U.S. Women's Open Shifts To Las Vegas in 2009

ARLINGTON, Texas—The U.S. Women's Open, a United States Bowling Congress event, will return in 2009 and will be held in conjunction with the World Tenpin Bowling Association World Women's Championships in Las Vegas.

For the third consecutive year, the U.S. Women's Open will feature five television shows on ESPN, with the air dates to be announced at a future date. The event is scheduled to be held Aug. 3-9 at Sunset Station Hotel and Casino's Strike Zone Bowling Center in Las Vegas.

The U.S. Women's Open will immediately follow the World Women's Championships, which will be hosted on the USBC Open Championships lanes at Cashman Center from July 27-Aug. 2.

"The ability to tie these two events together is a big plus because it will allow for a field of the best female bowlers in the world," said USBC Chief Operating Officer Kevin Dornberger, who is also president of the WTBA. "There is so much talent not only here in the United States but also in-

Classic Lanes 10-Gamer On All PBA Patterns

NORCO—In an effort to do something different from the norm, Brunswick Classic Lanes will be running a 10-gamer on Friday, November 28th at 10AM (check-in at 9), which will be contested on all five PBA patterns. Bowlers will bowl two games on each pattern, and starting lane assignments will be luck of the draw. A \$1000 top prize is estimated based on 40 entries. However, due to limited lane availability, the tournament will close at 60 entries. The \$125 entry fee includes sidepots which feature payouts based on the high two-game set for each pattern. If you have any questions or would like to reserve your spot, please contact Jon Diso at (951) 734-8410.

Feldman, Machuga Win Chameleon Championship Titles

Mike Machuga no "flop" this year

TAYLOR, Mich. - Michael Machuga and Michelle Feldman captured the Chameleon Championship on Sunday at Taylor Lanes, the fourth stop on the Lumber Liquidators PBA Tour.

Machuga of Erie, Pa., struck out in the 10th frame to narrowly defeat No. 1 seed Bill O'Neill of Southampton, Pa., 209-204, to win his second career PBA title.

Machuga climbed the ladder as the No. 5 seed, defeating No. 4 Sean Rash of Wichita, Kan., 196-190, No. 3 Brian Kretzer of Dayton, Ohio, 245-188 and No. 2 Wes Malott of Argyle, Texas, 221-210 to advance to the championship match.

Machuga advanced to Sunday's televised finals as the No. 5 seed. The telecast was originally scheduled to be a four-man stepladder finals, but due to a scoring malfunction during Friday's Round of 16 match play, the PBA decided to change the televised format to a five-man stepladder finals.

"I haven't felt this good in years," Machuga said. "I actually got nervous the first few frames today, and I haven't felt like that in a long time."

Machuga's last title, the 2005 Greater Omaha Classic in Council Bluffs, Iowa, was also on the Chameleon lane pattern.

Chameleon resembles a "retro" approach to oil pattern design and measures 40 feet in length. Oil is applied in strips and requires bowlers to play

in a specific zone on the lane as compared to a "multiple angle" condition.

"My bank account likes Chameleon apparently," Machuga joked. "I really don't pay attention to the patterns that much. I focus more on lane topography and house characteristics."

In the PBA Women's Series, sponsored by the United States Bowling Congress, Michelle Feldman of Auburn, N.Y., handily defeated Jodi Woessner of Oregon, Ohio, 199-173 in the championship match.

"I was good through the entire week, then I threw my second ball tonight and my thumb ripped open," Feldman said. "My goal was to not finish twice in two weeks."

Feldman claimed the title two weeks after she lost in the championship match of the Pepsi Viper Championship in Omaha, Neb., the first PBA Women's Series event of the season.

The PBA will next air on ESPN on Sunday, Nov. 23 at 1 p.m. ET with the Ultimate Scoring Championship from Taylor, Mich.

Keystone Lanes Has A Practice League With Pizzazz!

NORWALK—Keystone Lanes has had a Practice League for several years now and what a great deal it is! The price is inexpensive and when you are a member, each night you bowl you receive 6 free games! Talk about making the buck go further when all of us know, we all like the "freebies", in our current economy!

The Practice League is a great way to learn to bowl without feeling intimidated

because everyone is doing the same thing – they are practicing! This had lead to some of Practice members moving up to other leagues along the way and we expect that, but this is a sure bet to improve your game and have a few extra games to use so you can save \$\$\$\$ during the week.

