Back Injury Forces Barnes To Drop Out Of USBC Masters

GREENDALE, Wis.—In his professional career, Chris Barnes of Flower Mound, Texas, has never withdrawn from an event after taking to the lanes. On Wednesday, he made the tough decision to end his run in the United States Bowling Congress Masters.

Barnes, a six-time winner on the Denny's PBA Tour and the spokesperson for USBC Sport Bowling, came into the week with a back injury and as the tournament progressed it slowly got to the point where he could no longer compete.

"I don't really know exactly how it started," Barnes said. "I had some pain when I got here Sunday. I practiced three times that day to try and work it out. I went and worked out, did my exercises and normally that makes it go away."

When the pain didn't go away, Barnes tried to continue but games of 233 and 164 Wednesday he decided to call it quits. He started the day in 234th place at 987.

"It's disappointing because I take great pride in my record in the Masters," he said. "I don't think there's ever a good time for this to happen, but I certainly wouldn't want it to happen this week. But I take solace in the fact that my wife is kicking butt halfway around the world. I'll ride the wave that she's created."

Barnes, whose wife Lynda currently leads the QubicaAMF World Cup in Ljubljana, Slovenia, will take some time to evaluate his injury and determine the next course of action.

"If there's a silver lining, it's that this tournament starts early, and I can get the problem located and worked out so next week things are OK," Barnes said. "I've never had any back issues, so I'm not sure how it will work."

The USBC Masters is the sport's most prestigious event, drawing nearly 500 of the world's best professional and amateur bowlers who are competing for an estimated prize fund of \$350,000.

New Executive Director For Southern California Proprietors Group

RIVERSIDE—The report from the NorCal and Southern Cal proprietor retreat, which concluded yesterday, is that the BOWLING CENTERS OF SOUTHERN CALIFORNIA has hired a replacement executive director in Bill Wallbrecher.

Bill is retired from financing and had been a PBA member for 25 years as a hobby. He is a financial wizard and excellent administrator who knows bowling. He replaces the popular Jason Altman who left to operate two bowling centers.

Scroggins Superior in Victory

MILWAUKEE, WI—Mike Scroggins notched the biggest win of his career, defeating 22-time Denny's PBA Tour winner Norm Duke, 245-238, in the title match of the 2005 USBC Masters Sunday at U.S. Cellular Arena.

Scroggins, who earned the \$100,000 top prize and a two-season Denny's PBA Tour exemption, got off to a strong start in the title match, striking in frames 2-8. He left a 7-10 split in the 9th frame, however, which let Duke back in the game.

Duke, looking for his third career major title, struck on five straight shots, including a double in the 10th, forcing Scroggins to mark. The left-hander responded by converting the 6-pin in the 10th to clinch his first career major win on Tour.

"Sometimes it's harder to get a mark (in the 10th) rather than having to strike on your first shot," said Scroggins (Amarillo, Texas). "Sometimes you get up there and get tentative...you need to throw an aggressive shot."

Duke, who entered the day as the top seed and lone right-hander in the stepladder finals, had averaged 240.66 in 36 previous title match appearances.

Scroggins advanced to the title match by defeating Art Brown in the semifinal, 240-202. Scroggins was down early but capitalized on Brown's open 6th frame by striking on his final six shots.

Against Brown, Scroggins needed to convert three single-pin spares before switching to a Brunswick Strike Zone in the 7th frame.

Brown defeated Ken Muscato (Canandaigua, N.Y.), 201-180 in the day's opening match. Brown managed a clean game while Muscato opened twice in the match.

Duke (Clermont, Fla.) earned \$50,000 for his 2nd place finish while Brown (Lansing, Mich.) earned \$25,000 for 3rd and Muscato won \$15,000 for 4th.

The Denny's PBA Tour moves to Vernon Hills, Ill., for the 2005 Chicago Classic Nov. 23-27 at Hawthorn Lanes. The nationally televised ESPN finals take place Sunday, Nov. 27 at 1 p.m. EST.

Brag, Brag, Brag But It Takes More

LAKEWOOD — Cal Bowl's monthly Bragging Rights Tournament will run Saturday, November 26th at 1:00 p.m.

As usual, first place is guaranteed at \$500, but could pay more, this being a holiday weekend and a few calories to work off.

