Macpherson Named BPAA November Bowler of the Month

ARLINGTON—Wendy Macpherson of Henderson, Nevada, has been named the November 2010 Kegel Bowler of the Month by the Bowling Writers Association of America.

Macpherson defeated Mika Sato, Japan, 300-235, for the women's title of the 34th ABS Japan Open, becoming the second woman to roll a televised perfect game in Japanese Professional Bowlers Association (JPBA) history. The effort earned her a 10,000,000 Yen (US \$121,000) bonus and the 3,000,000 Yen (US \$36,000) first place prize. The win is Macpherson's third JPBA title this year and eighth overall.

The three-woman stepladder started with second seed Sato defeating third seed Himeji Urara, the 2009 JPBA Player of the Year, 224-212, to advance to the title match.

Macpherson closely edged Bill O'Neill, Southampton, Pa., the top seed for January's PBA World Championship. Others receiving votes were Scott Norton, winner of the PBA Chameleon Championship, Eugene McCune, winner of the Brunswick Pro Bowling Cheetah Championship and Osku Palermaa, winner of the PBA Geico Shark Championship.

Wendy Macpherson and Dave Wodka Capture PCB Mission Hills Mixed Doubles

MISSION HILLS – After a Sunday Finals which saw 6 different teams have the lead at some point, Wendy Macpherson and Dave Wodka prevailed as the winners over Caycee Landers and Michael Haugen Jr. by a slim 13 pins.

The event began with a field of 42 teams who all bowled 9 games of qualifying on Saturday. With the tougher than normal lane conditions, the cut score for the top 12 teams was Shelly Dowdle and Ken Maxey Jr. with a score of +275. The field was lead by Missy (Belinder) Parkin and Scott Norton with a score of +619.

The 12 finalist teams returned on Sunday for 12 games of round robin match play. There were plenty of good scores on Sunday as 6 teams were in the hunt most of the day. Going into the last game, Wendy and Dave had a 47 pin lead over Caycee and Mike. Although Caycee and

Mike won the game, it was only by a score of 440-436 which was not enough to overtake the lead. Wendy and Dave received \$2,000 for the victory while Caycee and Mike got \$1,500 for second. Rounding out the top 6 were Keli Callahan and Josh Blanchard in 3rd for \$1,300, past champions Brett Wolfe and Tina Stickney in 4th for \$1,100, past champions Missy Parkin and Scott Norton in 5th for \$1,000 and Nicole Ellison and Dennis Horan Jr. in 6th for \$900.

The following bowlers also earned \$100 bonuses courtesy of Bill Mossontte and Mission Hills Bowl for their Honor Scores: Paul Mandap (300), Dennis Horan Jr. (804), Ben Laughlin (803) and Dave Wodka (803). Please see full results on the PCB website at www.pacificcoastbowlers.com.

PCB would like to give a special thanks to Dave Steward for running the tournament all weekend and to Melody Gar-

PCB Champions Dave Wodka & Wendy Macpherson

cia for helping with scores on Saturday. The PCB added over \$900 back into the prize fund and would like to thank all the bowlers for participating. PCB would also like to thank Bill Mossontte and the entire staff at Mission Hills Bowl

for the great hospitality over the weekend. The next PCB Mixed Doubles is now scheduled for March 26-27, 2011 at Yorba Linda Bowl. Look for the full 2011 PCB schedule soon in the Bowling News and on the PCB website.

Gatorade G2 Named the "Official Thirst Quencher of Bowling's U.S. Women's Open"

ARLINGTON, TX, December 1, 2010 - The Bowling Proprietors' Association of America (BPAA), the bowling industry's premier trade organization, announced today the signing of a landmark agreement with PepsiCo that will make Gatorade G2 both an official sponsor of the 2011 Bowling's U.S. Women's Open and the "Official Thirst Quencher of the Bowling's U.S. Women's Open."

