## Arizona's Jakob Butturff Wins PBA Xtra Frame South Point Las Vegas Open

*Tommy Jones wins \$10,000 bonus as season-long Xtra Frame Tour points leader*

LAS VEGAS (Oct. 30, 2016) – Jakob Butturff of Chandler, Ariz., won his second career Professional Bowlers Association Tour title Sunday in the PBA Xtra Frame South Point Las Vegas Open at South Point Bowling Plaza in a championship round that featured three of the PBA's rising stars.

Butturff, who won his only other title earlier in the year in the PBA Xtra Frame Lubbock Sports Open in Texas, struck on 10 of his first 11 shots to defeat 19-year-old Anthony Simonson of Princeton, Texas, 277-211.

Butturff, a 22-year-old left-hander, led the field after 32 games of qualifying and match play by 448 pins, winning 14 of his 16

matches Sunday without an open frame. Except for his 218 game to start the tournament, the second-year PBA member led all the way to the final match.

"Everyone performed great," Butturff said. "I just had to make as many good shots as they did.

"My mom was diag-

nosed with cancer recently, so I really wanted to win this one for her. One thing I've learned is that when someone has cancer, you have to keep their spirits up and I know she likes it when I bowl well. My title was basically for her.

"I've just been successful bowling here in Vegas;

it was more of a comfort feeling than anything," he added.

Simonson, who won both of his PBA Tour titles earlier in the year, won the semifinal match in a strike-fest against 21-year-old Swedish two-hander Jesper Svensson, 267-258. The battle of contenders

for 2016 PBA Player of the Year honors began with Simonson throwing seven strikes to start the match while Svensson, the Tour's only three-time winner in 2016, converted three single-pin spares before rolling eight strikes in a row to finish his game.

In the first match, Simonson struck on four of his first five shots before leaving the 4-6-7-10 split, but O'Neill had trouble gaining ground, leaving 10 pins on five of his first seven shots. He finally got on track with a late string of four strikes, but Simonson recovered from his big split with a string of six strikes for a 242-224 victory.

Simonson also struck on four of his first five shots

## PBA Introduces New Players Committee to Encourage Members' Input

*Rhino Page selected as chairman of newly-formed players' group*

CHICAGO – The Professional Bowlers Association has introduced a new PBA Players Committee, designed to encourage input from its membership base regarding a variety of programs and issues that impact professional bowlers.

PBA's management team, led by PBA CEO and Commissioner Tom Clark, will solicit input from the players' group in issues such as tournament formats, communications, prize fund distribution, playing conditions, rules and similar issues that play a role in the lives of PBA members.

The PBA Players Committee, under the leadership of chairman Rhino Page of Orlando, Fla., will serve

*Rhino Page*

as a conduit between the membership and PBA management. Other members of the newly-formed players' group are Jason Belmonte, Bill O'Neill, A.J. Johnson, Andrew Cain, Jon Van Hees, Ronnie Russell and Chad Lusche.

"Talks with the new PBA Players Committee have been very encouraging," Clark said. "We are

excited about working together closely on issues important to players, fans and partners.

"Throughout our history, the players have played a large role in shaping the competitive formats, rules and how the PBA is presented to fans. Through the increased emphasis and communication with this diverse and involved group of new Players Committee leaders we will continue that tradition.

"The PBA as an organization has shown an openness to change, a progressive mindset that has us positioned for growth," Clark concluded.

Page earned PBA's 2007-08 Rookie of the Year award when he won the first

## Veteran Broadcaster Dave LaMont Tabbed as New Play-By-Play Announcer for PBA Tour Telecasts

CHICAGO — The Professional Bowlers Association and ESPN have announced that veteran play-by-play announcer Dave LaMont will join PBA's broadcast team at the start of the new ESPN-PBA telecast season that begins with the live finals of the PBA World Championship during the GEICO World Series of Bowling VIII in Reno, Nev., on Sun-

day, Dec. 11 at 11 a.m.