Just because we have a Practice League doesn't mean it isn't well organized as you will see because we

have a very active President, Tyree LaRue, who we want to thank because he's a die-hard Practice League member and makes the league enjoyable because of his humor and friendship! We are also indebted to our new Secretary/Treasurer, Debbie Fox. Debbie has tackled this position with a lot of enthusiasm and great ideas! She has gotten her son Michael Agudo, involved and you will see the results of his photography in our entry way. Each week Michael and Debbie are finding new ideas, pictures and ways to make this league exciting. (We are hoping to keep Debbie and Michael for a long time.)

During the next few weeks you will see our bowlers of the week, what's going on with our Practice League and yes you can join by showing up and bring a couple of friends. We bowl at 9:00 pm on Wednesday evenings, and it's a great way to end your stressful day with a lot of friends and bowling!

Former Orange County Board Member Passes...

ORANGE COUNTY—Harvey Tallman, former Orange County Board Member passed away November 4th, 2008. Harvey served as a Director from 1992 - 1995 ; Senior Director from 1996 - 2000 and was elected Vice President in 2001. He served the OCBA proudly until 2005 and our merger with USBC.

Services were held November 10th at Westminster Memorial Park. The Orange County Association sends condolences to his family. He will be missed by all.

FOUNTAIN BOWL—This may be the shortest column this year because we have only news of a power outage to report. Therefore, the results of bowling at Fountain Bowl on Monday will be on hold until we return there on February 9. Fortunately, all scoring was saved and the league will complete the November 17 session before bowling it's regular schedule on February 9. We will bowl at 9:30 a.m. since we have four games slated that day.

We never did learn what caused the power failure but it included street lights, homes and businesses in a large area. A 9:30 a.m. league meeting next week at Keystone will fill in more details that will resolve the situation.

NEXT WEEK: Monday 10 a.m., following a 9:30 a.m. league meeting, November 24 at Keystone Lanes.

WORLD CUP

continued from page 1

tin Larsen of Sweden defeated Zulmazran Zukifli of Malaysia, by two games to one, 203 to187, 180 to237 and 249 to187.

So Ann Maree and Martin moved forward to meet our top seeds, Jasmine and Derek.

Both matches lived up to the expectations of a World Cup. In the first game, Ann Maree scored 222 but was out-paced by Jasmine who threw the first 9 strikes, leaving a big split in the 10th frame to finish on 263. The second game was of the highest quality; this time Jasmine threw the first eleven strikes before hitting eight with her final ball, setting a new record of 298 for the World Cup finals. Ann Maree hit 215, so the title went to Singapore.

Jasmine, a 20-year-old student of media and communications, said afterwards: "I just tried to throw the best ball I could and if that meant a 300, then that is what it meant. I have been having some psychology sessions before coming here and concentrating on my refocusing plan, coping with setbacks. These sessions have really helped me."

Jasmine paid tribute to her coach, Mervyn Foo. "He was in our national team for many years and it is great to have a coach who understands what a major tournament is all about."

This is the first time that Singapore has ever won the Bowling World Cup in either the men's or the women's section. "I have been keeping in touch with home by texting my family on my i-phone," Jasmine said. "I know there is a lot of interest in what I have done here but I don't know what to expect when I get home."

The men's final produced the highest scores ever seen in the Bowling World Cup. Martin won the first game 229 to221. Then both men hit strike after strike to draw the game 279 apiece. This meant a 9th-10th frame roll off, the first time that has happened in World Cup history. Derek hit three strikes and a 9; Martin s trike, nine spare, 7.

So it went to a final game. Derek continued where he had left off and hit 278, a total of 778, a new championship record. Martin could only manage a 196, so the trophy and title went to the USA, the 6th time in seven years that the USA has taken one of the titles.

Derek, who is 28 years old and works for the USBC on the Sport Bowling programme, commented: "This is by far my biggest win ever – way ahead of anything else. I knew I would be up against some great players and I kept looking at the QubicaAMF web site to see who would be playing here."

"I was very lucky to have Jeri (Edwards) as my coach here. She has so much experience of previous World Cups and really helped me here this week."

Derek went to University in Nebraska, attracted there by their bowling programme, and studied for a degree in business management. He plays other sports, notably baseball, soccer and softball, but his key way to keep fit is to take his rescue dog, Reeses, for a walk. The top country award went to Sweden, Martin Larsen having come second and Helen Johnson 4th.

The award for Sportsman and Sportswoman of the tournament will be presented at the farewell dinner and party this evening.