"Gatorade is an iconic brand that for 45 years has been synonymous with excellence in athletics, nutrition and sports science innovation. We could not be more proud to align women's bowling with G2, a low calorie sports drink product that directly answers the needs of our athletes," said Steve Johnson, executive director of the BPAA. "G2 is an ideal partner for Bowling's U.S. Women's Open."

The news comes on the heels of a series of historic announcements surrounding the Open and women's bowling. This past July, the BPAA announced that the Open will be telecast on ESPN from

midfield at Cowboys Stadium in Arlington, Texas, marking the first time in the history of the sport that a women's major professional bowling event will be held at a traditional sporting venue.

Added Johnson, "This historic partnership further illustrates how women's bowling has arrived. More and more major brands are taking notice of bowling's surging popularity among young females across the country."

G2 offers "All of the G" with half the calories as Gatorade (20 calories per 8 oz. serving for G2 compared to 50 calories for Gatorade), delivering hydration to athletes during competition and exercise. As part of the sponsorship agreement, G2 will receive prominent branding at the 2011 Bowling's U.S. Women's Open including on-site visibility during match play rounds and qualifiers leading up to the June 30 finals at Cowboys Stadium (branded player jerseys, on-air brand consumption, etc.). Additionally, G2 sampling/promotion will be executed during Women's Open

qualifying tournaments and state events held at bowling centers throughout the country. G2 will also receive logo recognition on all traditional media, digital media and event materials; including web sites, trade publications and in-center branding.

"At high schools, colleges and bowling centers across the nation, women's bowling is on the rise and rapidly growing in popularity having grown close to 13 percent over the last 3-years to over 25 million annually," said Doug Allison of PepsiCo. "In bringing together G2 and Bowling's U.S. Women's Open, this partnership presents a tremendous opportunity for both brands to elevate their positions with elite female athletes. We're proud to help further the growth of America's largest participatory sport as the tremendous competitors of women's bowling will now fuel their bodies with G2."

Earlier this month, the BPAA reported continuing annual increases in consumer participation with 71.1 million having bowled between April

2009 through March 2010 (the fourth consecutive year of industry growth) due, in large part, to heightened interest from women and younger bowlers. The BPAA also reported that, during that same time period, bowling generated a \$10 billion impact on the U.S. economy.

About Bowling's U.S. Women's Open

Bringing together the most powerful brand in sports and the nation's number one participatory sport, Bowling's U.S. Women's Open, sponsored by the Brands of Ebonite International, is the premier U.S. Women's major professional bowling event. With competition open to all female youth and adult bowlers, the 2011 Bowling's U.S. Women's Open will culminate in a finals event on June 30, 2011 from midfield at Cowboys Stadium during International Bowl Expo 2011 and airing on ESPN. Additional information and entry forms can be found at: www.bowlingsuswomensopen.com.

Creation of YES Fund Triggers Major Philosophy Change For Youth Bowling

By Mark Miller
For the Bowling News Network

The kids are our future. Youth are the most important thing we do. We must do something to replace a lost generation.

Those are some of the statements made over the past 30 years since organized bowling numbers have declined. They have been followed by a number of well-intentioned and by some measures successful programs including:

- The Young American Bowling Alliance’s BIF (Bowling Is Fun) mascot
- Super Bowling Saturday featuring Olympic gold medal winning gymnast Mary Lou Retton
- Creation of the SMART (Scholarship Management and Recording for Tenpins) program and promotion of its \$6 million in annual college funds
- Bowlopolis
- Increased emphasis on high school and college bowling
- The United States Bowling Congress Registered Volunteer Program
- USBC’s \$5 short-season league membership and shirts for all youth members

Originally, these ideas were designed to create reasons for young people to get involved in bowling beyond just a fun night out with family or friends. More recently, the goal was to turn kids first exposed to bowling at birthday parties into something more.

While there have been impressive increases in high school and collegiate team competitors and today more than 20 million people under age 18 bowl at least once a year, these programs have not stemmed the drop in regular youth league numbers.