LaMont joins PBA Hall of Famer and 13-time Tour winner Randy Pedersen, who returns for his 16th season as color analyst, and former Miss USA Kimberly Pressler, who returns in her role as sideline reporter, as ESPN's PBA broadcast team.

"I regularly went to PBA Tour tournaments when they came to South Florida and as a longtime bowling fan, it's a dream come true," LaMont said of his new role. "Since I've been announcing bowling I've really gained a deeper appreciation for what the players do and quickly found that the sport has all the ingredients for great television. It has athletes who have a passion for what they do and who can perform under intense pressure, all in

# No Reason for Bowlers to Be in ‘Grump Club’

by Fred Eisenhammer

WINNETKA – It’s no fun to be a chartered member of the “Grump Club” when you’re bowling.

I know.  
Moody, morose and mad – all those feelings seemed to mark my temperament for the past year as I took part in my weekly league action at Winnetka Bowl.

Sure, being in a slump – for a year!! – didn’t help.  
But that’s really an excuse.

One comes to the bowling center for any number of reasons – to compete, to bowl wonderful scores, to exercise, to socialize. But let’s not forget perhaps the most important reason:

We go bowling to have fun.  
Win, lose, or whatever.

I can’t count all my friends who have told me to smile more. Art Rosenberg, Ed Petok, Tom Martino – they all had a message for me.

We go bowling to have fun.  
So smile.

*These bowlers show they’re not interested in becoming chartered members of the “Grump Club.” Fooling around one December night several years ago at AMF Woodlake Lanes in Woodland Hills are, from left, Greg Kolski, Tom Martino, Mary Bashore, Tom Kolski and Jo Wyman. Mike Rice is in the background.*  
Photo by Fred Eisenhammer

My response: It’s no fun when you’re bowling crummy and you can’t get close to your average.

But it’s far worse being a chartered member of the “Grump Club” while seemingly everyone around you is deliriously happy about their strikes and spares.

So here’s the message:  
Break out of the “Grump Club” if you’re a chartered member.

That’s what I forced myself to do. And I’m bowling better because of it.

Of course, some incisive bowling tips from elite bowler Tim Tripp have boosted my game – and it sure helps one’s mood when you can roll two strikes in a row occasionally.

Posting good scores does provide an extra bounce to one’s step.

But here’s the point:  
Whether you’re bowling well or not, enjoy the fact that you’re bowling. Many people can’t bowl – for one reason or another.

So don’t be a member of the “Grump Club.”  
What do they say?

When you smile, everyone smiles with you.  
And when you’re a chartered member of the “Grump Club,” you’re a grump on your own little island.

We go bowling to have fun.  
So smile.

And enjoy yourself!

## JOEY HARRIS HITS 269-299-289 FOR HUGE 857 AT RED ROCK BOWLING CENTER

by Connie Marchione

LAS VEGAS — A former Californian Joey Harris who moved to Las Vegas decades ago, had rolled several 300 games but never had the opportunity to put his first three high games for his first 800 series. Then on Wednesday night October 26 in his league at Red Rock Lanes Bowling Center, Harris started his first game as he normally does, nine, spare, double strikes, nine, spare and from 5th frame he struck out 8 strikes in row for 269, a good starting game.

In his 2nd game, Harris continued striking in first frame and kept striking for 11 strikes in row. He missed a 300 when his 12th ball in 10th frame left a pin standing for a 299 game. The Harris striking machine struck to start his 3rd game and did not stop striking until after 10th in row on 10th frame. Then his 11th ball left a pin standing which he spared for a 289.

Congratulations Joey Harris, your first 800 is a huge 857. (Thanks to Ed Abakumoff who forwarded a copy of Harris' full game scores.)

# DEAF PBA FRANK GALLO ROLLS 268-279-268 FOR 815 IN HIS FLORIDA LEAGUE

JACKSONVILLE, FLA — I got an email from Frank Gallo, Jr. who has been a member of PBA for 4 plus decades as the first deaf member. Gallo is taking a hiatus from bowling in PBA and may return when PBA50 Tour returns to Florida in April 2017.