Joe Goodine (1966 - 2008)

Joe Goodine Now Playing on God's Team

by Rob Hartley

NORWALK—This past week has been a tough week for those of us from Keystone Lanes, in that one of our loved and most enthusiastic employees left us. To begin to tell you the impact of Joe Goodine, would take the entire newspaper and then some, but in our own way we will share what we learned from Joe Goodine.

Joe was the Assistant Manager at Keystone Lanes for just over a year, but he didn't like using his title, he'd rather find a challenge and fix it. Many days were spent taking the extra time for an employee or making sure the customer received the best service possible. He always had a smile, a joke and was very quick witted. As we would begin our day Joe was always there with a listening ear and although he didn't say much we knew he was going to help solve the problem and make it easier for all of us.

What I think we all enjoyed about Joe, he always found humor in himself. He was confident of who he was and always found a way to make you smile in any circumstance. I don't ever think, I found a time that Joe didn't find a way to make you smile or appreciate your job.

He loved working in bowling centers, was excellent in preparing food and organizing an event. He would figure out the problems before they happened and prepare for our success. He had an amazing ability to calm mothers down, when they had birthday parties (That is quite a talent!) and through it all he never expected credit but did these things because it was who he was. What was also amazing is how he would credit everyone else for what he did. He let us all know how special we were and when something did go wrong; he had a wit to make you smile through it all!

Yesterday was a true testament to what kind of person Joe was. The employee's paid respect to Joe and his family, but you could see in everyone's eyes that they know they are a better person for having Joe in their lives. He knew how to get the most out of you and he didn't expect any less from himself. What was also touching was to see how much he was loved and appreciated by his own family. Although we didn't get to spend much time with the Goodine family, we all witnessed their love, generosity of sharing Joe with us and we were allowed us to even see more of who Joe was and what we can all strive for.

Joe was only 42 years young, he loved life and he was a "Super Fan", of Angel's Baseball. He was passionate about Keystone Lanes and he loved each one of the staff and he will be missed. As we stated, Joe loved the Angels and I guess we have come to realize we had our own Angel. We are thankful for you passing through our doors. Thank you Joe, we're all better people because of you!

U.S.Women's Open

continued from page 1
ternationally that it will be compelling competition."

The format for the U.S. Women's Open will also slightly change in 2009. Participants will bowl three eight-game qualifying blocks over three days (Aug. 4-6) before the field is cut to the top 25 percent, who will bowl an additional 16 games on Aug. 7. The top 12 players then advance to the televised, single-game, match-play portion with the top four players receiving a first-round bye directly into the quarterfinals.

"We talked to a number of bowlers after this year's U.S. Women's Open and made changes they wanted to see," USBC Vice President of Media Pete Tredwell said. "There is now an incentive to be among the top four players after the qualifying portion concludes. This change also allows for a smoother television show as there will no longer be simultaneous matches."

The U.S. Women's Open, which has an entry fee of \$300, is open to any USBC female member and features a prize fund of \$150,000, with \$25,000 going to the champion.

An Open Letter from Chris Pilios 3rd Vice president and BVL Chairperson

COVINA—On November the ninth, a BVL tournament was held at AMF Friendly Hills Lanes. BVL stands for Bowlers to Veterans Link. An annual fund raising tournament for our California disabled veterans.

For those that turned out to bowl, a sincere thank you for your participation and loyalty.

To this date, we have donations adding up to approximately \$8,200.00. We have one more event for collections. A No-Tap Senior Tournament, date and site to be announced at a future date.

Speaking about tournaments, we are constantly being asked when we will be holding tournaments at specific centers. The answer is we don't know. We send out bid letters to all the centers here in The San Gabriel Valley. Only a couple of centers responded. One center, AMF Friendly Hills Lanes has bid for several. Contrary to popular belief, that center is in very nice shape. The lanes are very well maintained.

The divisional winners will be posted in every center.

During our visits to all the leagues, we offered raffle tickets for two baskets.

The two winners for the basket raffle were; Dianne Wackeen from AMF Friendly Hills and Margaret Arce from Brunswick West Covina Lanes. Congratulations to both.

Our association has many tournaments scheduled.