From a peak of 853,650 certified American Junior Bowling Congress members in 1978, there were only 235,361 USBC youth members as of July 31, the lowest in 50 years. Only in 2001 did youth membership grow.

So what’s the bowling industry doing today about this continuing downward trend? Working together more than ever thanks to a partnership between the membership organizations and major manufacturers. The result was the creation of a new industry marketing and program called the Youth Education Services Fund.

The YES Fund started in August when Brunswick, Columbia 300, Ebonite, 900 Global, Hammer, QubicaAMF, Roto Grip, Storm and Track agreed to contribute a combined \$250,000. Bowling Proprietors’ Association Director of Youth Chad Murphy is leading a team of International Bowling Campus staff to test and eventually implement programs designed to transition more youth into organized bowling. Joining BPAA in its full support is the USBC.

Strickland is Back Practicing  
What He Preaches

*Coach and Author rolls 300 with new Storm ball after 12 year layoff*

EVERETT—Bob Strickland has been one of the best bowling coaches, writers, and ball drillers in the world for decades; but in recent years, some may have forgotten he is also a top bowler.

On December 2, the 65-year-old author of the 1980’s breakthrough book Perceptive Bowling, and the Bowling: Steps to Success series, rolled a 300-730 in the Thursday Night Scratch League at Evergreen Lanes in Everett, Washington.

It was only the second 300 in this 20-lane center this season.

What makes the perfect game even more impressive is the fact that before this season, back injuries and other medical problems kept Strickland off the hardwood for 12 years. Adding to the drama, this was Strickland’s first ever 300 game rolled in USBC certified competition. He had rolled several in unsanctioned play and coaching exhibitions over the years, but never in official league or tournament play.

A top bowler averaging over 200 since the early 1960’s, Strickland is a member of the Dallas Bowling Hall of Fame for superior performance. He and his wife Sue moved from Dallas to Everett in 2002 to operate Robert H. Strickland Associates, a business consulting firm.

The Stricklands traveled across the globe in the late 80’s and early 90’s conducting Perceptive Bowling Clinics in more than a dozen countries. Bob has also contributed columns and instructional pieces to Stars & Strikes, International Bowlers Journal, and many other publications.

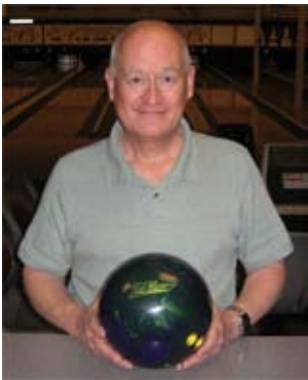

Over the years, he has continued coaching and occasional writing; and when he decided to get back into bowling himself, Storm Bowling Products made 2Fast and Prodigy balls available. He used the Storm 2Fast for the 300 game.

“I was focused on our team effort, and all of the sudden, I had a nine-bagger,” said Strickland. His first ball in the 10th was a little shaky, but he buried the final two shots in the pocket for the perfect. Evergreen Lanes honored him by putting his name over the masking units the next day.

“After laying off for 12 years, this was an unexpected breakthrough for me. If it keeps going well, maybe I’ll get back into some PBA regional competition,” he said. Strickland was a top bowler in the PBA Southwest Region for many years before moving to the Northwest.

Strickland will continue to sing the praises of Strom bowling balls and bowling fundamentals as he coaches and writes about bowling. He is planning an update to his Perceptive Bowling book, and he has released a series of mental bowling tips on a website he developed with Dr. Will Powers called Bowling Tough. It can be accessed at [www.bowlingtough.com](http://www.bowlingtough.com).

LAS VEGAS TRAVEL LEAGUE  
By Alice Meglemre

CERRITOS — The Vegas league returned to Cerritos Lanes Monday and Beth was at the control desk to welcome us. So was John, Cerritos Manager, who was doing double duty as a plumber, and he did a fine job.