The T.V. style rolloff for the five top qualifiers will be bowled against the famous gold pins. Quite a sight. And it ain't easy. Guess winning shouldn't be easy!

Everyone bowls scratch, everyone signs in by 12:30 p.m. and everyone pays \$40. Side action is optional.

All bowlers know that Cal Bowl is located at 2500 East Carson. Between the 710 and 605 freeways. In case you get lost the number is 562-421-8448, or save the Directory in this paper for all centers.

RANDY SALAZAR WINS \$1,000 ANGEL WEST DEAF CLASSIC

by Connie Marchione

With thanks to Ed Abakumoff who relayed the results for this story.

FULLERTON—Randy Salazar who carries 148 book average rolled his career highest 4 games series of 771 plus his hefty handicap of 236 for 1007 to capture the \$1000 guaranteed first place prize in Angel West Deaf Classic held at AMF Carter Bowl. Salazar, Whittier entered in the 6 PM last squad and started with a 198, dipped to a 146 and rallied to finish with 194-233 for the largest bowling prize of his life.

According to Abakumoff, who himself placed second with 1001 total, Joyce Roles came from San Diego to bowl on the 12 Noon first squad and led with 942. Roles had games of 165-203-180-162 for 710 plus 232 handicap in her 942 which cashed in 4th place. Pablo Yoma, Corona on the 4 PM squad had 224-192-193-241 for 850 plus 104. 954 which ended in 3rd.

Abakumoff, Riverside had high scratch series of 985 from games of 260-278-213-234 along with 16 handicap received \$425.00 for 2nd place because the event drew only 21 entries on account of its high \$105.00 entry fee. But the event allowed a re-entry at \$15.00 if you trash your first score.

Yoma received \$220.00 for third and the woman Roles \$165.00 for 4th. Another San Diegan Stephen Sinatra took 5th place \$125.00 with his 925 (246-192-175-188 plus 124). The last 6th place \$91.00 went to Jack Sickinger, Long Beach for his (692 plus 228) 920.

Honorable mention went to a young entrant, Kevin Sepma, La Puente for his tournament high game 288 in his 800 series but his total with handicap 864 was out of money.

Last year's similar tournament also drew small entries and was won by Daniel Vasquez's wife also with a hefty handicap.

On the Wednesday prior to his above mentioned 965 series, rolled a 290 game in his Wednesday night league. He will get another 11 in Row plaque from USBC to add to several he already collected.

Citrus Belt To Conduct BVL Tourney

December 3rd and 4th

by Frank Weiler

The women of the Citrus Belt USBC Association will conduct their annual BVL Tourney to benefit our disabled military veterans, on Saturday and Sunday December 3rd and 4th. The tourney will be held at Victor Bowl, located at 12277 Mariposa Road in Victorville. Squad times are 9AM, noon, and 3PM both days.

There is no limit to the number of squads you may enter. You may bowl one squad or all the squads. Reservations are not necessary. You may walk-in thirty to forty minutes before a squads start time and bowl.

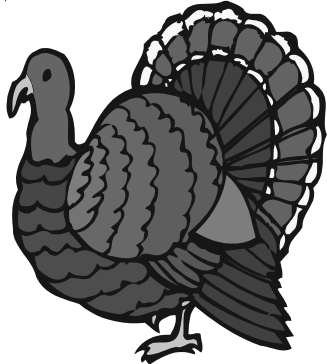

The cost of bowling is twelve dollars per squad plus a one time dollar registration fee.

The old Citrus Belt Women's Bowling Association sponsored an annual BVL Tourney for years. Now these same women will continue this tradition as members of the newly unified Citrus Belt USBC Association.

Over the years, the lady bowlers of California have raised millions of dollars at BVL events for our disabled veterans. These dollars have been used to provide cash grants, transportation vehicles, sports equipment, and rehabilitation equipment for our veterans. Many cash grants were used to support wheelchair games, golden age games, winter sports clinics, and creative arts programs.

As part of this years events, state bowling leaders recently joined Citrus Belt bowling officials Lee Fitzgerald, Phosie Lotse, and Robert Johnson visiting local veterans facilities with gifts and grants.