1. Dec.7, 2008...Defeat Diabetes No-Tap fund raiser.. New, started this year.

2. Dec. 14, 2008...Youth-Adult Baker's Doubles....

3. Jan. 11, 2009...Bowl for the Cure...An annual fund raiser for Susan G. Komen - Cancer Research.

4. Feb. 21-22, 2009 and Feb. 28-Mar. 1, 2009 Annual Association Tournament.

5. Mar. 7-8, 2009 Masters and Queens Tournament

6. Scheduling several Sr. no-tap tournaments...To Be Announced.

Now it is up to you the bowlers to make each and every tournament a success. Participate yourself, your team, and do ask all your friends and relatives to please join you in these tournaments. That is how we can grow as an association and have fun doing it. All the association can do is schedule and run the tournaments. You the bowler should enter and bowl your hearts out. Bowling is supposed to be fun. Let's make it that way. You can still be very competitive and have fun at the same time.

In closing, I am asking you the bowler to do your very best to help us make this the best association in California. With co-operation between us we can achieve that goal.

Thank you for your support
Chris Pilios 3rd Vice President

Inland Empire NABI Champion Kathleen Doolen

SAN BERNARDINO—Kathleen Doolen wins her 2nd. championship at Arrowhead Lanes with her Columbia 300 Rivalry, drilled by Tony Robbins at Foothill Lanes. A big thanks to Arrowhead Lanes for hosting our tournament this past Saturday.

Kathleen, along with her husband, Jim, own a DMV Registration Service which keeps Kathleen very busy. In her spare time, besides bowling, she enjoys video poker & keno. Kathleen bowls on a league at Foothill Lanes; the Tuesday Laughlin River Gamblers. She has been bowling for about 20 years, and joined NABI almost a year ago. Kathleen's highest game ever bowled was a 269 scratch, which she bowled at her sweepers in Laughlin. She would like to dedicate this championship to her husband, Jim, who supports her in her many interests.

Along with her check, Kathleen chose a beautiful NABI Champion Jacket, which will come in handy at the Orleans in Las Vegas, where she will bowl in the NABI Nationals, Tournament of Champions. Congratulations, Kathleen!

Our Beat the Board top five were as follows: (all with HDCP) Kathleen Doolen, bowling a 636 series, Bill Logan, bowling a 603 series - Kathy Reischman, bowling a 593 series, James Doolen, with a 501 series, and Jay Shackelford, bowling a 493 series.

Our sidepot winners were:
Kathleen Doolen (1 1/2), Kathy Reischman (1 1/2), Jay Shackelford (2), James Doolen, David Reischman, Bill Logan & Anthony Phillips.

Our next tournament is Sat., Nov. 22 at Riverside Lanes. See our ad in the Bowling News this week!

Bowlers Journal 95th Anniversary Issue Sensational

by Carol Mancini

NORWALK — I received my monthly issue of the Bowlers Journal (November, 2008) and took it home to read. Oh Boy! It was the 95th Anniversary Issue, 1913-2008.

I opened page one and couldn't put it down. It was amazing, the information includes: Brief history of the top 50 PBA bowlers. Interview with Nelson Burton Jr., 50 "Unforgettable Moments in PBA history". 95 "Bowling Centers you must visit". Complete PBA schedule for this season. Staff writers remembering past events.

Each page was an adventure. If you love bowling and remember the stars — this magazine is a MUST.

Just call 312-341-1110 and tell them you want a copy of the November 95th Anniversary issue. \$3.95 plus shipping and handling. Or better yet, ask for a subscription also, \$32 a year, \$44 for 2 years, \$54 for 3 years. E-mail @ lubypublishing.com

Libao Sparkles in ABTA Win at Oak Tree Lanes He Wins \$1,400 and \$900 in Perks from Our Co-Sponsor 139 Bowlers in four Squads (despite the fires)

HANDICAP IS FROZEN FOR NEXT WEEK'S BIG THANKSGIVING EVENT

DIAMOND BAR—It was just great to return to Oak Tree Lanes. We know we have some very faithful members but found out how much so. In an early event with fires ablaze all around us we still had 139 bowlers entered our One Day early event at Oak Tree Lanes. Freeways and roads were closed and more. We wish all who are affected by this disaster good luck! Many people bowled and went home and could not return to the center. Some even missed the semis after qualifying as they could not return to Oak Tree. Thank You for your unwavering support and Good Luck!

One bowler who has been a faithful ABTA Member for about 4 years is Alan Libao, of Pomona. He became our latest Champion with a stupendous performance at super Oak Tree. He won his first ABTA title the hard way, winning five straight matches in the single elim finals and finally downing the top seed Loretta Lawson in the title game to take home a tidy \$ 1,400 for the nice powerful bowling!