We expected some pretty good scoring Monday since it was Position Round and we were not disappointed. Doris Lewis led the honor roll with 223-624, followed by Betty Phillips 209-592, Roberta McNaught 245-564, Vi Wilson 214-555, Linda Kinney 528, Margo McClain 527, Dee Phipps 526, Karen Mauricio 525, Theresa Jackson 522, Cil Moons 520, Madeline Majick 517 and Darlene Waken 502.

Fountain Bowl continues to dominate standings and swept three games from opponents. posting 31 wins, followed by Keystone #2, 23.2; Cal Bowl #1, Bowling News and Keystone #1 are tied at 20; Fountain Bowl #1, 16; Del Rio 15.2; Valley View #2, 15; Linbrook 14 and Valley View #1, 14.

The concourse behind lane 25 looked like Christmas when Joan Roper displayed the lovely hand-made goodies she sells every year. We assume she will have them again next week, and maybe some others will bring some Christmas items to sell. We regret we can't recall the name of the man who was also selling lots of pretty things during league play, but we have known him forever and his products continue to get better every year.

It hardly seems possible but the annual Christmas pot-luck and optional gift exchange is due a week from Monday and Charlie (Santa Claus) Williams will again preside over the gift exchange. Details will be given next week for those who are new members in the league this year.

NEXT WEEK- 10:30 a.m. Monday, December 13 at Keystone Lanes.

## Romy Cajucum 4th ABTA Win at Mission Hills

### Carry-Over of all Pots • Match Game is \$3500

Match Series estimate of \$1500

**ABTA Returns to Bowling Square Lanes This Weekend**  
**3-6-9 is \$2,400 at Bowling Square Lanes**

MISSION HILLS — In our long awaited return to Mission Hills Bowl, bowlers came out for a semi tough shot this week. We had 168 entries this week. Cut scores were a +61 for the men and +22 for the women. This week, our three Super Seniors added to the board were Greg Reinhard (+27) and Leo Tartamella (+19) for the men and Frances Brandt (+21) for the women. That would give us 41 bowlers making it to the semi-finals this week.

For all qualifying squads our top qualifier for the Men was Casey Nelson with a +126, and for the women it was Veronica Boone with a +95. Each will get paid entries into a future regular ABTA event. Each week our top seed overall draws the Match Series, and this week it was worth \$1202. The top seed drew a 644 but we had no one that bowled that score. Next week at Bowling Square Lanes we will estimate the Match Series at \$1500. For the 3-6-9 qualifying this week, Mike Moore was the final person standing to go for the \$2300 pot. He missed on his first shot and received a \$50 consolation. We will add another \$100 at Bowling Square Lanes for total of \$2400.

In the doubles this week, we had 139 groups get into the doubles, with 20 spots being paid out. The top prize this week went to Rodney Payne and Casey Nelson with a 1390 for \$160. In 2nd place, it was Greg Kokanour and Marvin Crowder with a 1384 for \$140. The low to cash was 1322; we paid out \$1390 in doubles.

In the semis this week we saw Romy Cajucum lead the field with a +120 to sit out and bowl for the title. Gerry Manuel came in second at +118 and would sit out the first round. It took a +52 for the men and women needed a +28 to make the top 16.

This week, our top seed in semi-finals had the honor of drawing the match game worth \$3500. The pot maxes out at that amount and we have a second pot growing and that is currently at \$745. He drew a 273. After a review of all the scores bowled, we had no one that shot that score, so it will carry-over to next week and we will again go for the max of \$3500 at Bowling Square Lanes. This week we had 10 new bowlers join us, and no returning member. Let's welcome these new bowlers to the club, Carol Tucker, Trent Griffiths, Marysa Keller, Junior Viray, Mitchell Weitzman, Aviv Auslander, John Dipietro Jr, Chris Walston, Sammy Santiago Sr, Richard Arens and we would see 1 of the new bowlers make the semi-finals in their first time bowling.