Jill King is chairperson of this years Citrus Belt BVL Tourney. For more information phone the local Citrus Belt office at (909) 381-4599.

LAS VEGAS TRAVEL LEAGUE
By Alice Meglemre

SEAL BEACH—Prior to bowling Monday, at Brunswick Rossmoor Bowl, members of the Las Vegas league thanked Cassie, Natha and Virginia for years of friendship and great service at the 32-lane center. This would be our last bowling session there because Rossmoor will become another victim of redevelopment when the bowling emporium closes in 2006. Although Brunswick tried to find a site to relocate, after losing their lease at Rossmoor shopping center, they could not and so bowling must suffer another loss to our ten pin sport.

Jamie Vallier led the final honor roll at Rossmoor with 215-548, followed by Betty Klemin 236-547 and her high game eclipsed Sue McGill's 235 in the 156 and over division. Doris Lewis had 539, Berneice King 205-529, Margo McClain (not Martin) 529, Pris Mauricio 523, Roberta McNaught 509 and Alberta Stoute 502. Joan Roper's knee replacement last week went well and she now begins a couple of months of rehabilitation. All others on medical sick leave are recovering and hope to return to bowling soon.

Cal Bowl B still tops league standings with 32.2. followed by Rossmoor B and Del Rio A teams, tied at 29, Del Rio A, 26.2; Cal E, 25; Keystone B 24; Westminster B 23.2, Del Rio B, 22; Cal A, 21 and Linbrook Bowl 20.2.

League members approved the annual BVL donation which continued it's record of 48 years to donate 100 per cent. Also, entry forms are now available for the OCUSBC annual tournament. More later about dates and sites of the team, doubles and singles events.

We regret closing the column this week with the news that Gloryetta Brown's husband passed away, following a long illness, and league members extend condolences to the family.

NEXT WEEK; Linbrook Bowl, 10 a.m. Monday November 21.

Stogryn 809 Beats Rodgers 803 In Deaf Travel at Del Rio

by Connie Marchione

DOWNEY—So. California Deaf Traveling Trios league set a new high at one of its favorite centers, Del Rio Lanes with 11 of its 17 bowlers on the honor roll. No big scores but five out of its 6 teams hit 2000 and better team series, led by S. F. Valley’s new season high team series, 2212 replacing Riverside’s 2129. Three other teams rolled their best series.

For the first time in two months Darrell Stogryn led the honor roll with a 809 as he broke his nine 200-less game famine, starting off with a 233 followed with 189-190-197. It was not easy as he was matched against fearless Gardy Rodgers, a 172 average bowler who showed no fear and made Stogryn work hard. Stogryn outdueled Rodgers who rolled 803 with 202-216-191-194.

Stogryn’s El Camino Village with help of Paul Taffolla’s 204/709 won 12.5 points from Rodgers’ Los Angeles which had Andy Lorenzo with 725. Village hit its best 2110 series as did Los Angeles with 2088.

Bob Jones came three pins short of his 4th 800 as he ended up with a 797 from 188-185-206-218. Along with John Sherwood’s 635 and sub Joe Weiss’ 780 (180-177-231-192) who subbed for Jim Mohr, Jones’ S F Valley scored 505-541-567-599 for its high 2212 total. Weiss subbed for absent Jim Mohr. Valley beat 2nd place Riverside (2076) 16.5 to 3.5 and moved back to 2nd place. Ed Abakumoff shot 216-205/745 and Robert Audette 211/737 for Riverside.

League leader South Bay retained first place with 17.5 points win over Hollywood whose star bowler Dan Flores was absent with illness. Connie Marchione led South Bay with 203/735, Pablo Yoma 713 and Don Millwee 213/708 in South Bay’s 2156 which also broke the old season high series.

The league thanks Del Rio Manager Mike Cammarata and his staff for hosting with excellent lane conditioning. This scratch league moves on to Brunswick West Covina Lanes this Sunday at 1 PM for its 2nd position round. Leader South Bay with 8 points leadwill take on S. F. Valley for the third time this season. El Camino Village tackles Riverside and Hollywood goes against Los Angeles.