The scoring was good in our return to Oak Tree with Men +69 and Ladies +19 making the semi finals. Also Super Seniors added were Alvina Brown, Darwin Balding, and Art Lindsey to the board.. Alan bested a field of 139 entrants in the early four squad event which was amazing that many made it as the freeways 57/71/91 were closed and many couldn't even get there to bowl.

The semis took the floor.

They would now see who would make the top 16 Single Elim Finals including 3 guaranteed women.

A pretty newcomer Loretta Lawson was on fire as she fired a big +130 to be top seed, sit out and bowl for the title with Spencer Mc Kendall (runner up) +124 to receive a bye in the first round of the final. It took a big +40 which included 3 women to make the top 16 single elims

In round One of the finals Single elim losing out were Kathy Allen, Daniel Vasquez, Hazel Castillo, Ryan Ladwig, Vijay Velu, Marv Crowder and Robert Ricketts. They got checks of \$100. Round two Trevor Brown, Jamie Sulit, Ron Gorey and Thomas Smith lose out. They got checks for \$110 in 6th thru 9th places.

Round three saw Alan Libao, strike often take out Spencer McKendall. "Big Peter" Ruiz took out David Dittlinger 259-204. David and Spencer were 4th and 5th with Libao and Ruiz to meet for the right to bowl Loretta Lawson for the title.

This game was a great, exciting one and with clutch striking at the end, Libao, nearly as hot as the fires, won out in a 265/285-246-266 count. Peter was 3rd with very strong bowling and \$200 with Libao off to the title game vs Ms Lawson.

The title game now underway and in very close match Alan led off with a turkey. Loretta spared and answered back with three X's of her own to take a lead. Alan again

tossed X's in frames 5-6-7 to regain the lead. Loretta just couldn't find the strike line in the final frames and Alan won out in a 214/234-190/225 count and his first ABTA title in the Books. Fine Bowling Alan! You surely earned this one. Great bowling by a Most Competitive Lady, Loretta who almost got there. She held the lead til the 6th frame! Great Competitor is she! Kudos to Loretta !!

Tourney Hi Qualifiers were Spencer Mc Kendall 224 (men). The ladies were led by Kay Johnson at +92. Each of them will get a paid entry to any regular event.

The doubles were topped by Billy Chao, and Jimmy Wong with a nice 1470 and \$110. We paid 9 places and \$490 in the doubles.

The Match Game was Matched at 169 by one of our finest supporters Marty Nakunz and he happily took home a tidy \$3,020 we will have an estimated \$1,400 Match game at Bowling Square this Saturday!

The Match Series was UN-Matched at a 527. We will estimate it to be \$550 at Bowling Square for only \$2.00 entry fee.

In the 3-6-9 Roll-off Rey Javier and William Garrett (last weeks winner) couldn't eliminate one another. So they shared the \$50 Consolation. We will go for \$800 this Saturday!

Champ Alan Libao, a very respectful young man, is from Pomona and used a Legends (Lane Master) drilled by Paul

Libao Wins First ABTA Title at Oak Tree (L-R) Peter Ruiz 3rd, Ato Libao, Champions Dad, Alan Libao Champion \$1,400, (Champ's pretty Sister) Allyson, Loretta Lawson (runner up) \$500 and Spencer Mc Kendall 4th

at Chaparral Lanes. His father Ato has bowled in the ABTA and was on hand along with pretty Sister Allison who is usually with us rooting for Alan at the ABTA. He thanks all fellow bowlers in the Block Rosary, Fil-Am, and all friends and family for support! Especially Allison, who keeps him on his toes:-)

Loretta Lawson is from Riverside, and used a Hammer (Venom) drilled by Tony Robbins at Foothill Lanes. She has 3 sons, Josh, Brandon, and Stevie. She thanks Tony for the great ball drilling, and Tremaine for bowling tips, and lets not forget Janice Meloon for telling her of the ABTA:-)

Peter Ruiz hails from Riverside, and used a Columbia "Rival" drilled by Tony Rodriguez at Oak Tree. He's married to Leona with kids Kelsey, Tori and Jasmine. He thanks Tony for the fine drilling, wife and mom for baby sitting, and friends Alvina and Trevor Brown, both of who cashed at Oak Tree!

We had 12 new members at Oak Tree. First time cashers were Loretta Lawson, Peter Ruiz, Spencer Mc Kendall,

Ron Gorey, Ryan Ladwig, and a big Welcome Back to Kay Johnson, Kathy Williams, and Janice Meloon, Nancy Ber-man, and Greg Franke who cashed in his return to ABTA Action.