This would bring us to our Match Play finals now. In the first round the 7 losers were Deborah Sanders, Greg Kokanour, Brad LeCount, Anthony Borci, David Godinez, Cezar Marcella, and Rodney Payne. They would receive checks of \$100 each. In the second round, the losers were Marvin Crowder, Annaliza Agoncillo, Vic Garcia, and Gerry Manuel. Each would get checks of \$107.50. This would

get us to the final four bowlers. At this point, our horses would be paying anywhere from a low of \$50 (Thomas Licauco) to a high of \$100 (Tiffany Paulsen) depending on who would win. In this round we saw Ron Peter (3rd seed) bowling Alejandro Vela (8th seed). In this match, Ron would get the better of Alejandro with a 244 to 186 finish. In the other match we saw Thomas Licauco (6th seed) bowling Tiffany Paulsen (7th seed). In this match, Thomas would get the better of Tiffany in this match with a 233 to 171 final score. Alejandro and Tiffany finished in 4th and 5th getting checks for \$115 each. Our semi-final match was set to be bowled on 17 and 18; we had our 3rd and 6th seeds into the top 16 bowling each other. In our horses this week we would see Thomas paying \$50 and Ron paying \$78 if they win their match. In this match, Ron would stake Thomas to a 37 pin based on Handicap difference. But Ron started out on fire by opening up with a "Ham bone" (4 strikes), but Thomas would stay clean for the first five frames. Ron would open in the fifth frame, but came back with three more strikes. Thomas opened in the sixth, seventh, and eighth frames to allow Ron to jump out to a 39 pin advantage. Ron would finish with a 216/232 to 162/215 final sending him to the title match. For those lucky "investors" that had Ron as a horse, he paid \$78. Thomas finished 3rd and received \$200.

The title game is set and

bowled on lanes 19 and 20 this week. Romy being the top seed elected to start the match first. Romy would strike on his first ball and that would bring up Ron. He would get a strike also in the first frame. He would leave the 3-6 in the 2nd and only get 1 pin on his pick up. As the match continued, Romy would double in the 4th and 5th frames, but that would be matched by Ron with a double in the 5th and 6th frames. The match would continue to stay within 25 pins all the way till the 9th frame. But Romy would strike and that would bring up Ron. He left the 10 pin on his first ball and then missed the spare on his second shot. That was enough to send Romy to his fourth ABTA championship with a 226/243 to 192/208 finish. Romy would take home \$1000 for the win and an additional \$100 for wearing his ABTA shirt. Ron finished in 2nd for \$500.

## HOST GREAT LAKES DEAF BA'S FUND RAISING FOOTBALL POOL

LAS VEGAS — This writer got emails from Great Lakes Deaf Bowling Association President Walt Niesluchowski and Secretary Treasurer Mike Jasko, both are about update of GLDBA's near successful fund raiser, a football pool. This pool is to help defray the high expenses of their coming 75th anniversary GLDBA Tournament at Red Rock Hotel, Casino and Bowling Center on April 4-9, 2011. (See story below)

Their football pool is similar to all pools with 10 squares across and 10 squares down, a total of 100 squares but the cost of each square is pretty steep, \$200 per. High but the cost covers 4 different events, Colleges' BCS, AFL, NFL and Super Bowl Championship. A total of \$20,000 if all squares are sold out and \$2,000 goes to GLDBA's 2011 Fund and the remaining \$18,000 is split up in \$5,400 in prizes for BCS, \$2,700 each in prizes for AFL and NFL and \$7,400 in prizes for Super Bowl. There are 80 chances to win prizes ranging from \$50 in AFL or NFL up to \$1,500 in Super Bowl.

Better hurry because this updated pool is nearly sold out with only 15 squares open for sale. Those interested should click on internet [www.gldba-gldwba.org/footballpool](http://www.gldba-gldwba.org/footballpool) to look at this pool or take the faster way by contacting any of these persons for update number available before send \$200: James Dudasik [ydud@aol.com](mailto:ydud@aol.com), Michael Miller [mikeredfox@me.com](mailto:mikeredfox@me.com), Ronnie Zuchegno [zuchman2011@aol.com](mailto:zuchman2011@aol.com) or Michael Mangialardo [mmangialardo@comcast.net](mailto:mmangialardo@comcast.net). Good luck.