BOB BERGAN HITS 299 IN ANGEL WEST LEAGUE AT THE CONCOURSE LANES

ORANGE—Gardy Rodgers informed that on Sunday Nov. 6 Bob Bergan nearly rolled a perfect game in the Angel West Deaf League at the Concourse. The lefty left a 7 pin on his 12th ball for a 299 game which is the highest game in Angel West league’s 30-something history.

So far this season two deaf bowlers came almost perfect which are records in two deaf leagues. As previously reported here Francisco Navarro had hit one in the Downey Deaf at Keystone Lanes.

Attempts to find out what were Bergan’s series and which game it was made in failed.

Notice Of Death

Arvert “Alex” Potts

INGLEWOOD — Anita Marie Potts, wife of Alex Potts, notified the Bowling News of her husband’s passing on November 13, 2005.

Alex, a bowler for 60 years, had a massive stroke at Fountain Bowl, where he bowled his leagues. Two nurses were in the bowl; they tried C.P.R. while waiting for the paramedics. But he was gone.

Alex “82” and Anita had been married for 24 years. His only hobby and strong interest was his bowling.

His “Home Coming” was held November 22, 2005 at Inglepark Mortuary.

Alex is survived by 15 children. His huge family of nieces, nephews, and grandchildren joined a large crowd of friends to bid him farewell.

MAIL BAG

ToWhom It May Concern:

I am 84 and bowl three times a week at Matador Bowl in Northridge, in the San Fernando Valley.

Two weeks ago I was the last bowler in a game that consisted of four to a team. My team was losing by a lot and, in the tenth frame, I struck out with four strikes to tie the game.

One week later, also on a Friday, the same thing happened. I was the last bowler, bowling another team, and in the last frame, losing by a lot, I struck out with four strikes and tied the game. I am not a 180/190 bowler but average in the 160s.

What are the odds of that happening?

Sincerely,
Bill Fleishman

Instruction to Help Raise Your Scores

A Day Late and a Dollar Short

The late, great Bob Summerville was born in October. Since this was intended as a birthday recognition, I should have gotten it in last month. But I didn't forget him. I did mention some of the things which made him so important to bowling, as part of my October article.

Actually, there are several additional items Summerville should be recognized for. One is the abiding interest he had in helping increase bowling's continually declining league membership numbers, which run in the millions.

This subject is more than important...it is critical...to the future success of bowling.

I bring this up because recently, USOC president Roger Dalkin, in the fall issue of the US Bowler, offered up his ideas. "Coaching is the key" is a quote from that article. In this context, President Dalkin refers especially to increasing the availability of coaching for high school and college students, as well as other youths.

I wholeheartedly agree with this concept. Any opportunity to increase an interest in our sport among the youth of America can have nothing but long term positive effects.

I might mention however, that there a number of additional points Mr. Dalkin didn't mention. Several others agree with me. For instance, Frank Kietz, a long recognized expert and writer about bowling, was recently published in a number of bowling newspapers on this subject.

Kietz writes (and I'm paraphrasing), that if coaching were the key, the millions of league bowlers we have lost would still be bowling, filling the numerous centers which have recently closed. To this I add that today there are more certified coaches than ever before. So where are the league bowlers?

Where does Bob Summeville fit into this picture? After all, isn't he the one who came up with the concept for "Bowling This Month" magazine, a publication dedicated to coaching and instruction?"

True. However, Summerville knew that if BTM became successful, then at least the number of serious league and tournament bowlers would increase, instead of being lost along with the "social" league bowlers. The figures prove him right.

I mention this because in some of our talks, his stated opinion was that the key would be to recognize that the majority of league bowlers are social bowlers, who do it for fun. Most wouldn't take lessons, even if they were free. In fact, free coaching has been offered by at least one big center chain, with few takers.

So they started birthday parties for kids, colored light bowling with loud music, which does bring in money. With this I agree. If kids get used to coming into a center, maybe they'll keep coming when they grow up.

However, Summerville's ideas ran along similar lines to those of Kietz...ideas such as paid marketeers, more volunteers, courteous, friendly and knowledgeable counter people, phone numbers of eligible bowlers from past league average books, association and proprietor cooperation such as league bowler discounts, prize/trip league formations, advertising, etc.