Thanks to the Super Oak Tree Staff esp Doc, Susie, and John for a nice job as they were just great there. We will return there on the next Schedule, etc.

It's History folks as Alan Libao enters the archives as our latest champion. This Saturday, we are hosted by Bowling Square in Arcadia in a Special HANDICAP FROZEN Event. Qualifying squads are 12:00-1:00-2:30, 4:00 & 6:00 PM and Semis at 7:45 PM.

Dom La Guardia was drawn for a shot in our New Hot Shot Pot. Any bowler who bowls in the event will have a Chance to win a drawing and shoot for some Cash, (this is free) Courtesy of the ABTA for our Members. See our ad on the adjoining page for info. Dom got \$25 for his effort and the new Pot is \$150 at Bowling Square

The following week is our Big Thanksgiving Event at CAL Bowl. It all begins Thursday, Friday Eve, and Saturday qualifying and finals at CAL. Call 562-868-7164 or see ad in the paper. Our website www.abta1.com for information. Lanes will be tough but fair for the Thanksgiving Event. Lower scores by far!

Our New Co-Sponsor, ABTA Member Dennis Stephenson is adding \$900 in perks and prizes to Our Champion Libao. This is added for our Members. Due to the fires he had to leave before the event ended so will get with Alan ASAP. Thanks from Alan, and all of the ABTA Members.

The New Schedule was mailed. So if you have a new address, get it to us ASAP!

Maez Romps to Win Donkee Tour at Valley View

GARDEN GROVE—Gentleman Ralph Maez picks up his first win since joining the club at Premier Lanes back in 2002. It was a long time coming and too many close calls to not see him come through posting a huge +194 today. Our runner up Luis could only shake his head with his +109 effort for second place. A very warm congratulation goes to Mr Maez today. Ralph was throwing a Brunswick Pro Zone drilled by Frank Bellinder of Precision Pro Shop at Premier Lanes. You can still find Frank and his team at Precision now relocated inside Saddle back Lanes.

Ralph has been bowling for about 15 years now, doesn't bowl any leagues currently. Just loves the tournament challenges. He sports personal highs of a 299 game and 670 series. When Ralph isn't bowling, he works as a sub contractor for Romo's concrete service for the past 12 years. You can contact them at 562-900-2633 for any needs necessary. Ralph's mother Lydia is extremely supportive and comes out to the events with her cheers and encouragement. She is very proud of her son's effort this week. Lydia works as a real estate agent for Century 21 in Whittier if the need should arise.

A funny story about the family puppy JJ who woke up Ralph in time today to make the last squad. So a thank you to little JJ, who will now be known as Ralph's alarm clock. A thank you to the Donkee Tour staffer for their support. Congrats on your win Ralph, may there be more to follow.

The Donkee Tour would like to thank Ann and her and the staff at Valley View Lanes for hosting this weeks event.

Our Mystery game and series were a carry over this weekend. No one hit the 153 game and 438 series Game will be worth \$700 and series \$200 at Bowlmum December 14th.

BY NICE AND SWEET

STUDIO CITY — As the leaves change into a cornucopia of colors, we offer our thanks. Not for the red, yellow and brown colors that litter our streets, yet for the excellent bowlers that we have here. We offered our hand in league friendship years ago and just like the Pilgrims, we have started a new movement. Thanks for making us the Plymouth Rock of bowling centers.

PINZ ADULTS

Listen here Pilgrims, the season may be at hand but why do you keep throwing turkeys. I mean a bird that tastes delicious...oh wait, Sweet let me know that real turkeys are not thrown down the lanes. Well, that changes my whole perspective on the game of bowling. I apologize and will take the yam sauce off the lane, I guess 3 strikes do not include stuffing. Great bowling, here's this week's scores:

Tavern Guild: Mark Peavey 238/643, Tom Whitaker 610, Naida Angarita 256/609, Tony Annibale 242/609, Doc McCoy 220, Eric Ott 220.

Twilighters: Jim Moore 248/672, Laurie Faso 233/653, Dan Coffelt 225/613, Scott Brutz 606, Robert Leman 222/604, Ron Koblin 222.

Kings and Queens: Richard Fischer 237/659, Brett Himmel 224/618, Edwin Marfil 221, Eric Erickson 212, Josh Scherr 210.