# Sysco & JAT Tied at 18

by Aimee Gomez

DOWNEY—This week looked like a battle on many pairs, especially on the first place pair. Sysco’s Vernon Adams 216-255-242/713, Paul Barraco 224-244-227/695, Charlie Kinstler 234-217-242/693 and Harry Wong 211-226-222/659 put up some huge scores after dropping the first game to Brylaw Accounting. For Brylaw, Billy Myers Jr. 257-204-234/695, Charles Zelaya 233-225-221/679, Larry Stephens 242-225/664, and Garcell Bullocks 225-222/628 did well and got close again in game three, but only wound up with one win on the evening. Sysco has 18 while Brylaw dropped to third with 17 wins.

In a match decided by three pins twice and twenty pins separating the teams at the end of the night, Junior Amateur Tour rode David Yamauchi 245-220-236/701 to four wins over Pro Approach. Alex Garcia led the way for Pro Approach, even going front nine game two, with his 279-215/667; teammate Jon Stone 215-208/617 broke six with a borrowed ball and house shoes thanks to the thief who stole all of his equipment. After the pins had settled, JAT had 18 wins.

Katie Jake’s Bar and Grill took four from Linder Insurance thanks to Jon Brandon 209-214-269/692, Kevin Yamauchi 247-254/685 and Kevin Valmonte 212-226/627. Shane Soper 253-205-226/684, Aaron Hodges 279/641 and Keith Klagge 262/614 put up a huge game at the end, but still only picked up the second game win. Katie Jake’s has 16 and sits in fourth.

Bowlers Depot swept thanks to Jeff Carr 201-234-246/681 and Raul Rosales 238-223/646. They bowled ABTA, who simply had another off night. Bowlers Depot also has 16 wins.

Clyde’s Video Games took four from Tifco thanks to Mike Villareal’s 218-205/601 set. Tom Jackson led Tifco 204-215/603, and helped them to a third game win.

In the corner, Storm Products used Paul Varela 240-248/652, Ramon Torres 213-236/629 and Leonard Ruiz 226/607 to earn four from Herzog Insurance’s Danielle Schilling 213-235/631 and sub Katrina Fujikami taking her first stab at Cheetah, 221-212/603.

Bowlum won four from Threadworks. Arnold Cheesman 222-219-213/654, Mark Fisser 211-234-207/652, Juan Camarena 245/612 and Cynthia Cheesman 227/606 led the way as Jon Reyes 229-235-249/713 and Eric Snow 227-258/651 of Threadworks tried to cover their team, but only got the first game.

Zavala’s Taquerias finally got some wins, sweeping Key Container, who had yet another tough week. Paul Danforth 228-270/675, Jeff Garrison 235-208/637 and Greg Neuer 224-204/606 led the way off of the last place pair.

Next week will be another battle, so come prepared. Have a great week and see you all soon.

JIM MURTISHAW'S

837 Is A Ten Pin Shy

Of Cal Oaks Record

by Frank Weiler

MURRIETA — JIM MURTISHAW bowled 837 (279 - 258 - 300) last week and just missed tying the Cal Oaks house record of 858.

Jim would have tied the record, if the ten pin he left in the tenth frame of his first game had fallen. If that ten pin falls, Jim's first game is 300 instead of 279. Those twenty-one additional pins would have brought his series up to a record tying 858.

The record was set by JUSTIN BORLAND three years ago.

Jim wasn't dissatisfied with missing the record though. He told me that he was only dissatisfied in not bowling a 849 series! What? What has 849 got to do with Jim's 837 or the house record of 858? Well, the Murtishaw family record is 848, and Jim wanted to break it.

The 848 was bowled by Jim's wife Anita ten years ago. ANITA MURTISHAW bowled her big score in the California Girls League at Cal Oaks Bowl on a Tuesday morning. Anita's 848 is believed to be the highest certified three game series ever bowled by a woman in the Citrus Belt.