Here I can report a small but successfully growing beginning. At least one major corporation is doing well with some of Sumerville's and Kietz's ideas. They are actually building and filling new centers with such tactics, as well as buying up centers and rebuilding league attendance in the above mentioned way. Of 31 centers in our fifth largest city, the busiest center has been and is continuing to successfully use these tactics...much more so than coaching.

The result? Increased league membership.

Congratulations, Bob Summerville and Frank Kietz! Your ideas are proving to be true.

Bob Allender (on the left) was helping with the State Doubles Tournament at AMF Sierra Lanes. For 3 weeks Bob complained to General Manager Craig Gabriel about a broken toilet seat. And Bob, being a maintenance contractor, couldn't stand it. He drove to "Home Depot" and presented Craig with a remembrance.

Van Gaston On Top & Bottom In Week 3?

by Randy Myers

We finally got more than one bowler over the 600 barrier as 9 bowlers managed to average over 200 on the night, with one bowler, Leonard Ruiz Jr., breaking 200 each game. David Van Gaston led the league with a Round High 643 series but was unable to lead his team to its first Round 2 win. Similar to what Cub fans around the world say, "There's always next week!"

"A" division has a new leader again this week as Erickson's Food swept past G.H.C. 5-0 behind the strong bowling of Jason Buenviaje 222/615. Mr. Invincible, Vince Wood led G.H.C. with 559. Freek Racing will take on Erickson's next week as they remained in 2nd place taking 3 of 5 from Team 26. Charlie Kinstler 228/606 and Paul Barraco 235/596 led Freek Racing while Jeff Carr 552 and Scott Filipi 550 were high for Team 26. Jon Brandon "IRON" was sizzling Monday as he came through big with 225/638 and got help from Larry Campbell 226/597 in sweeping Team 6 5-0. Billy Myers Jr.210/611 bowled well but was unable to help his Team 6 to a win. Western Pacific moved into contention by defeating Linder Insurance 4-1 with Jack Price 230/566 and Javier Hernandez 572 leading the way. Harry Wong Jr. stroked 200/621 to lead Linder to their lone win. Threadworks pulled within 4 points of the Round lead by beating Team 19 4-1. Anthony Carlton Jr. 227/225/609 sewed up the big win for Threadworks while Jeff "Spins" Garrison 208/583 led Team 19 to a 3rd game win. Forest Lanes used a consistent team effort to sweep the still winless J.C. Spas team despite league leader David Van Gaston's 643. Team 23 defeated Prudential Real Estate 3-2 as Danny Cobbs fired 215 in Game 3 to pull out the all-important Team Totals. Danny also started with 225 before napping in game 2, but Prudential did just enough to win by 9 and 3 pins to start the match.

On Side "B", Tangeo.com finally met their match and struggled in winning only 1 game as Reback's Plumbing took over 1st place with a 4-1 win. John Mongillo 211/582 led Reback's while Alex Cheesman 211/571 nearly matched him for TANGEO.com. Family Amusement lost game one, but then pulled the plug on Clyde's Video Games in winning 4-1. Frank Bellinder 571 and Jeff White 565 led a solid team effort for Family Amusement to move into a 2nd place tie. Gary Gladstone stroked a huge 224 in Game 3 to lead Pro Approach – Downey to their lone win from OVERBOOST.com who took the match

4-1. Gary finished with 551, Bill Talbot 557, and Scott Norton led OVERBOOST with 552. Boulevard Brakes blasted MONEYNET Residential Loans 5-0 by firing the 2nd highest team series for the night with 2265. Boulevard also had the highest game for the round with 813 in Game 2 behind the huge 242 by Greg Neuer. Missy Bellinder outdid Father Frank by rolling 222/618 to lead the winners. J.C. Craine had 557, Greg Neuer 549, and Manager Mike Cammarata was low man, but with a very respectable 547. Alonzo Lemons 212/592 & Vernon Adams with 210/568 were tops for MoneyNet. Pro Approach – Lakewood swept past Team 1 to move into 6th place and will take on Boulevard Brakes next week. Greg Jackson 213, Brian Main 209, and Emerson Wafer 203 managed deuce for the winners. Team 17 finally managed to get in the win column by winning 4 of 5 and will match up with MoneyNet next week. Leonard Ruiz Jr. was brilliant in rolling a consistent 203/209/213 for 625.

