does know that Fisser had entered in WCST several times since it lowered the entry age limit to 40 and over and Fisser had placed 2nd in earlier WCST a couple months ago.

This is the first time this writer knew about Ellison’s entry in WCST and congratulates Robert, a two-time member of Deaf Team USA for being the first of our kind to do it in WCST. This is Ellison’s 4th career 300 as previously in May 2008 he rolled his first 800, a big 878 with 289-300-289 at Parkway Bowl in San Diego. Ellison’s 878 is Deaf Bowling’s 2nd highest to Tony Passarilli’s 888 rolled in Colorado State Tournament.

LAS
VEGAS
TRAVEL
LEAGUE
By Alice
Meglemre

CERRITOS—The Vegas league returned to Cerritos Lanes Monday and John (GM) was on deck to greet us. So was Jackie, a super control desk gal and we are so pleased to have the center back on our travel schedule. Jackie told us the sad news that Beth, also control desk gal, recently mourned the death of her mother and we alll extend sympathy to her.

Scoring was impressive following the first of four Position Rounds. Doris Lewis led with 224-588, and shared the weekly honor roll with Karen Mauricio 231-560, Betty Phillips 553, Linda Kenning, Dee Phipps 534, Nancy Soto 208-516, Cyndie Martin 509 and Cil Moons 200-500.

Fountain Bowl #2 tops league standings at 17 wins, followed by Cal Bowl #1, 15, Keystone #2, 13; Bowling News 12; Keystone #1, 11; Valley View #2 and Cerritos tie at 10; Cal #2 and Del Rios tie at 9; Linbrook 8, Fountain Bowl #1,7 and Valley View #1, 5.

IMPORTANT NOTICE: The Vegas singles and doubles sweeps, slated on March 21 may be changed to March 28 but it will require a vote by the league on Monday, prior to bowling. This change will not affect the actual league schedule that ends on Monday, March 14, with team sweeps and awards luncheon. It only involves bowlers participating in the Las Vegas optional doubles and singles.

NEXT WEEK: Monday 10 a.m. November 1 at Valley View.

Greg Reinhard First ABTA Win at Linbrook Bowl

Romy Cajucom hits Match Series of \$308

Miller and Soon share Match Game of \$1035

Halloween Handicap Special this Weekend at Forest Lanes

Match Game estimated \$1,200 / Match Series estimated \$400

3-6-9 is \$1,800 at Lake Forest

ANAHEIM—In our return to Linbrook Bowl we had a nice turnout of 175 bowlers. Cut scores were decent this week, with a +78 for the men and +68 for the women. This week our three Super Seniors added to the board were Romy Cajucom (+68) and Lonzell Burnett (+49) for the men and Bobbie McCollum (+49) for the women. That would give us a total of 44 bowlers making it to the semi-finals this week.

For all qualifying squads our top qualifier for the Men was William Garrett with a +188, and for the women it was our fine director and ticket seller Faye Josafat with a +149. Each will get paid entries into a future regular ABTA event. William being the top seed drew the Match Series this week worth \$308 and drew a 596. We had one winner, and he was Romy Cajucom. Next week at Lake Forest Lanes, the estimated Match Series will be \$400 For the 3-6-9 qualifying this week, Vuong Do was the final person left after the roll-off, to go for the \$1700. He missed on his first shot and would receive a \$50 consolation. We will add another \$100 at Lake Forest Lanes for total of \$1800.

In the doubles this week we had 99 groups get into the doubles, with 17 spots being paid out. The top prize this week went to Vuong Do and Rodney Payne with a 1512 for \$120. In 2nd place it was William Garrett and Victor Paolucci with a 1494 for \$100. The low to cash was 1392, we paid out \$990 in doubles.

In the semis this week we saw Greg Reinhard lead the

field with a +147 to sit out and bowl for the title. And very close behind Greg Reinhard was Gabriel Martinez at +145 and he would sit out the first round. It took a +44 for the men and women combined, as we would take 4 women to make the finals this week.

This week, our top seed in semi-finals had the honor of drawing the match game worth \$1035 and drew a 184. After a review of all the scores bowled, we had 2 fine individuals that bowled that score and they were Mikko Miller and Joenito Soon. They would each take home \$517 dollars for their 184 3rd game scratch score. Next week at Lake Forest Lanes, we will estimate the pot at \$1,200. This week we had 11 new bowlers join us, and 1 returning member. Lets welcome these new bowlers to the club, David Cox, Seng Tong, Cindi Sangenito, Patrick Sangenito, Mark O'Donnell, Kevin Hopkinson, Jacob Frank, Ben Bagaioisan, Jody Iriye, Joshua Day and Joan Abutan. Our returning member was Michael Sargent, and we would see 2 of the new bowlers make the semi-finals in their first time bowling.