What will the Murtishaw clan do next? Thanks to the BOWLING NEWS, we can all find out. So keep reading the Bowling News every week.

RAY COBB Leads

TEAM DARKLINE

To The Top

by Frank Weiler

SAN BERNARDINO — Team Darkline is 21-4 and in first place in DEL ROSA LANES Classic Scratch League. Team Darkline is led by anchor man RAY COBB.

Ray has been the most consistent bowler in the league. The result: WINS.

With about one-third of the season in the books, and DEL ROSA LANES best bowlers facing a sport like oil pattern, averages are dropping.

Only six of the Citrus Belt's top scratch bowlers are averaging 220. Ray Cobb is third best at 227.

BOBBY CAMPAGNALE (241 average), and DAVE WODKA (240) are still one and two, with Cobb, DENNIS HORAN (225), ZIGGY CZAJA (222) and CORKY DeMAIO (220) right behind.

CORA WAIS (200) is leading the ladies, with NICOLE ELLISON (199) just behind. Nicole has the high game (278) and series (727) for the ladies.

Cora and Nicole recommend all SoCal bowlers keep up with the latest news in our sport by reading the BOWLING NEWS.

They both join me in thanking the Bowling News for keeping all of us informed.

## Another One For The Books!

by Carol Mancini

NORWALK — I was in the office of a local bowling center last week and watched the following scene.

A female customer, of sturdy build, walked up to the desk and started talking to the manager. He asked her how she liked bowling in his new "beginners league". She said the people were nice and she wished she had taken up bowling a long time ago. He then asked if she was taking advantage of the Sunday morning "practice special" rates.

Her reply, "PRACTICE? PRACTICE? I'm not good enough to practice!"

My T-shirts will be on sale soon!

# It's A Swell Time, It's The "Wright" Time To "Strike" The Day Away...

by Joy McGregor

ANAHEIM—And so the song goes... for David Wright that is. David was actually rockin' AND strikin' in the 590 Classic Friday morning and altho' there was no Christmas tree, he did find some magic on the lanes. Ho-Ho-Ho! David tossed games of 224-228 and 259 for 711 and added a 211 to record a spirited 922. A very "jolly" outing David!

Shawn St. Andre also feeling the spirit of the season, found a little holiday magic of his own on games of 246-204-243 and 226 to ring in a nice 914 set.

Super sub John Conway is certainly no elf but he sure can construct some pretty strikes. He started his day on a 176 then jumped on the assembly line producing 279-209 and 246 (734) to wrap up a pretty 910 package.

Other presentable scores: Missy Parkin 237-866, Martin Angulo 233-853, Willy Bordenave 268-845, Bob Gosnell 225-843, Terry Brent 233-838, Anderson Alcaraz 245-832, Rose Williams 221-827, Ed Hermance 236-817, Miguel Rosales 246-815, Karen Mauricio 226-813, Karen Bagnall 222-808, Juan Sandoval 236-807, Don Gut-Omen 254-806, Janine Ditch 255-805, John Phillips 244-804, Al Lara 227-801, Don Gardner 247, Rod Cantrell 236, Rich Heid 228, John Velasquez 228, Dora Miller 225, Janet Anderson 224, Melissa Fan 224, Larry Green 223, Shig Shoji 217, Tony Chaco 216, Teri Hefner 216, Drew Parkin 213, Dick McKenzie 213, Norm Walker 213, Josh Boisoneau 210, Jack Wilson 210, Kantral Williams 209, Tom Stearn 209, Marie Barbush 208, Nancy Smith 205, April Anderson 203, Cindy Miles 203, Alan Bloom 202 and Jong Lee 201.

It was so nice to see Carl Adinolfi visit so soon after his back surgery. His recovery is coming along nicely although he'll be sidelined from bowling for some time but knowing Carl's love of the game, he'll be back sooner. Very fashionable back brace Carl! Until next week...