Game 1 was a tie between Greg Jackson and Harry Wong Jr. with 213 to split the pot. Greg Neuer made the right ball change and stroked 7 straight on his way to his fine 242 2nd game. Harry Wong Jr. cashed again for 2nd with 220. Game 3 was close, and thankfully a missed 10 pin didn't cost Missy Bellinder as she held on for 222 and win Game 3 and SUPER Pots. Jeff "Spins" Garrison snuck in for 2nd with 196. Leonard Ruiz Jr. collected the Series Pot with his 625. Congratulations to all the Side Pot winners!

Finally my theory is fulfilled and we got some much better efforts. Only a couple of people struggled mightily in not breaking 400, and no one managed to stay in double digits. Congrats to all! Next week will be the half way point for the Round, so each side is still up for grabs as 8 teams remain within 5 points with 5 weeks to go. There's lots of bowling to be done yet. With all the excitement on the lanes, you may have missed MINNY's late FG in defeating Green Bay Monday night, but DON'T miss next week's showdown between perennial powers PITTSBURGH and INDY. The COLTS are looking to go stay undefeated, but will need to penetrate the STEEL CURTAIN defense. Come on down to DEL RIO in Downey and watch it all on the HUGE screen, and then come watch the pins fly. Thanks again for checking in! One more thing.. has a team ever gone 0-20 in the Brunswick?.. Check in next week and find out.

EYE ON ENTERTAINMENT

by Ken DelConte

LOS ANGELES — Looks like the Year of the Bio in films. We've had CINDERELLA MAN (about boxer Braddock), Ron Howard's wonderful film starring Russell Crowe and Rene Zellweger as husband-wife, and a possible Best Supporting Actor for Paul Giamatti as the fight manager. There is CAPOTE with a terrific performance by Philip Seymour Hoffman as the effete writer of the great novel in COLD BLOOD...and a Best Supporting Actress in Catherine Keener as Harper Lee.

My favorite Bio-film is George Clooney's GOOD NIGHT AND GOOD LUCK with the great David Straithern as Edward R. Murrow. Best Picture nominee beyond a doubt. Historians will love this film.

Then with the bio WALK THE LINE with Joaquin Phoenix as Johnny Cash and Reese Witherspoon as June Carter, we'll see more bio-pictures in the future.

My surprise film of the year is a Chinese film titled BALZAC AND THE LITTLE CHINESE SEAMSTRESS. Beautiful. Poetic. A young dentist and a violinist are sent to a mountain village in the years of Mao. They change the simple country-people and are changed in return. Plus they both fall in love with the darling seamstress. When they leave the town, they both become famous — doctor and musician. Twenty years later, they return to see what happened to the seamstress. A very touching movie.

A Spanish film INNOCENT VOICES is also a must-see. In El Salvador when young boys are conscripted into the Army, a mother tries to protect her son — this moving movie is powerful.

Other films I recommend: SERENITY — which I describe as "Star Wars on Acid." It has one of the most outstanding female characters in years. Awesome.

KISS KISS BANG BANG is the most original film of the year. Snappy dialog, clever plot twists and the oddest buddy-cop film on record.

Recently saw ZATHURA — instant classic. Better than JUMANJI. The father-son Dynamic is presented within a clever Twilight Zone story with a surprise ending.

Last, do not miss THE CONSTANT GARDENER, a very different Murder mystery with great Music and Editing.

More later. Keep the popcorn hot.

JAT Farm Club

by David Gordon
WESTMINSTER—Hello there from Westminster Lanes, site of the most recent tournament for the JAT Farm Club. We had a very good turnout of 36 bowlers on a bright Sunday morning. We thank the management and staff for all of the accommodations for the weekend. The qualifying scores were a little rough, with no-one really dominating the lane conditions. The high bowler for the round was Juan Vazquez with 245-253 and led after five games at plus 45. Other reportable scores came in from Mark Curtis 245, Ryan Simonion 243, Sadia Ward 241-226, Natalie Jimenez 238, Albert Fernandez 236, Robert Mayo 221-225, Brandon Pekins 225, Richard Brown 223, Greyson Alman 223, Aaron Steinberg 222, Darren Pascual 221 and Evan Robert 221. The cut for the 16th spot to advance came in at minus 93. Match play held much of the same for scoring as most had one or two pairs that seemed tougher than the rest. Big postings saw Brown 257, Deanna Carrillo 252, Mayo 246, Fernandez 235-223, Jimenez 231, Curtis 230, Vazquez 227 and Ward 222. The biggest movement came from Brown