This would bring us to our Match Play finals now. In the 1st round the 7 losers were Sandy Rosenblum, Aaron Hodges, Derek Lee, Jason Jones, Hyun Ok Park, Rudy Toro, Derico Atkins and they would receive checks of \$100 each. In the second round, the losers were Sophia Kim, Ken Morris, Vic Paolucci, Gabriel Martinez and each would get checks of \$107.50, this would get us to down to the final 5 bowlers. At this point, our horses would be

paying anywhere from a low of \$44 (William Garrett) to a high of \$106 (Monica Path) depending on who would win. In this round we saw Christopher Porter (3rd seed) bowling Monica Path (15th seed) on lanes 33 and 34. In this match, Monica would get the better of Chris with a 217 to 204 finish. In the other match we saw Michael Villarreal (12th seed) bowling William Garrett (6th seed) on lanes 37 and 38. In this match, William would get the better of Michael in a high scoring match with a 260 to 247 final score. Michael and Christopher finished in 4th and 5th getting checks for \$115 each. Our semi-final match was set to be bowled on 31 and 32; we had our 6th and 15th seeds into the top 16 bowling each other. In our horses this week we would see Monica paying \$106 and William paying \$44 if they win their match. In this match it started out close, and continued that way for a while until William pulled away. William would go on to win the match 231 to 205. Monica would finish in 3rd place for \$200 she bowed so good! This week the horse paid out \$44 for all of you that bet on William making all the way to the title match.

The title game is set and would be bowled on lanes 29 and 30 this week. Greg being the top seed elected to have William start the match first. In this match Greg would jump out to an early lead thanks in part to an early open by William in the 2nd frame. But William would not let that open get him down, as he would get strikes in the 3rd thru 6th frames to put him only down by 5 pins after

Reinhard is the ABTA Champion at Linbrook (L—R) William Garrett (runner up), Monica Path 3rd, Champion Greg Reinhard, Daniel Martinez, Michael Villarreal 4th (Back row) Christopher Porter 5th, Gabriel Martinez 6th.

KEGEL SIGNS AS A PROMOTIONAL SPONSOR OF THE

HISTORIC 2011 BOWLING'S U.S. WOMEN'S OPEN

Bowling Proprietors' Association of America Inks Exclusive Arrangement With The Premier Lane Maintenance Supplier

ARLINGTON, Texas, October 21, 2010 - The Bowling Proprietors' Association of America (BPAA) has signed Kegel as a promotional sponsor of the prestigious 2011 Bowling's U.S. Women's Open. The partnership will give the Lake Wales, Fla. company exclusive rights as supplier of lane maintenance for the historic event to be telecast from Cowboys Stadium in Arlington, Texas.

The 2011 Bowling's U.S. Women's Open, sponsored by the Brands of Ebonite International, is open to all female youth and adult bowlers in the United States and their international counterparts. The final qualifying portion of the event will be held at AMF Showplace Lanes in Euless, Texas, June 24-29, 2011. The finals, to be telecast from midfield of Cowboys Stadium in Arlington, Texas (home of Super Bowl XLV) June 30, are expected to draw the largest on-site and TV viewing audiences in the history of the sport.

"We are extremely proud to welcome a world-class organization such as Kegel as a partner to the new and invigorated 2011 Bowling's U.S. Women's Open," said Steve Johnson, executive director of the BPAA. "Kegel is a leader in developing bowling lane products and services that make the sport better. Having them as a sponsor will give all bowlers the best possible surfaces on which to compete."

In addition to supplying the lane maintenance for the finals of the 2011 Bowling's U.S. Women's Open, Kegel will also provide lane maintenance for the qualifying rounds in Euless and in partnership with Ebonite International for select local qualifiers around the country. The agreement also gives Kegel the exclusive rights to create the unique lane oil pattern to be used during the entire competition.

"Kegel is honored to be part of this exciting, world-class event at a world-class facility," said Kegel Vice President of Sales and Marketing Chris Chartrand. "We are committed to providing the 2011 Bowling's U.S. Women's Open with the same high standards of dedication and support we give to our customers around the world and we look forward to delivering the best possible lane maintenance and pattern development that will make this Open and its qualifiers a huge success."

With more than 71 million consumers annually taking to the lanes, bowling continues to be the largest participation sport in the United States. Women represent 49% of all bowlers and since 2007, adult female annual participation is up 12.9% from 21.7 million to 24.5 million. The 2011 Bowling's U.S. Women's Open provides an opportunity to showcase the growing segment of female bowlers from around the world.