Gallo said he recently last September rolled his third 800, a 815 with games of 268-279-268 in his Jacksonville senior league. At his age of 69 he wanted to know if he is the oldest deaf bowler with a 800. In reply I told him that expBA member Darrell Stogryn who is over 60 bowled a 800 last year and I have to find his exact age.

# ABAKUMOFF 816, JONES 803 TOPS DEAF TRRAVEL AT JEWEL CITY BOWL

GLENDAL — The position round results of So Cal Deaf Traveling League action at Jewel City Bowl were close and all 4 teams held their places. Opponents Ed Abakunoff's league leading Westminster and Bob Jones' s 2nd place Simi Valley battled close with Simi Valley winning with team series 2061 to 2042and overall 11 points to Westminster's 9 points. Eagle Rock and Los Angeles battled to a draw 10 points to 10 points.

Abakumoff led the scoring with 816 from 202-195-222-197 with Jones close behind with 803 from 163-211-196-day's high 233.

With grateful thanks to Jewel City management for hosting, the league moves on to Bowling Square Lanes on November 6 at 12 Noon.

# Another Reminder About Bowling Etiquette

by Fred Eisenhammer

When will bowlers learn?

One can never remind players enough about bowling etiquette. This may be an appropriate time for that reminder because many new bowlers are in the middle of their fall seasons – and they still haven't gotten the message.

As for those veteran bowlers who should know better . . . well, it doesn't hurt to hear this lecture again.

Remember, you're not bowling in a vacuum. There are bowlers all around you. If you forget everything else, just remember this: Be considerate.

OK, so do you have a pet peeve about etiquette and courtesy when you bowl?

I have one.

When I release the ball at the foul line, oftentimes a bowler on an adjoining lane will thunder to my side and rifle his or her ball while I'm still tracking my shot and anticipating my upcoming pin action (or lack thereof).

It's easy to get startled by such an ill-mannered bowler . . . and annoyed. Why can't that bowler just wait a few seconds and allow me to watch my electrifying shot (thinking positively) before I triumphantly return to my seat?

The fact is that rudeness often prevails in a bowling house. It's rarely intentional, but it can produce a heart-stopping – and irritating – moment or two.

On the same topic, perfectbowling.com, a nifty website that provides bowling tips, advice and other interesting data, came up with its list of nine bowling rules for etiquette and courtesy.

So here goes – the etiquette rules from perfectbowling.com.

1 – The first rule in bowling is to never bother another bowler while they are in the process of bowling.

2 – Bowlers on the right-hand lane have the right-of-way to bowl first.

3 – Never pick up your ball from the return rack while another bowler is preparing to bowl and is in his/her starting position.

**Fred Eisenhammer: In other words, don't be so eager to take your shot. The pins will still be standing there!**

4 – Refrain from using obscenities or vulgar language.

5 – After your shot, let others bowl.

**Fred Eisenhammer: In other words, don't linger on the lane after your shot.**

6 – Wear proper shoes.

7 – Keep food and other refreshments off the approach.

8 – Remember, there are others waiting to bowl.

**Fred Eisenhammer: In other words, don't wander off aimlessly . . . or socialize too long when your turn is about to arrive.**

9 – Above all else, have fun.

I'll add Rule No. 10 to the list:

10 – Let the bowler next to you complete his or her turn and walk back to his or her seat before you start your approach.

Of course, it's inevitable that some bowlers will slip up from time to time, so it's important not to get flustered if someone violates one of these rules.

No slamming your bowling ball on the lane in disgust. Distractions happen – even when pros are bowling. Remember, it's just a game.

# 2017 Professional Women’s Bowling Association Schedule Announced

*The Professional Women’s Bowling Association Tour will visit four new venues during its 14-event schedule in 2017*

The 2017 PWBA Tour kicks off April 27-29 at Double Decker Lanes in Rohnert Park, California, and will conclude with the 16-player, invitation-only PWBA Tour Championship from Aug. 31-Sept. 3. The PWBA Tour Championship site will be announced at a later date.