jumping seven positions to end the tournament in the eighth spot. Then it was on to the finals as 5th seed Jimenez (+30) tried to go back-to-back tournament titles. She faced off with 4th seed Carrillo (+54) advanced with a 180-159 win. Now Jimenez faced 3rd seed Vazquez (+106) who had a very good game of 231. However, Jimenez put up the tournament high game with a 279 to continue her climb. In the next match against 2nd seed Curtis (+108) though, Jimenez could have used a couple of those strikes from the match before. A very tight match left Curtis to advance 182-180 and on to the final match. Here Curtis faced the tournament leader Mayo (+198) and together they fought it out to the last frame. In the end, making his trip worthwhile from Bakersfield, Mayo had his first title 188-181 and a big congratulations Robert. Bowlers, we will resume our tournament play on December 4th at Action Lanes in El Monte. The check-in will start at 7:15 am, with bowling scheduled to begin at 8:00. Please be on time. Have a very Happy Thanksgiving, practice off all of that food and I'll see you (a few pounds heavier) on the 3rd of December.

(l-r): Natalie Jimenez - 3rd; Robert Mayo - 1st; Mark Curtis - 2nd

SED Jr. Travel

by David Gordon
WESTMINSTER - SED Jr. Travel, where highs scoring just keeps on coming. This past Saturday, the troop visited Westminster Lanes with some excellent opportunities to raise the bar a little. And I guess the guys took offense to being beaten out by a girl the week before, as they turned it up a notch. Today we have three clubs to report on. First up is the 900 club, leading off with Brian Gonzales putting up 219-299-224/922. Joining Brian in this elite club is J.R. Monteith with a nice set of 213-233-243-230/919. Way to go gentlemen. For 800's we have Marquis Brooks 210-215-236/839 and Bryan Osborne 224-217-201/835 showing us how to do it. And for the other reportable scoring we have James Hawkins 224-214/793, Eric Milne 228-222/788, Michael Gaylor 239/772, Javier Hernandez 210/760, Ryan Aguilar 209-204/730, Deanna Carrillo 212/729, Albert Fernandez 200/725, J.D. Pelow 206/709, Allie Ijams 241/704, Reggie Brown 208 and Susy Monteith 204. After ten session, the team leaders are Git-R-Done (Pelow/Osborne) at 139.5, Ringers (Aguilar/Gonzales) 135.5 and Chicken Pot Pie (Gaylor/Milne) 118. The season highs to date are: team series Ringers 1807, team game Young Guns (Hawkins/Eddie Sayles) 502, boys series Pelow 994, boys game Gonzales 299, girls series Carrillo 882 and girls game Ijams 265. My Christmas wish is to add a new 1000 club soon. You can make it happen. Our next session will be on December 3rd at AMF Friendly Hills Lanes in Whittier. This is a second chance for those who bowl JAT and didn't fair so well. Get in your practice and turkey, have a Happy Thanksgiving and a safe weekend, and I'll see you soon.

Girls Jr. All-Stars

by David Gordon
WESTMINSTER—Welcome to the Girls Jr. All-Stars weekly update, where this past Sunday the ladies headed south to Westminster Lanes. The lanes were pretty beaten up by the earlier tournament, but the girls made the best of it. First though, I have a correction to last week's article. For Melissa Pena's scores at AMF Beverly Lanes, I should have reported a posting of 225-211-210/809. A big difference than the 225-221/730 I reported for her. I'm glad the articles are being read. It's good for the newspaper and my ego. Now for this week's session, we found Deanna Carrillo leading the way with a 205-214-211/787. Very nice shooting. Other highs came in from Tabetha Reynolds 214/752, Mariel Benitez 203/717 (pre-bowled) and Melissa Pena 202. The team standings after nine sessions is Edison Sports Club (Jillian Gaddison and Pena) on top with 114 points. Close behind is Bruns. West Covina Lanes (Jilian Zlateff and Carrillo) with 101, followed by Keystone Lanes (Lindsay Hannasch and Reynolds) with 82 and last years champions Bowling News (Annabel Osberg and Benitez) with 81. Watch out for BN as they always come on strong in the second half of the season. Our current highs are team series - Bowing News (1554) (see I told you), team game - West Covina (456), individual series - Osberg (845) and individual game - Pena (244). That leaves a lot of room on top for the taking as once through the holidays, things will start heating up. Our next session will be at Action Lanes in El Monte on December 4th. Start time is set for 2:00 pm. Remember this session will again follow a JAT tournament, so bring in those polished - straight-throwing balls. Also, get in some practice right after a party or two.