Reminder! Fall is here! Which means we are taking signups for our Winter leagues. Also, now is a good time to take that 'ole ball you're using down to the Pro-Shop to make sure it's the one you need. Leaving ten pins? Not hitting to pocket the way you want? Our team will help you pick out the right ball and to give you results you'd like to see.

Parents! Remember that kids like to bowl too! Now is as good of a time as ever to sign them up. And also check out our specials during the daytime and on school holidays. 10 minutes before your league starts is not the only time to practice, and if you check out our specials at the control desk, you will see we have great times for you to come and get that extra practice in.

Zavala's Tequerias Regains Lead with One Week to Go
Varela's 832 Leads League

by Aimee Gomez

DOWNEY— Sam Hitchcock led the now first place team with 25 wins, Zavala's Taquerias, with his 276-234-257/767 set. Greg Neuer added 237-203-278/718, and Jeff Garrison punched out for the perfect third game and to take totals from the opposing team, shooting 238-300/712; Jeff Seesholtz added a 226-243/637. Paul Varela really wanted to win, putting up 290-280-262/832 to lead the league for the night. His Team 3's Leonard Ruiz 226-233-225/684, Chris Porter 253-223/657 and Ramon Torres 220-235/652 contributed, but only came up with a second game win to take them to 23 wins and into third.

Team 9, now with 24 wins and in second place, took four from Katie Jake's Bar and Grill. Juan Camarena, the man mad at the ten pin, shot 278-276-237/791 to lead Team 9, followed by Mark Fisser 268-248-201/717, Herbert Jones 248-205-226/679, and Arnold Cheesman 210-211-223/644. Katie Jakes' had a tough night, but Jon Brandon 226-247-236/709, Kevin Yamauchi 216-227-258/701, and Matt Cormack 245/624 stayed above par and pulled out a third came win by ten.

Sysco, now with 22 wins and in fourth, handily defeated Brylaw Accounting for the sweep, using Paul Barraco 247-268-212/727, Vernon Adams 224-289/706, Harry Wong 243-215-226/684, and Charlie Kinstler 204-235-215/654. Billy Myers Jr. 214-234-268/716, Charles Zelaya 219-246-235/700, and Larry Stephens 222-219-237/678 bowled well, but came up a little short all three games.

Pro Approach and Team 7 split 3-2. Sherman Joseph 243-230-266/739, Charles Weeks 246-267/706, Alex Garcia 211-206-278/697 and Jon Stone 259-215/658 led Pro Approach, as Steve Gurrieri 243-241-265/749, Jeff Carr 269-278/726 and Raul Rosales 205-225-246/676 did well on Team 7. Pro Approach won the first game by enough to hang on to totals, despite Team 7's second and third game wins.

Clyde's Video Game swept Linder Insurance thanks to Ramiro Garcia 246-242-268/756, Dave Bartlett 247-238-244/729, Ruben Landeros 202-246-246/694 and Clyde Lumpford 206-217-232/655. Aaron Hodges 234-254-228/716, Shane Soper 202-219-233/654, Keith Klagge 212-258/658 and Gary Duran 237-224/640 bowled well, but apparently not well enough.

Key Container took four from Team 14 compliments of Joe Torre 233-266-243/742, Brandon Grant 238-258/675, Darrion Tipton 243-237/668 and Renoir Land 279/641. Devron Lindsey 248-256/688, Phillip Sujo 259-237/688 and Tom Jackson 216-268/665 led Team 14 to the first game win.

Threadworks is finally winning some games, and took four this week from ABTA. Jon Reyes 279-225-246/750, Anthony Smith 215-227-248/690 and Eric Snow 234-234/664 led Threadworks, as Dan Cerio 213-242-236/691 and Dean Lopez 208-249/637 stayed above par on ABTA to pull out a second game win and avoid the sweep, but still move down a spot.

On the last pair, Team 11 killed the Junior Amateur Tour team. Phil Lebaquin 213-280-239/732, Danielle Schilling 217-245/654, Lee Liu 212-257/648 and Derek Schilling 237-200/607 led the winning team, while Larry Campbell 226-247-224/697, Jared Lawrence 224-236/638 and David Yamauchi 224-204-200/628 contributed to the first game win. One more win and JAT can hit double digits.

Well, as predicted, next week will be a fight to the finish, with the top four teams having a shot at the round. Have a great weekend and see you soon!