The 2017 season once again will feature four major events, including the United States Bowling Congress Queens, PWBA Players Championship, U.S. Women’s Open and the PWBA Tour Championship.

Similar to 2016, 13 of the 14 events will be televised on CBS Sports Network, including live telecasts of all four majors.

“I guess it’s time to start making travel plans for 2017,” said PWBA spokesperson Kelly Kulick. “But really, it is great to see the PWBA returning to several centers that have given us tremendous support over the last two years. The new venues allow us an opportunity to showcase the tour to more bowlers and fans, and, hopefully, attract elite bowlers from surrounding areas.”

One of the new venues on the 2017 schedule is Boardwalk Bowl in Orlando, Florida. Two-time PWBA Tour champion Kendra Gaines is general manager of Aloma Bowl, part of the chain of centers that includes Boardwalk Bowl, and she was instrumental in bringing the Tour back to Orlando.

“I wanted to bring the PWBA back to Orlando to showcase the talented women in professional bowling to our community,” said Gaines “As a former tour player, I enjoyed having a Florida swing because it was a great destination for bowling fans of all ages. We hope to give the bowlers in the Orlando area a treat, witnessing and bowling alongside some of the greatest athletes our sport has to offer.”

In addition to Boardwalk Bowl, the PWBA’s new stops include: Fountain Bowl in Fountain Valley, California; Baton Rouge River Center in Baton Rouge, Louisiana; and Plano Super Bowl in Plano, Texas.

Steve Cook’s Fireside Lanes in Sacramento, California, Northrock Lanes in Wichita, Kansas, Sun Valley Lanes in Lincoln, Nebraska, Super Bowl in Canton, Michigan, and The Ashwaubenon Bowling Alley in Green Bay, Wisconsin, are making their third consecutive appearance on the PWBA Tour schedule.

Also making its third consecutive appearance is the doubles event featuring Professional Bowlers Association and PWBA Tour players, the PBA/PWBA Striking Against Breast Cancer Mixed Doubles event hosted by Donna Connors in Houston.

Double Decker Lanes in Rohnert Park, California, Seminole Lanes in St. Petersburg, Florida and AMF Gates Lanes in Rochester, New York, will host a PWBA event for the second consecutive season.

"There was a considerable time gap between the last time the PBA had an active players' group and now," Page said of his role in the new group. "My heart has always been wanting to help bowling, and I saw this as a great opportunity to serve the Tour. When Mike Fagan and Scott Norton stepped aside – they were the guys who really got the committee up and running again – I kind of stepped in. "The group we have now represents all regions of the country," he continued. "Our goal is to improve the lines of communications between the players and the PBA leadership. Our thinking is in the best interests of not only the players, but our fans and our corporate partners. I think we've been making a lot of great strides in that direction. "One of our biggest goals was to create a structure for the players' committee and to develop a strategic plan covering what we hope to accomplish, so we can let all of the other players see what the big picture is," Page concluded. "Our next step is to improve those communications and let the other players know their opinions are important in what we're trying to build for the future."