Funseekers: Chuck Alexander 259/741, Jeff Pifko 268/698, Marvin Nance 690, Dane Price 264/688, Dave Dittlinger 248/687, Gary Bailer 257.

S.C.B.L.: Michael Gurrieri 300/791, Jim Foltyn 245/711, Brian Patterson 673, Will Petrasich 279/669, Zack Sturm 663, Bob Hatch 266, Tony Laanan 246.

PINZ JUNIORS

Gobble, gobble, and gobble up the great deal that we have for each and every one of you on Wednesdays. You get 3 games, shoes, and instruction from our USBC certified coaches for only \$10; that's the whole pecan pie. Enjoy your time off but don't forget to practice. Here's the gobbly good scores:

Adult Junior: Ethan Bensinger 227/615, Brad Spector 236/532, Max Korn 512, Jamie Spector 216/511, Damond Taylor 197/507, Martin Korn 191.

Senior Scratch: Treven Goldsmith 237/858, Brittlan Halpern 258/837, Scott Englehart 244/784, Natalie Honda 215/771, Natalie Kato 213/745.

Senior Galaxies: Daniel Cohen 145/411, Mario Vargas 151/392, Billy Lander 135/389, Stirling McCulloch 131/363, Jonathan Berk 162/350.

Junior Stars: Nicole Martinez 154/387.

Pee Wee Bumpers: Kayla Arriaga 82/145, Samantha Vargas 76/144, Steven Santiago 13/136.

PINZ SENIORS/LADIES

Some say turkey neck or turkey-ish about the why you bowl and certainly not about your physicality. You have to realize that if you keep bowling three strikes you will get these calls. Yet, bowl a few "hambones" (4 strikes) and we can start saying, "carve us up a piece". Great bowling, here's the scores:

Happy Timers: Gary Olsen 204/497, Sam Marion 188/489, Ruth Swick 155/429, Yolanda Dragotta 154/391.

Breakfast Club: Myrna Schiffman 181/524, Bernie Filosa 199/521, Christine Stark 177/497, Elaine Vanoff 439, Barbara Nicola 167/433, Charlene Gaffney 178, Donna Klein 167.

Coffee and Donuts: Hildegard Miller 179/486, Arleen Wiener 173/475, Christine Stark 467, Charlene Gaffney 179/459, Elayne Klein 445, Pauline Lipin 176, Karen Wolkoff 172.

Joslyn Seniors: Sol Stein 215/578, Gary Olsen 214/566, Teri Bonato 151/429, Lillian Kleinman 414, Betty Dushkin 160.

Senior Social: Gary Olsen 209/546, Charlene Gaffney 179/504, Christine Stark 478, Art Michener 179/474, Teri Bonato 178/451, Joel Margolis 187.

Bowler of the Week: How about a weekend at Bernie's? Not the award winning movie but the terrific bowler who continues to bowl games as if she had other people helping. Sarcastically enough she has risen the dead by bowling a 199 game during Breakfast Club. Great bowling Bernie and we hope to include you in our sequel.

Sweetness Joke of the Week: "Two muffins are sitting in a hot oven. One muffin looks to the other and says, "It's hot in here". The other muffin looks at him and says, "Egads. A talking muffin". Contributed by the great Ryan Boss N Cowen.

The Changing Face of Bowling

by Mary Lynly

After nearly 80 years of structured bowling respect for rules and association accountability, membership and league bowling began a downturn around 1980. In the next ten years 1,327,483 members were lost and it was the beginning of a consistent drop in membership and it got everyone's attention.

The parent organizations, The Women's International Bowling Congress and American Bowling Congress, tried numerous ways to find an answer to stemming the tide including hiring consultants and numerous mind altering seminars. Employees who did not get with the program were gone. Everyone pretty much agreed that change was needed but no one expected to have the rug jerked out from under them.

In the over-zealous effort to make repairs the long-time local and state dedicated movers and shakers were seen as the problem and the parent organization felt the need to take a control they felt they had lost. The grass roots were told that the great bowling congresses were not special and were just like any other non-profit organization. It went something like this – purge the old guard, purge rules and bylaws, save money by forcing the grass roots leaders to live by the national website, give them a bowling magazine and push for consolidation - which soon became "merger."

Affiliated local and state bowling associations were used to being part of the legislating process so the fight to accomplish these goals was taken to the delegates at convention, in their states and in local association areas. With "change" one thing has never changed – it's not what you do but how you do it that makes the difference.