BPAAC

BOWLING PATENT OWNERS ASSOCIATION OF AMERICA

"BPAA Fully Prevails in Glow Bowling / Borden Patent Matter - All Glow Bowling Patents Are Invalid"

Dear Valued BPAA Members:

During the past few years, several BPAA members were accused of violating patents concerning "Glow or Starlite Bowling." Those patents sought to control the use of ultraviolet light and phosphorescent paint in bowling centers, and the patent owner demanded fees for use of these concepts. To protect our members from claims asserting patent infringement and seeking damages by the patent owner, Fred Borden, BPAA undertook the legal defense on behalf of our members.

Your BPAA is pleased to report that as a result of formal action taken by our legal counsel, the United States Patent and Trademark Office (USPTO) has cancelled (invalidated) all patent claims regarding Glow Bowling. That decision is final and not subject to further review.

BPAA members are free to employ "Glow Bowling" apparatus in their bowling centers without payment of any fees or fear of violating Mr. Borden's alleged patent claims.

A story in the October 2010 issue of International Bowling Industry (IBI) Magazine, authored by Fred Groh, may have created some confusion. That story implied that, due to a backlog at the re-examination office of the USPTO, "it could be a while coming" before the USPTO invalidated all of the Borden patents concerning "Glow Bowling." That is not the case.

Thor Lundgren, General Counsel for BPAA, stated: "We have informed IBI of the facts. The International Bowling Industry story is not completely accurate. The Glow Bowling claims of Mr. Borden are unenforceable and all the patents are cancelled. All BPAA members are free to employ "Glow Bowling" (glow in the dark) apparatus without paying any fee or fear of a lawsuit."

This is great news for the entire BPAA membership. One of the core values we identified in our new strategic plan states "serve as the voice of the bowling industry and as an advocate for our member centers." On your behalf, we have secured a final judgment to benefit all centers.

Thank you very much for placing your trust in the BPAA.

USBC WOMEN'S CHAMPIONSHIPS WINS 2010 SPORTS TRAVEL AWARD

ARLINGTON—The 2010 United States Bowling Congress Women's Championships featured a fresh look and a brand new format, and the event earned national recognition with a 2010 Sports-Travel Award from SportsTravel magazine.

The 2010 USBC Women's Championships was named the Best Amateur Sports Event Series or Circuit, and USBC Executive Director Stu Upson was on hand to accept the award at the TEAMS (Travel, Events And Management in Sports) '10 Conference & Expo in Charlotte, N.C., on Thursday.

On the way to the honor, the Women's Championships beat out the 2009 Little League World Series, 2010 American Strongman Platinum Series, 2010 Great Urban Race Series, 2010 Major League Dragon Boat Series and 2010 METAL2METAL Demolition Derby Series.

"It's an honor to be included among the best sporting events in the world and mentioned in the same breath as the Super Bowl, World Series and Winter Olympics," Upson said. "The Women's Championships is based on more than 90 years of tradition but recently underwent some changes. This recognition shows us that we're headed in the right direction, and we're excited about the future of the tournament."

This year's ballot included nominees in amateur, collegiate and professional categories, and awards were presented for best single-sport event, best multi-sport or multi-discipline event and best sports event series or circuit in each category.

All Eyes on Las Vegas as PBA World Series of Bowling Gets Ready to Roll “PBA World Championship Week” launches 14-day extravaganza at South Point Bowling Center

LAS VEGAS, Nev. (Oct. 22, 2010) – Starting Monday, the eyes of the bowling world will be focused on South Point Hotel, Casino and Bowling Center on the south side of Las Vegas when the 2010 edition of the Professional Bowlers Association World Series of Bowling gets underway, kicking off the 2010-11 Lumber Liquidators PBA Tour season.

The 14-day extravaganza will begin with “PBA World Championship Week,” a five-day, 60-game test of skill and endurance that will serve as the foundation for the first major championship of the 2010-11 season. Week two of the World Series will focus on a series of “animal pattern” championships, culminating on Nov. 5-6 with two days of television finals.

For PBA fans who are unable to attend in person, the entire World Series will be covered live, 12 hours a day, on PBA’s Xtra Frame video streaming service (www.xtraframe.tv).

During the first week of competition, the sold-out field of 256 players (men and women from 14 different countries) will bowl 12 games each day on five different Lumber Liquidators PBA Tour “animal patterns.” The PBA’s challenging lane conditions were given names and introduced to the sport during the 2007-08 season as a way of illustrating the varying types of lane conditioning challenges PBA Tour players face – similar to a tennis player competing on clay, grass or hard courts on different days. Each lane conditioning pattern employs different characteristics based upon the length oil is applied to the lane, as well as how much oil is applied across the lane. Each pattern provides a different test a player’s strengths and versatility. A detailed description of each PBA oiling pattern can be found on pba.com under the “Resources” tab.