# 1964 - PART 1

- The Bowling News printed a Northern California edition.
- First place in the Cal Classic? A 1964 Chevrolet Corvair. Second place? A trip for two to Hawaii. Qualify in any or all 22 houses running the event.
- A.B.C. Rule 24 prohibited any and all owners or employees of a center to cash in their own tournaments. (I assume they meant “sanctioned tournaments.”) A center could make their own rules otherwise. Or even re-rate.
- The “Chinese Lo Ball” tourney had an entry fee of \$130.00 Formosan dollars! Or \$3.25 U.S. money. Low score won. Many strange rules. A scorekeepers night mare.
- T.V. bowling show host DICK STOEFFLER was on 208 times on Channel 11. BOB RAMIREZ won most titles.
- Does the name DON DROOKER sound familiar? He managed centers for many years. In 1964 he was writing a column for **CANOGA PARK BOWL**.
- BILLY MYERS Sr. at **LA PUENTE LANES** invited everyone to “BOWL ‘N’ BREAKFAST”. 3 games and breakfast only \$2.00. I used to leave **ALHAMBRA VALLEY BOWL** (I was manager) and go to Billy’s for breakfast!
- HERB “JUDGE” ROTH was a real character Bowl manager, writer, L.A.B.A. officer and a friend to every bowler he met. A “leprechaun” in disguise.
- Somebody came up with a gimmick called “Chinese Lo Ball”. 10 centers were running the same format. The \$500 winner in February was Barry Asher. Other “house” cashers included Bob Kannicutt, Doug Johnson, Tom Long for \$20.00 each. Entry fee? \$3.25.
- WESTERN COLUMBIA opened a large Pro Shop that specialized in drilling balls according to the “Bill Taylor Method”. His formula was “perfection” for a few years, then everyone (including A.B.C.) called him a kook. At the end of his life the bowling world admitted he WAS right!
- The first 100% live plastic ball, made with poly-elastic resins, hit the market. It was called American Mark, made in the east.
- DICK BRAASCH —you devil — you shot 716 in the All Star League to lead your team to victory at **DUTCH VILLAGE**.
- The subject of hundreds of letters to the Editor of the Bowling News was Bill Taylor. They either agreed with him or not. His study of actual bowling pins was a first. He wanted to know how they flew and how they changed by constant pounding. Chemists, engineers and manufacturers had nothing on Taylor’s study.
- League co-ordinator JACKIE HENNY (now a secretary at **ACTION LANES**) tooted the horn for some **BOWLING SQUARE** shooters, namely FLOYD BEEDY, HOSS CLAPP and LEW (LOW BALL) ALLEN.
- WILLIE MOSCONI, 13 time Pocket Billiard Champion, was in town for lessons, exhibitions and autographs. He was adviser on the movie, “The Hustler” with Paul Newman. He once ran 526 balls.
- **CHARTER OAK LANES** on Arrow Highway opened on March 28th — another David Boran bowl. Gee — it was the only bowl to be built (in the area) in two years. What a shame. They were being built so fast they hardly made head lines in the NEWS.
- **SHATTO 39** blasted their arrival with a full page — in color. **SHATTO** is still in business! \$5.00 per game. \$3.00 for rental shoes. How many of you knew **SHATTO** is alive and open for business?
- For Sale in 29 Palms, **THE BOWLADIUM**, coffee shop, liquor license, cocktail lounge, dining room, building and property. Only \$20,000 down. Any takers?
- Top P.B.A., Champion BILLY HARDWICK won \$33,000.00 in one game. No sponsors and had topay his own expenses.
- An open letter from a team sponsor explained why companies stopped buying shirts and paying fees. They never got a thank you, only a call to ask them to do it again. Take heed bowlers, If you are lucky enough to have a sponsor. THANK HIM! Send them a league sheet. Invite them to an awards ceremony. Take a picture! DO SOMETHING!
- **CAL BOWL** staff was thinking big even in 1964. Latest off their noodles was a singles handicap event with a \$90,000 pay-off. All they needed was 3,000 entries. It was a 3 month tourney. Top gun to receive \$2,500.

1. This tournament is open to current USBC adult members in good standing certified by California Associations. **NO CARDS SOLD ON SITE.**

2. All entrants must be at least 50 years of age at the time of participation in the tournament (date of birth **MUST** be on the entry.)  
NOTE: Failure to report the correct birth date may result in disqualification.

3. Bowlers must check in 45 minutes prior to scheduled squad time and must show proof of membership by showing their USBC membership card, a duplicate membership card printout from [www.bowl.com](http://www.bowl.com) or a letter of verification from the local USBC association.

4. **This tournament consists of two separate divisions: Open Division - men and women; Women’s Division - women only.**  
The Age Classifications are: 50-54; 55-59; 60-64; 65-69; 70-74; 75+

5. Bowlers need not belong to a senior league to be eligible for entry in this tournament.

6. **Tournament dates:** August 17-20, 2017. **Closing date:** August 20, 2017 at 1:30pm. Walk-ins allowed, but must sign up no less than one half hour prior to the start of the squad. Walk-ins must provide a bowl.com average printout in order to enter brackets or else they will enter at 220.