SFVYBA, Secretary
WINNETKA — I'd like to thank Gene, Barry and Canoga Park Bowl for hosting our San Fernando Valley Youth Bowling Association's 500/600/700 Club Tournaments held on November 3, 2005. Hope everyone had a good time. There was a good representation of centers. \$1,465 of scholarships were issued. There were some close matches in the rolloff and a big game by Brittlan Halpern, Lower 600 Club. In the championship match he had the first nine. A 10-pin in the 10th frame, "274". Get your teams ready for City and State Tournaments. Next board meeting is Saturday, November 19th at 2:00 p.m. at Mission Hills Bowl. Keep the ball rolling.

Roger Romero Pockets \$1,400
For His 2nd Donkee Tour Win

TORRANCE—First of all a big thanks to Bowl-O-Drome Manager Ron Peters for all his help. Thanks Ron. We had a nice tournament. Looks like Beat the board is popular. Hope to again see you all at Bowl-O-Drome Sunday Dec. 4th as we have a repeat tournament. First squad is 10:30AM. Last squad at 3:00PM. Somewhere along the line signals got crossed on my schedule. New schedules are being sent out this coming week.

Congratulations go to our senior Donkee gentleman Roger Romero on his second Donkee Championship. His first was in July of 2004 at Action Lanes in El Monte.. For his second win this week at Bowl-O-Drome Roger happily pockets \$800 first place money \$500 Jack ace monies and an added \$100 for wearing his Donkee Logo shirt for a tidy sum of \$1,400. (Just in time for Xmas shopping)

Roger works for B.P.Oil Refinery in Carson, is married to a lady who does not bowl but is his best supporter. They have five adult children Ruth, Alex, Sheila, Frances and tina and ten grandchildren. Maybe more since his last win at Action in July of 2004 ?? This time Ping, Chris and Alex Romero his bowling brothers and his coaches were all on hand for his big win. Great family. As of his win at Action his highest game was a 279 and his high series 735. We didn't get an interview at Bowl-o-drome so these figures could be higher as he is really bowling well. . In the 11:00Am squad Sidepots were \$36 with Victor Copeland pocketing the first one with a 275 game and Luis Diaz took the next two with a 255 and a 250 game. In the 12:30Pm for \$51 Victor Copeland came back on a roll with a 255 first game, Lenny Riley a 252 second game. George Parker posted a big 276 the third game. Wally & Jo Palmer
Remember Sponsors

LAKE FOREST — Testing bowler's memories can be a challenge. Only a few can remember their first sponsor, the guy, the business that bought them an embroidered shirt/blouse.

Wally and Jo Palmer had no trouble, together, blurted out Frank Mallard the "Man in Red".

Last Friday while the Palmers were bowling in Forest Lanes' Gil Jay's Jackpot Sweeper, with a big smile, yes, the "Man in Red" Import Cars, Wally was anchor for the team in the L.A. Greater All-Star Traveling League. I don't remember if we won or not but it was an exciting league.

Pacific Bowler publisher Joe Lyou remembers Mallard and his wife Pauline, a great pair that did a lot for bowling.

"How can we forget," Wally added. "He outfitted the whole team, Bob Colburn, Buck Buckspan, Ralph Lombard, Walt Block with red, shoes, slacks, shirt, even ball bags. He came to each center in a different red sports car."

Palmers are regulars at Forest Lanes along with a gaggle, or two of super seniors. Wally was a Cal-State 1972 scratch champ with a 714 series and bowled his first 300 at Santa Ana's Pacific Lanes.

Of course, they remember their sponsors — doesn't every bowler if they see red?