On Monday, the field will bowl on the Cheetah pattern. On Tuesday, it’s Viper pattern day. The Chameleon, Scorpion and Shark rounds will follow on Wednesday, Thursday and Friday, respectively.

Similar to the former “PBA Marathon Open,” which featured a different lane condition for each round, total pinfall for 60 games on all five patterns will serve as the final standings for the PBA World Championship. One in four will cash based upon 60 games, and the top eight will return to South Point Jan. 14-16 to battle for a \$50,000 top prize in the live PBA World Championship step-ladder finals which will launch the “live” portion of the Tour’s 2010-11 television schedule. The top qualifier will have the advantage of selecting the lane conditioning pattern for the televised finals.

While accumulating pins toward the World Championship is a high priority, all players also will start fresh with a new challenge each day. Regardless of a player’s overall standings, the daily events will be similar to stages in the Tour de France. The top 16 players for 12 games each day will remain in contention for week two of the World Series, which will be devoted to determining the Cheetah, Viper, Chameleon, Scorpion and Shark Championships.

In week two, the top 16 on each pattern will bowl nine games of round-robin match play to determine the top five for stepladder finals. The Cheetah and Viper match play rounds will be contested on Monday, Nov. 1. The Chameleon and Scorpion rounds will be held on Tuesday, Nov. 2. The Shark match play round will be bowled on Wednesday, Nov. 3. The top five after 21 games in each case will advance to the respective stepladder finals, and all 16 in each event will earn “bonus cash” in addition to whatever they may earn based upon their PBA World Championship standings. Each champion will win \$15,000 and a PBA Tour title.

An added special event will be a new “USA vs. The World” team competition, which will be taped on Nov. 6. The top six United States bowlers after 60 qualifying games will meet the top six international players in a five-player team showdown. One point will be awarded for each head-to-head match, and three points will be awarded for the team total.

Tom Smallwood of Saginaw, Mich., is defending PBA World Champion. Also hoping to defend their 2009 titles in Las Vegas will be Cheetah champion Norm Duke of Clermont, Fla.; Viper champion Rhino Page of Dade City, Fla.; Chameleon champion Bill O’Neill of Southampton, Pa.; Scorpion champion Mike DeVaney of San Diego, and Shark champion Jack Jurek of Lackawanna, N.Y.

Bowling fans around the world will be able to follow all of the action on Xtra Frame, the PBA’s exclusive video-streaming service which now features improved video quality and a number of other newly-added features. A full-year subscription to Xtra Frame is \$64.99, a special World Series only package is available for \$29.99 and a one-day “trial membership” for \$5 will be offered during the World Series only. USBC Youth

An October to Remember

Ashley N. Dunn, Palmdale, CA will not likely forget October 2010 for a very long time – if ever.

October began with the receipt of the new edition of Bowlers Journal International magazine and the discovery that she had been selected as one of the Top High School Prospects for college recruiters.....as an 8th grader! This selection meant that she was now on the radar screen of college recruiters at schools with bowling programs across the nation. She was very excited and hopes to continue improving each year and maintain a position on this list so that maybe there will be a few schools that would like her to bowl for them when the time comes.

Following the receipt of the Top High School Prospects honor it was time for a second appearance in the California State Youth Scratch tournament on October 16th & 17th. Ashley had first bowled the tournament last year managing a respectable 8th place finish on the challenging PBA Chameleon pattern as a 12 year old competing with college level bowlers. This year the pattern was the PBA Cheetah pattern and a much better finish seeded 1st place going into stepladder finals, but managing a 2nd place finish as she lost the championship game to Brittany Pratt, a strong competitor she had beaten twice earlier during match play. Ashley did manage to have the high tournament average at nearly 10 pins over the next highest with 195 across the 21 games.

Beginning on October 27, 2009 as a 12 year old when Ashley bowled her first 700 series of 726 she began a string of accomplishments over the coming year including a total of eight 700 series to date with a high of 760, three 11-in-a-row games of 290, 298, and 290, a winter book average of 206 for 2009/10. Now on October 19, 2010 while bowling with the Strikers youth league at Brunswick Vista Bowl in Palmdale during the first game of the series, it finally all came together for the perfect game.....a 300! She had done it, all 12 shots solid pocket hits with 10 in the pit. Not too many girls in the history of the sport age 13 or younger have ever managed this accomplishment!

Ashley would like to thank the California Bowling News for recognizing her accomplishments. She would also like to thank her coach Mark Baker for continuously improving her game, and absolutely cannot forget the man that lays out and drills her bowling balls, Rusty Bryant of The Pro Zone in Mission Hills Bowl.