7. **Entry fee breakdown:** Prize Fund: \$20 + Lineage: \$18 + Expenses: \$12 = **\$50 per person**. Make checks or money orders payable to CUSBC. Write “Sr. Singles” in memo. Credit card payments are accepted via Paypal online at CalUSBC.com. Any returned payments must be paid in cash or money order on-site plus a \$50 penalty fee.

8. This tournament will consist of a six (6) game singles format bowled on the same pair of lanes. The combined total of 6 games plus handicap will determine the champions in each division.

9. The tournament shall be conducted on a handicap basis – **90% of 220**.

10. Entrants may enter only once.

11. **The entering average shall be determined by the following priorities from an established California league:**

a. Highest 2015-16 USBC certified average (minimum of 21 games). If none,

b. Highest USBC certified average (minimum of 21 games) as of January 1, 2017. If none,

c. Highest USBC certified league-ending **SUMMER 2017** average (minimum of 21 games). If none,

d. Assigned average: Women 165; Men 185.

Bowlers are responsible for verifying their own averages. If a “sport” league average is the bowler’s only verifiable average, then it will be adjusted per the USBC sport chart to determine the correct entering average. Failure to use the correct average shall disqualify score if submitted average is lower than correct average thereby resulting in more handicap. Prize winning will be based on the submitted average if it is higher than the correct average.

12. Any PBA or PWBA member, past or present that does not meet the average requirements of rule #10, must enter at 220.

13. USBC rules 319a2 (10 pin increase in average), 319d (reporting of prize winnings) and 319e (15 pin increase in accumulated tournament average) will be waived.

14. Replacements for original entrants may be made providing the replacement meets eligibility and average requirements per Rule 11. A replacement must bowl under their own name at the time the event is scheduled.

15. All prize money will be returned 100%. Prize ratio is at least 1:6 per division. In the event of first place ties, co-champions will be declared and prize money will be combined and divided equally. Designated prize funds will be paid accordingly to each division within 30 days upon completion of the tournament, except when USBC nationals has authorized delay in payment, pending settlement of any claim or protest which effects position standings. A symbolic award will be furnished for the champion in each age class.

16. **Winners in each age classification are eligible to participate in the 2018 USBC Senior National Championships.**  
Participation fees will be paid by CUSBC. In the event of a tie for first place in any division, since only one is eligible to participate in the National Seniors Tournament, the tie will be broken by using the highest 3 game series with handicap (i.e., first 3 game set or second 3 game set). If a tie still exists, the tie will be broken by using highest game with handicap. Arrangements will be made with each athlete within stated guidelines and parameters from the CUSBC for attending the National Finals. Eligible advancers must agree to bowl in the National Finals or, failing to do so, agree to waive all rights. In the event a winner of any division is unable or declines to attend the national tournament, the second, third or fourth place finisher from that division (in order of finish) will be eligible to compete.

17. Bowlers arriving late shall begin play and the score shall count beginning with the frame then being bowled. Missed frames shall be credited with a zero. Frames may not be made-up. Bowlers not present to bowl when it’s their turn will be credited with a zero for that frame. In the event a bowler cannot finish their series, zero points will be scored the remaining frames.

18. This tournament will be certified by USBC. The tournament director shall be the authority to interpret USBC and tournament rules, policies and procedures in deciding disputes. If deemed necessary, the tournament director shall consult with the board of directors of the CUSBC.

19. An appeal or protest of a decision involving eligibility or playing rules must be filed in writing with the tournament director and the USBC before tournament prizes are paid. The decision of USBC is final and binding on all involved parties. Any violation of tournament rules is cause for disqualification, loss of entry fee, forfeit of all prize monies and possible suspension from USBC membership.