After being rejected once the WIBC, ABC and Young American Bowling Alliance (YABA) finally merged and the heat was on to get states and locals to do the same. The ultimate goal was to get many associations to merge into one BIG association and have maybe just two for large states like California – North and South.

As the new bylaws were constructed and submitted to the delegates there were many bones of contention but it was clear that rules would be watered (too cumbersome,) nominating committees could literally run an association (control)and voting for top leaders would be taken out of the hands of the electorate. We were told that after the proposal was voted on there would be NO changes. Because of the uproar over some of these changes, some were made but in the end the new organization would pretty much have their way.

While unrest, chaos and contention over leadership were festering in the associations the new organization "United States Bowling Congress" (USBC) made it clear in their many visits they were not concerned about membership loss. It seemed this was really what this whole thing was about in the first place. USBC had other methods of growth in mind – increase visibility, promote competitive bowling (the elite bowler and Pros) and boost youth bowling with a goal of retention.

Field Reps were let go, communication was poor unless you wanted to go on Bowl.com – the official USBC website. Awards

were diminished in quality and as the connection with the parent organization became less visible, bowlers and associations began to ask why they should belong to this once revered organization. A long time goal of separating the convention and tournament to different cities became a reality requiring bowling leaders to make two or more trips if they wanted to attend these events.

States and local associations were urged to merge and some did and some did not. Pressure and deadlines to commit pushed them to climb on board. Contentious leaders vied for top positions banking on the new system to put them in charge and boards played musical chairs. Detail oriented women were disenchanted with the over-simplified leadership of men who became leaders of this new mixed group had no idea how to even run a meeting.

Organizations that merged or affiliated were ordered to divest themselves of their assets leaving only "start-up" monies. They could donate it to the charity of their choice or give it to the new organization. State dues were cut to \$1.00.

The USBC leaders were still not concerned about membership loss which was plummeting. USBC now has a male leader who is also a proprietor. Following an initial board that was a mix of members from WIBC/ABC/YABA the board also has been purged and is now somewhat "hand picked" according to member attributes – many not having served in a local or state organization situation.

Enter the Bowling Proprietors of America (BPAA.) A move had been going on for some time to bring their proprietors on board and provide a business advantage and educational tools for them. Bowl Expo, the BPAA Convention and Trade Show, invited proprietors to come together in one place and avail themselves of these tools. BPAA also worked closely with USBC in trying to bring bowling integers together in close proximity. Some heads rolled and after much examination and research ideas began to come to fruition. The USBC and The National Bowling Hall of Fame and Museum will join the BPAA in Arlington, Texas in November and move into a new " International Bowling Campus" that will offer an advanced technology 20 lane bowling center with different lane surfaces and different machines for research purposes and education and coaching will also be available. USBC will divest themselves of their headquarters when feasible and the NBHFM building in St. Louis, Missouri as well.

This coming together will offer savings in promotion, education and service to bowling. With the tough economic climate looming, bowling leaders are finally admitting that membership loss is a concern. Open play is stagnate and other "funny bowling" is losing its charm and sports leagues are iffy. State and local tournament participation has dropped drastically. Remember that "Old Guard?" They are the ones who put all those tournament teams together. BPAA feels they must protect the competitive aspect of bowling if they are to survive.

This is a story of what can happen with "blind" change and not being sure where the path will lead or what kind of devastation it will leave in its path. Will the pride in belonging and joy of meeting friends at "Nationals" ever return? Who knows?

Technology has changed drastically. This is a good thing but questionable. After creating an impossible problem with scoring, all of a sudden it has to stop and lane conditions are crazy. How will this even out? Who knows, but it is discouraging to

those loyalists who keep coming back each week hoping they can find a line. The average bowler doesn't have an arsenal of bowling balls to handle each lane condition and they are certainly not savvy enough to know how to use them if they had them.

An encouraging aspect is groups like the 500 and 600 Clubs are going strong as well as the California Bowling Writers and a variety of independent tournaments and I presume this is true elsewhere. We do NEED to be connected. After being the adhesive of the bowling organizations for nearly 80 years for women and 100 for men this is important to the very reason we want to belong.

Bowling centers are being renovated and upgraded and there are new ones with new concepts. This is a good thing. I feel bowling has a frown on its face right now but there seems to be a good vision for the future and hopefully there will be a smile one of these years.

Can we learn from our mistakes? Let's not forget how we got here. Yes, the Face of Bowling is changing.