20. **Fees are refundable ONLY when the Tournament Director is notified, in writing, within 15 days of the schedule notice mailing, that the date and time assigned are not acceptable, or in the case of an emergency, at the discretion of Tournament Director.**

2nd ROUND OF THE BRUNSWICK INVITATIONAL HAS BEGUN

AND AS EXPECTED, SCORES PLUMMET

by Mike Cammarata

DOWNEY — The 2nd round of the Brunswick Invitational started on Monday night, featuring the short oil pattern. The pro shop was busy polishing balls, and bowlers were bringing out old urethane balls and plastic balls to get ready for the early hook. For some that had a lot of experience, it helped. For others, it was a frustrating night.

On the first pair, Parkin's Bowling Supply, fresh off their first round victory, took on Linder's Insurance in a rematch from last week. In game #1, Michelle King topped the league with 227, but saw two teammates not break 100, giving Parkin's the win. Linder's rebounded nicely in game #2, with Michelle leading the way at 231 along with lots of help from her team, and they evened the match. Game three was all Parkin's Bowling Supply though, giving them the game and totals. Dave Kovach led them with 246. Michelle King topped the pair with 612.

Herzog Insurance took four out of five from Keystone Lanes on the second pair. Scoring was tough to come by, as Kevin Gagnon led the pair by quite a bit with his 201/577. Jonathan Huff and Herbert Jones of the Keystone Lanes team broke 200 in the third game, helping them to their one win.

Sysco bowled Forest Lanes on the next pair. Forest Lanes won the first game by 20 pins, but Sysco came back to take the next two and totals. Paul Barraco of Sysco topped the pair with a 527 series. He edged out the 526 that Jon Diso bowled for Forest.

Bowlum and Erickson's Food Supply had a close match, with Bowlum coming out on top, 3-2. Bowlum's lone win came in game #2, but they won that game by 120 pins, which was enough to carry them to a total pins victory as well. Bowlum won totals in spite of the fact that the top two players on the pair were both bowling for Erickson's. Mikey Villarreal had a 210/612, and Deeronn Booker added 222/604.

DV8 dropped the first game of the night to Los Altos Trophy, before roaring back to win the next two by significant numbers, and to win totals as well. Kevin Valmonte led the pair, anchoring the DV8 team, with 234-202/587.

Cal Bowl got off to a great start in the round, sweeping all five games from Century 21 My Real Estate. Ramon Torres topped the pair with 535, and not a single bowler on the pair had a game over 200.

Threadworks took the first two games from J.A.T. And while J.A.T. came back to win the third, it wasn't by enough to make up the difference in totals, giving Threadworks a 4-1 win. David Yamauchi was the top bowler on the pair, shooting a very stead 556 series. Clinton Meche had a 234 game subbing for Threadworks for the top game on the pair.

Western Pacific Bowling Supply got a to a great start for the round, sweeping all five games from the Professional Approach team. Chris Hefner was outstanding, shooting 202-244/640 for Western Pacific, and Spanky Rosales added 236/609 for them as well. Herman Ferguson shot 609 for the Professional Approach team in defeat.

Smirnoff also got a sweep to start the round, as they took every game from Gym W.R.A.T.T. Fitness. Jonathan Huezo, of the Gym W.R.A.T.T. team had an amazing 288 game to start the series. Unfortunately for Jonathan, he finished with only 557. Vernon Adams led the pair with 233/612 for Smirnoff. His teammate, Harry Wong, was right behind with 222/610.

The final pair of lanes saw another sweep, as G.J.C. Janitorial took all five games from Crown Royal. David Schiada of Crown Royal was the top shooter, with 213/561, but he didn't have enough help. Omar Olid led the G.J.C team with 210/533.

In the sidepots, Michelle King took game #1 with her 227 game. Spanky Rosales won the super pot in game #2, shooting 236 for \$225. Vernon Adams won the last game with 233.

The Financial Advisors Pot was won by Chris Hefner. Chris shot a 244 game for \$200. Vernon Adams got \$100 for 2nd place, with his 233.

Good luck to everyone in the league as they make equipment and line adjustments in the 2nd week, trying to get those scores back up. See you all on the lanes.
